Ian Watson

Room For Company A Selection Of Folksongs And Ballads:

Library of Congress Catalog Library of Congress,1974-10 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 Room for Company:A Selection of Folksongs and Ballads Roy Palmer,1971-10-31

Song and Democratic Culture in Britain Ian Watson,2015-12-22 Originally published in 1983 Song has always been a natural way to record everyday experiences an expression of celebration commiseration complaint and protest This innovative book is a study of popular and working class song combining several approaches to the subject It is a history of working class song in Britain which concentrates not simply on the songs and the singers but attempts to locate such song in its cultural context and apply principles of literary criticism to this essentially oral medium It triggered controversy some critics castigated its Marxist approach others enthused that such unabashed partisanship amply reveals the outstanding characteristic of Watson s book The author discusses the way in which the popular song from Victorian times onwards has been forced by the entertainment industry out of its roots in popular culture to become a blander form of art with minimal critical potential The book ends by considering the possibilities for a continued flourishing of a genuine popular song culture in an electronic age It has become a standard title in bibliographies and curricula Much has changed since 1983 not least in music but this then innovative book still has a lot to say about popular song in its social and historical context **Library of Congress Catalogs** Library of Congress,1976 *Ballads, Songs and Snatches* C.M. Jackson-Houlston,2016-12-05 As a book on allusion this has interest for both the traditional literary or cultural historian and for the modern student of textuality and readership positions It focuses on allusion to folksong and more tangentially to popular culture areas which have so far been slighted by literary critics In the nineteenth century many authors attempted to mediate the culture s of the working classes for the enjoyment of their predominantly middle class audiences In so doing they took songs out of their original social and musical contexts and employed a variety of strategies which consciously or unconsciously romanticised falsified or denigrated what the novels or stories claimed to represent In addition some writers who were well informed about the cultures they described used allusion to song as a covert system of reference to topics such as sexuality and the criticism of class and gender relations which it was difficult to discuss directly **Alcohol and Temperance in Modern History** Jack S. Blocker Jr.,David M. Fahey,Ian R. Tyrrell,2003-12-17 A comprehensive encyclopedia on all aspects of the production consumption and social impact of alcohol Alcohol and Temperance in Modern History An International Encyclopedia spans the history of alcohol production and consumption from the development of distilled spirits and modern manufacturing and distribution methods to the present Authoritative and unbiased it brings together the work of hundreds of experts from a variety of disciplines with an emphasis on the extraordinary wealth of scholarship developed in the past several decades Its nearly 500 alphabetically organized entries range beyond the principal alcoholic beverages and major producers and

retailers to explore attitudes toward alcohol in various countries and religions traditional drinking occasions and rituals and images of drinking and temperance in art painting literature and drama Other entries describe international treaties and organizations related to alcohol production and distribution global consumption patterns and research and treatment institutions as well as temperance prohibition and antiprohibitionist efforts worldwide Sam Henry's Songs of the People Gale Huntington, Lani Herrmann, 2010-06-01 The story of Ireland its graces and shortcomings triumphs and sorrows is told by ballads dirges and humorous songs of its common people Music is a direct and powerful expression of Irish folk culture and an aspect of Irish life beloved throughout the rest of the world Incredibly the largest single gathering of Irish folk songs had been almost inaccessible because originally newspaper based it was available in only three libraries in Belfast Dublin and Washington D C Sam Henry's Songs of the People makes the music available to a wider audience than the collector ever imagined Comprising nearly 690 selections this thoroughly annotated and indexed collection is a treasure for anyone who performs composes studies collects or simply enjoys folk music It is valuable as an outstanding record of Irish folk songs before World War II demonstrating the historical ties between Irish and Southern folk culture and the tremendous Irish influence on American folk music In addition to the songs themselves and their original commentary Sam Henry's Songs of the People includes a glossary bibliography discography index of titles and first lines melodic index index of the original sources of the songs and information about them geographical index of sources and three appendixes related to the original song series in the Northern Constitution **Music, Books on Music, and Sound Recordings** Library of Congress, 1983

Notes and Sources for Folk Songs of the Catskills Norman Cazden, Herbert Haufrecht, Norman Studer, 1983-06-30 Notes and Sources to Folk Songs of the Catskills also published by the State University of New York Press is the companion volume to Folk Songs of the Catskills It contains extensive reference notes that exemplify and support detailed citations in the commentary preceding each song The book also includes a comprehensive list of sources including books broadsides or pocket songsters disc recordings music publications periodicals tape archives and other miscellaneous material as well as information on variants adaptations comments or references texts and tunes These notes are designed to provide succinct reference information *Traditional American Folk Songs from the Anne and Frank Warner Collection* Anne Warner, 2025-04-15 Starting in the late 1930s writer Anne and her husband and musician Frank Warner traveled along the Eastern Seaboard from the Adirondacks to the Outer Banks of North Carolina collecting folk songs they would perform document research and lecture on This decade spanning work led to the Warners development of a nearly one thousand song archive one of the defining collections of American folk music From that treasured archive Traditional American Folk Songs from the Anne and Frank Warner Collection brings together nearly 200 of the Warners most beloved songs with a detailed history behind the music and lyrics The book is uniquely organized by region and singer allowing each of the voices to speak to the places they called home and the songs that could be heard there Now updated with new photos Traditional American

Folk Songs is the definitive collection from the preeminent collectors of East Coast American folk music
