**Superstitions** William Carroll,1998      **Rooster Crows** Ragnhild Scamell,1994 To prove that the sun rises in the morning because of his crowing Rooster bets Bluebird that he can make the sun come up at midnight      **The Frank C. Brown Collection of NC Folklore** Newman Ivey White,Wayland D. Hand,2013-07-15 Frank C Brown organized the North Carolina Folklore Society in 1913 Both Dr Brown and the Society collected stores from individuals Brown through his classes at Duke University and through his summer expeditions in the North Carolina mountains and the Society by interviewing its members and also levied on the previous collections made by friends and members of the Society The result was a large mass of texts and notes assembled over a period of nearly forty years and covering every aspect of local tradition members of the Society The result was a large mass of texts and notes assembled over a period of nearly forty years and covering every aspect of local tradition      *How & why Stories* Martha Hamilton,Mitch Weiss,1999 Did you ever look carefully at a spider s web If their purpose is strictly to catch flies why do spiders weave such beautiful intricate webs Did you ever wonder what causes thunder Why is the sea salty How did tigers get their stripes In this collection of delightful tales from around the world and through the ages each story explains why an animal plant or natural object looks or acts the way it does      **Jesus, Contradicted** Michael R. Licona,2024-05-28 The differences and discrepancies in the Gospels constitute the foremost objections to their reliability and the credibility of their message Some have tried to resolve Gospels contradictions with strained harmonization efforts Many others conclude that the Gospels are hopelessly contradictory and therefore historically unreliable accounts of Jesus In Jesus Contradicted New Testament scholar Michael Licona shows how the genre of ancient biography to which the Gospels belong actually allows biographers to be flexible in how they report events construct a narrative and make an argument Licona demonstrates that the intentional changes to the Jesus tradition by the Evangelists reveal that the differences in how the Gospels report events are not grounds for their rejection Instead they are a result of the Gospel writers employing standard literary conventions common in their time for writing ancient biography Licona introduces readers to the genre of ancient biography through Plutarch who wrote 48 of the 90 extent biographies written within 150 years of Jesus giving numerous examples of compositional devices employed by Plutarch and comparing them with instances in the Gospels where the Evangelists appear to use similar techniques Licona also examines Theon s Progymnasmata a first century textbook that provides six techniques for paraphrasing one s sources when writing a narrative In doing so he helps readers understand why the Gospels report many events differently Finally Licona concludes by addressing the thorny question of whether the editorial moves commonplace in ancient biography are compatible with the doctrines of the divine inspiration and the inerrancy of Scripture Rather than trying to resolve discrepancies by bending the Gospel narrative which risks making them say things they aren t saying Jesus Contradicted situates the Gospels within their proper context and helps readers account for differences in the Gospels in a cohesive and historically cogent way
