Ezra Pound and the Career of Modern Criticism Michael Coyle,Roxana Preda,2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound's reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society **Ezra Pound's Radio Operas** Margaret Fisher,2002 In this study of Pound's radio operas of the 1930s Margaret Fisher draws on the unpublished correspondence between Pound and his maverick BBC producer Edward Archibald Fraser Harding to reveal a little known aspect of Pound's career **Ezra Pound's Confucian Translations** Mary Paterson Cheadle,1997 Provides bold insights into Pound's Fascism **The Cambridge Companion to Ezra Pound** Ira B.
