Rory Ita:

Rory & Ita Roddy Doyle, 2003 The Abbey Theatre Series, 1908 **New Ways to Kill Your Mother** Colm Toibin, 2012 In his essay on Tennessee Williams the author reveals an artist profoundly tormented by his sister's mental illness Through the relationship between W B Yeats and his father he examines a world of family relations and in Roddy Doyle's writing on his parents illuminates an Ireland reinvented From John Cheever's journals he makes fresh this darkly comic misanthrope and his intimates Educating an intellectual woman Cheever remarked is like letting a rattlesnake into the house In pieces that range from the importance of aunts and the death of parents in the English nineteenth century novel to the relationship between fathers and sons in the writing of James Baldwin and Barack Obama the author illuminates the intimate connections between writers and their families but also articulates the great joy of reading their work **The Bicycle Thief and the German Wife** Paul Martin, 2019-05-28 Can the enigma of Italy ever be understood especially by a foreigner How can the complex war experiences of even one Italian family ever be told On the birth of his eldest child in a medieval hillside town in central Italy in 2007 Irishman Paul Martin first heard a troubling two lines about his Italian family His wife's grandfather Bruno had been denied his war pension because it was suspected he had sided with Mussolini's extremist Sal Republic after the 1943 Armistice How could more be learnt if Bruno had been killed in 1956 and his wife Babi would never discuss the war up to her death in 2015 aged almost 100 Was this suspicion linked to Bruno's remarkable though undocumented journey home on a stolen bicycle after liberation from a German prison in 1945 Or had it something to do with Babi's origins in Alto Adige the German speaking region of northern Italy And why had Bruno's father Oronzo attempted suicide immediately after the war In the decade after 2008 as Europe faced into the seething consequences of the global crash Paul would unravel this complex family and unexpectedly national story In conversations with remaining members of the war generation this tale would wind through the former Austro Hungarian empire to a Jewish internment camp in the Marche to Italy's disastrous Albanian campaign to vile wars in Russia and the Balkans to a prison in East Prussia and a forced labour factory near Leipzig to an impoverished and troubled post war Ancona before arriving at its conclusion in today's Italy Faced with the unrelenting question of what is the truth of history this intriguing story ultimately uncovers some of the buried past and deep humanity of Italy's extraordinary people But above all it reveals the character of one Italian family and how rather than Bruno's suspected Fascist sympathies something far more nuanced and painful lay behind Babi's decades long dignified silence **Four Irish Rebel Plays** James Moran, 2007 Collects together for the first time plays written by the well known Irish nationalists Patrick Pearse Thomas MacDonagh James Connolly and Terence MacSwiney In the months before 1916 MacDonagh staged *When the Dawn is Come* and Pearse staged *The Master* both works were designed to persuade the Dublin populace to support the advanced nationalist cause At the same time MacSwiney staged his play *The Revolutionist* in order to win the support of Redmondite nationalists in Cork At Liberty Hall only three weeks before

taking part in the armed revolt of 1916 Connolly staged *Under Which Flag* to persuade socialists to join the rebellion The plays offer important insights into the rebels political and military thinking The introduction explains exactly how the plays influenced the Irish revolution between 1916 and 1921 and explores the theatrical influences that affected the rebels The context of the plays original staging and subsequent influence both inside and outside the playhouse is also covered The epilogue outlines the varying afterlives that the plays enjoyed once their authors were dead *Violent Truth* Nola Marie, Truth is pain The truth I hide has left me nothing but rage and a need to hurt Until Truth personified by golden curls and innocent haunted eyes walks into my life and lies to me I know nothing about Verity except that she doesn't add up The lies uttered by that luscious mouth don't seem to matter though Because I can't rid myself of this all-consuming need for her I try to push her away To make her flee But the more she runs the more I need to hold her close Truth is pain and I learn just how much when Verity reveals her truth to me When her captors drag her back to her gilded cage determined to destroy the beauty of her soul I will hunt them down and before I kill them I will show them what pain truly is No one will hurt my truth and live Previously released as *Preserving His Truth* WARNING This book is not for the faint of heart It will tear your heart out and stomp on it before putting it back together The characters are not perfect and the heroes are flawed If you're looking for sunshine and rainbows I suggest you try another book But if you want real emotion with a happily ever after then you've found your book TRIGGERS human trafficking attempted sexual assault violence kidnapping talks of rape *Rory & Ita* Roddy Doyle, 2002 A portrait of modern Ireland and the development of a modern Irish writer focuses on the lives of the author's parents in the aftermath of the Irish rebellion their witness to the country's economic rise and their hardships

Donatello Among the Blackshirts Claudia Lazzaro, Roger J. Crum, 2005 Focuses on the appropriation of visual elements of the classical medieval and Renaissance past in Mussolini's Italy **The Spectator**, 2002 **Евреи в меняющемся мире**, 1908
