Robespierre Peter McPhee,2012-03-13 For some historians and biographers Maximilien Robespierre 1758 94 was a great revolutionary martyr who succeeded in leading the French Republic to safety in the face of overwhelming military odds For many others he was the first modern dictator a fanatic who instigated the murderous Reign of Terror in 1793 94 This masterful biography combines new research into Robespierre s dramatic life with a deep understanding of society and the politics of the French Revolution to arrive at a fresh understanding of the man his passions and his tragic shortcomings Peter McPhee gives special attention to Robespierre s formative years and the development of an iron will in a frail boy conceived outside wedlock and on the margins of polite provincial society Exploring how these experiences formed the young lawyer who arrived in Versailles in 1789 the author discovers not the cold obsessive Robespierre of legend but a man of passion with close but platonic friendships with women Soon immersed in revolutionary conflict he suffered increasingly lengthy periods of nervous collapse correlating with moments of political crisis yet Robespierre was tragically unable to step away from the crushing

burdens of leadership Did his ruthless uncompromising exercise of power reflect a descent into madness in his final year of life McPhee reevaluates the ideology and reality of the Terror what Robespierre intended and whether it represented an abandonment or a reversal of his early liberalism and sense of justice **Catalogue of the Library of the Boston Athenaeum** Anonymous,2023-05-17 Reprint of the original first published in 1874 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Bulletin** Cincinnati (Ohio), Public Library,1881 Annual List of Books Added to the Public Library of Cincinnati Public Library of Cincinnati and Hamilton County,1881 **The Athenaeum** ,1903 **Bulletin of Books in the Various Departments of Literature and Science Added to the Public Library of Cincinnati During the Year...** Public Library of Cincinnati and Hamilton County,1881 *Catalogue of the Library of the Boston Athenaeum* ,1874 *Catalogue of the Library of the Boston Athenæum* Boston Athenaeum,1874 The Routledge Handbook of Education in India Krishna Kumar,2021-09-30 This comprehensive handbook introduces the reader to the education system in India in terms of its structural features its relations with society and culture and the debates that have shaped the present day policy ethos The book provides an overview of major debates that have shaped India s education systems as well as the significant issues within higher and school education education studies and policies Expert scholars provide a lucid analysis of complex themes such as the equity access and the quality of education The volume also examines legal provisions and policies shaping the distribution structure and curricular issues in major areas of knowledge as well as the provision of schools for the marginalised economically weak and people with disabilities This new edition includes an analysis of the private sector s participation in higher education and the technical and vocational education and training systems in India This handbook will serve as a valuable resource and guide to educators and public policy practitioners seeking information about India s contemporary educational challenges It will also be useful to scholars and researchers of education public policy and administration sociology and political studies as well as think tanks the media policy makers and NGOs **Midland Schools** ,1907 *The United States Catalog* ,1904 The Publisher ,1902
