**Isaiah Price** Jesse Bauer,2025-03-14 Isaiah Price is living the American dream He is employed at a local Christian college where he teaches Bible and tries to mentor his students in the ways of God Isaiah is also deeply in love with his wife Allison and hopes that his life will never change until an ancient artifact is stolen from the British Museum and his life is changed forever His father-in-law Dr. Job McPherson one of the seminary professors at the college where Isaiah teaches then instructs him and his wife to get the truth out about what the relic truly is An old pamphlet reveals that the artifact is thought to be David's Sling from the Old Testament and it is believed that when it fell into the hands of the British during World War II it caused the demise of Hitler's Third Reich Dr. McPherson believes that a modern-day Nazi cult has stolen the weapon and will try to use it to bring about another Nazi regime based out of Germany Isaiah Allison their friends Billy and Jamelle Gardner and two students from the college Kim Loo Chaing and Esther Hemingway agree to set off to England and reveal that David was able to defeat Goliath because of God and not by the sling itself Matters get even more complicated when Isaiah and his team discover a horrifying fact that it appears that Hamas and a rogue instructor from MI6 have obtained the sling before the Nazis have Believing that Hamas is going to try to use the sling in a terror attack against Israel by trying to hearken back to false historical roots Isaiah and his companions rush to Israel to warn the Israeli Defense Forces before an all-out war erupts Throughout their mission Isaiah and his associates learn the importance of following the will of God and the importance of friendship

**Hell's Best Kept Secret** Ray Comfort,2004-07-01 How many souls have you won to Christ How many are still walking with the Lord All some a few The facts are Evangelical success is at an all-time low We're producing more backsliders than true converts The fall-away rate from large crusades to local churches is between 80 to 90 percent Why are so many unbelievers turning away from the message of the gospel Doesn't the Bible tell us how to bring sinners to true repentance If so where have we missed it The answer may surprise you One hundred years ago Satan

buried the crucial key needed to unlock the unbeliever's heart Now Ray Comfort boldly breaks away from modern tradition and calls for a return to biblical evangelism If you're experiencing evangelical frustration over lost souls unrepentant sinners and backslidden believers then look no further This radical approach could be the missing dimension needed to win our generation to Christ

*The City Beneath* Susan A. Phillips,2019-11-05 A sweeping history of Los Angeles told through the lens of the many marginalized groups from hobos to taggers that have used the city s walls as a channel for communication Graffiti written in storm drain tunnels on neighborhood walls and under bridges tells an underground and until now untold history of Los Angeles Drawing on extensive research within the city s urban landscape Susan A Phillips traces the hidden language of marginalized groups over the past century from the early twentieth century markings of hobos soldiers and Japanese internees to the later inscriptions of surfers cholos and punks Whether describing daredevil kids bored workers or clandestine lovers Phillips profiles the experiences of people who remain underrepresented in conventional histories revealing the powerful role of graffiti as a venue for cultural expression Graffiti aficionados might be surprised to learn that the earliest documented graffiti bubble letters appear not in 1970s New York but in 1920s Los Angeles Or that the negative letterforms first carved at the turn of the century are still spray painted on walls today With discussions of characters like Leon Ray Livingston a k a A No 1 credited with consolidating the entire system of hobo communication in the 1910s and Kathy Zuckerman better known as the surf icon Gidget this lavishly illustrated book tells stories of small moments that collectively build into broad statements about power memory landscape and history itself

**The Ice Age Challenge** Rolf A. F. Witzsche,2005-03-01 *The Ice Age Challenge* refers to the challenge that we face globally to create a new foundation for living when the coming Ice Age climate shuts down most of the world s agriculture possibly 100 to 150 years from now The novel is the first part of the second episode of the series *The Lodging for the Rose* an eight part science fantasy

centered on universal love by Rolf A F Witzsche We truly are in a race against time the greatest race since the dawn of man racing to create the technologies economies finances politics and social cultures that enable us to shift agriculture into efficient indoor facilities in order to protect our food production in the coming Ice Age environment The Earth has been in an Ice Age for 1 8 million years interspersed by the occasional warm period like the present one that is ending in spite of global warming The necessary infrastructures for survival are technologically feasible but will we empower ourselves to create them That appears to be less certain It seems that we have been put in race without the skills for it But then don t we have the potential to be fast learners In the course of exploring the question the novel touches on the collapse of the Soviet Union the Aryan invasion in historic India the face of Islam the fascist holocaust depopulation global warming nuclear fusion power indoors agriculture and principles of marriage sex culture and science
