The Munros and Tops Chris Townsend, 2013-05-24. When Chris Townsend reached the summit of Ben Hope in Sutherland, he walked his way into the record books. After 118 days in which he had covered more than 1,700 miles and climbed over 575,000 feet, he had completed the first single continuous journey of all 277 Munros and 240 Tops in the Scottish Highlands. This is the story of that remarkable walk from the start on Ben More on the Isle of Mull through to the finish, the equivalent of climbing Mount

Everest 18 times For the author the real enjoyment of the walk was not in counting up the summits or the miles but in spending week after week in the hills and living in the wilds In THE MUNROS AND TOPS Chris Townsend recalls the joys of observing the birds and animals the trees and flowers the changing shapes of the hills and the play of light on their slopes He writes about the complexities of route finding and the challenge of rugged terrain and of coping with often atrocious weather conditions Illustrated with photographs taken during the walk this is a stirring account of a unique achievement

The Sunlit Summit Robin Lloyd-Jones, 2013-08-15 William Hutchison Murray 1913 1996 was one of Scotland s most distinguished climbers in the years before and after the Second World War As a prisoner of war in Italy he wrote his first classic book Mountaineering in Scotland on rough toilet paper which was confiscated and destroyed by the Gestapo The rewritten version was published in 1947 and followed by the now equally famous Undiscovered Scotland In 1951 he was depute leader to Eric Shipton on the Everest Reconnaissance Expedition which discovered the eventual successful route which would be climbed by Hilary and Tensing From the 1960s onwards he was heavily involved in conservation campaigns and his book Highland Landscape commissioned by the National Trust for Scotland identified areas

of outstanding beauty that should be protected It proved to be extremely influential In 1966 he was awarded an OBE as he pursued a life of service as is well illustrated by the various posts he held Commissioner for the Countryside Commission for Scotland 1968 1980 President of the Scottish Mountaineering Club 1962 1964 and of the Ramblers Association Scotland 1966 82 Chairman of Scottish Countryside Activities Council 1967 82 Vice President of the Alpine Club 1971 72 President of Mountaineering Council of Scotland 1972 75 He was a prolific author but a proper understanding of his life and work requires that we appreciate that his driving force was a quest to achieve inner purification that would lead him to oneness with Truth and Beauty For many years the climber author and teacher Robin Lloyd Jones above has been researching the life and work of Bill Murray and working steadily on this biography It is not only a triumph of fine writing and interest but a worthy accolade for this great man

Ghosts of Glencoe Chuck Schwerin, 2024-06-18 *Ghosts of Glencoe* is a riveting multi generational adventure of self discovery The novel spans a mere four months set at a unique junior boarding school and played out in the rugged Adirondack mountains of New York This is a hero's journey for two flawed protagonists one fifteen the other sixty three Both struggle to be accountable to themselves and to those who love them for their hubris betrayals for the shadows they created and still carry In their tortuous path to absolution both discover one is never too young to teach nor too old to learn In the fall of 2002 dramatic events engulf three ninth graders not the best of friends their passionate Scottish headmaster and an unlikely pair of escapees from a nearby prison The inevitable collision of these forces demonstrates that age and experience have no monopoly on bravery or vulnerability Only after superficial differences are peeled away can the teens summon the strength to find common ground to confront their frailties under the most trying conditions lost in the snowy mountains with rescuers urgently trying to find them and the convicts desperately plotting to eliminate them A page turning adventure set in wilderness that is as much a factor as the characters themselves *Ghosts of Glencoe* entertains educates and illustrates how the mountaineering mantra Fellowship of the Rope embodies the imperative that if we don't hang together we will surely hang alone
