the Sphinx** Kimberly Lamm,2025-06-12 A classic of feminist avant garde cinema Laura Mulvey and Peter Wollen s Riddles of
the Sphinx 1977 follows the life of Louise Dinah Stabb a white middle class woman living in London in the 1970s as she
confronts the complex politics of motherhood domestic labour and work With a kaleidoscopic array of cinematic techniques
and poetic devices the film charts Louise s process as she questions her place within white patriarchal culture and finds her
voice within the burgeoning Women s Liberation Movement Reading Riddles as an essay film Kimberly Lamm explores how it
utilises voice sound and writing to challenge Hollywood s dominant images of women and to portray maternal care as a
legitimate form of work rich in aesthetic pleasures and feminist possibilities She examines the voice of the Sphinx and
connecting it to feminism s engagement with psychoanalysis argues that Mulvey and Wollen s film works through long
histories of patriarchal viewing practices and creates conditions in which the full range of women s voices can be listened to
heard and valued Lamm explores how Riddles the second collaboration between Mulvey and Wollen drew inspiration from
Wollen s influential work on counter cinema and Mulvey s foundational writing on the male gaze **Seriously Funny #01**

blaming others we can learn how to communicate clearly even in the most difficult situations Specific suggestions and exercises enable the reader to use this as a workbook for individual and personal exploration The book also demonstrates how to be less uncomfortable or anxious when someone bursts into tears or is angry we can learn to be less anxious and more present in our relationships even when strong emotions are existent This book is intended as an initial guide to our feelings charting the currents and movements of the heart and makes it clear that emotion is part of everyday life and need not be seen as a problem The theoretical input is balanced by many illustrations from Anne s working experience which allow the reader to relate the theory to their own life experiences Reconnecting with the Heart will help anyone who struggles to make sense of their feelings within the increasingly impersonal context of everyday life **Teddy Bear Treasures Transfer Book** Vicki Blizzard,2000-06 **The Afterthoughts** Stephen Reynolds,2024-04-28 An unnamed narrator wakes suddenly to find himself in the compartment of a train he cannot remember boarding His fellow passengers are both strange and familiar Together they must work out the truth of their situation Are they memories of long forgotten souls or something else And what links them through the mists of time
