Long Patrol:

The Long Patrol Brian Jacques, 2012-10-31 The tenth book in the beloved bestselling Redwall saga soon to be a major Netflix movie Tammo dreams of joining the Long Patrol the legendary army of fighting hares who serve Lady Cregga Rose Eyes ruler of Salamandastron And with Damug Warfang s mighty battalion of savage vermin on the rampage young Tammo s dream is about to become a brutal reality

The Long Patrol Roy Bainton, 2011-10-14 When the Allies occupied Germany at the end of the Second World War there were two million men present to witness the devastating end of the Third Reich Few of them could have imagined just how long this occupation was going to last right up to the fall of the Berlin Wall in 1989 and well into its aftermath Today some 17 000 British troops remain in Germany But over the past four and a half decades tens of thousands of British men and women have lived and worked in British Zone as members of the British Army of the Rhine BAOR some for relatively short periods many for much longer Long enough though for the experience to have a profound effect on their lives and on their attitudes THE LONG PATROL reveals what life has been like in the British Zone for those men and women and their families As the post war worlds of Britain and Germany had little in common they had to find their own identity often suspended between the two And what did the Germans make of the British How did they react when whole streets sometimes whole districts were requisitioned and occupied What were the psychological effects of a foreign army taking over the barracks of what had been until so recently the homes of the warriors of the 1 000 Year Reich Eventually the British became more and more insulated against the culture around them building their own camps their own cinemas In major centres like Berlin they lived a separate life whilst all around them Germany got on with the massive task of reconstruction In the background there lurked the ever present spectre of a possible Third World War Based largely on interviews and information culled from personal diaries and letters THE LONG PATROL is primarily an oral history of the British in Germany It also analyses and interprets experiences in an attempt to begin to make sense of an unusual and still significant part of British history in the twentieth century Funny tragic bizarre and poignant in equal parts THE LONG PATROL is an important contribution to the social history of post war Britain and Germ

The Long Patrol Michael Kozlowski, 2013-04-30 After a patrol lasting 139 years the Confederate States Submarine H L Hunley has returned home The Long Patrol describes how the world s first operational submarine was designed and built As this part of the story is methodically unveiled the characters of Horace Lawson Hunley and the Confederate military officers who backed him come to life and step off the pages of the book On another level this book is an indispensable social history of the Confederacy during its slow death It concludes with a description of the burial of the crew of the H L Hunley In his discussion of the likely causes for the loss of the Hunley Mike Kozlowski s description of exhaustion exposure cold ever decreasing oxygen levels and the multiplying factors of ill health concussion and long term malnutrition all strike a resonant chord His is the most likely and well substantiated explanation for the loss of the Hunley and one that fits well with information gained during the
