The Generation That Saved America Bettye B. Burkhalter,2010-12 History Romance Destiny The Third Novel in the Trilogy Dr John Burel s great grandson John Harrison was a toddler when his family pioneered from South Carolina to Mississippi As a youngster he proudly helped his family bellwether the Civil War and rebirth of the New South By the early 1900s he was a prosperous farmer and landowner Time passed quickly and too soon he was an old man Join Grandpa and feel the biting north wind as he shuffled onto the front porch cupped his hands around his mouth and shouted It s hog killing day Watch the bustling families rush toward the big house to slaughter enough hogs to carry them through the winter Summer finally arrived and brought old time gospel singing and preaching to their country church on the hill Mama rose early on Sunday morning and filled her basket with fried chicken biscuits baked sweet potatoes and fried apple pies After preaching there was going to be another dinner on the ground Everyone was excited Without a doubt those were the good years But all that changed Walk down the dismal road with the Burrell family as they helplessly watched the reckless Roaring Twenties and Great Depression bring a flourishing economy and their comfortable lifestyle to a grinding halt Feel

Grandpa's pain and humiliation when the bank called in his Deed of Trust and he was forced to sell his last 640 acre farm and home for a few dollars. Sit for awhile and listen to his grandson Cecil Allen Burrell *The Man Himself* as his thought provoking stories detail how they all survived those disastrous years. With their eyes on the future John Harrison's children and grandchildren navigated their way back into prosperity and eventually reclaimed their part of the American dream the same dream brought to America by their Great-Grandfather Dr. Jean Baptiste Elzear Burel in 1778. *The Weavers of Trautenau* Janine Holc, 2023-10-16 A sympathetic history that focuses on the experiences of women and girls during the Holocaust and draws on new archival sources. Beginning in late 1940 over three thousand Jewish girls and young women were forced from their family homes in Sosnowiec, Poland and its surrounding towns to worksites in Germany. Believing that they were helping their families to survive, these young people were thrust into a world where they labored at textile work for twelve hours a day, lived in barracks with little food and received only periodic news of events back home. By late 1943 their barracks had been transformed into concentration camps where they were held until liberation in 1945. Using a fresh approach to testimony collections, Janine P. Holc reconstructs the forced labor experiences of young Jewish females as told by the women who survived and shared their testimony. Incorporating new source material, the book carefully constructs survivors' stories while also taking a theoretical approach, one alert to socially constructed intersectional systems of exploitation and harm. *The Weavers of Trautenau* elucidates the limits and possibilities of social relations inside camps and the challenges of moral and emotional repair in the face of indescribable loss during the Holocaust. *Life Through the Seasons* John Comer, 2009-02 There was a time when life seemed simple and not so complicated. In *Life Through the Seasons*, author John Comer reflects on those times. In this personal memoir, he describes life through the eyes of a farm boy growing up in rural Missouri during the 1940s and 1950s. His family of eight—two parents and six children—lived from season to season, always preparing for the next. Comer tells of life before electricity, running water, and television, while describing his family's relationships, traditions, and values. Most importantly, he recounts how his modest upbringing contained all of the essential experiences for life, health, and happiness, which included Christian spirituality, honesty, respect, and hard work. In this evocative narrative, Comer has captured the flavor of the time and has brought it to life. Sometimes tried and tested, his family learned to value the troubling times as well as the good. Faith and determination formed the foundation of his being. *Life Through the Seasons* illustrates those simpler times. This book has been enjoyed by people who grew up in the 40s and 50s. It makes a great gift at Christmas, birthdays, and on Mother's and Father's Day. ***A Long Walk in the Wintertime*** Libby Purves, 1999-12 *I Left It on the Mountain* Kevin Sessums, 2024-05-01 A New York Times bestseller from an author sharing the darkest moments of his life and how he found the light again in this honest and vulnerable memoir.
