

A person is seen from the back, looking out at a sunset or sunrise over a body of water. The person's hair is dark and slightly messy. The background is a soft, hazy landscape with a warm, golden light from the sun low on the horizon. The overall mood is contemplative and nostalgic.

Longing For Home:

Longing for Home Apollon O. Oji, 1992 The Longing for Home Frederick Buechner, 1996-07-04 In this deeply moving book of reflection and recollection Frederick Buechner once again draws us into his deeply textured life and experience to illuminate our own understanding of home as both our place of origin and our ultimate destination For Frederick Buechner the meaning of home is twofold the home we remember and the home we dream As a word it not only recalls the place that we grew up in and that had much to do with the people we eventually became but also points ahead to the home that in faith we believe awaits us at life's end Writing at the approach of his seventieth birthday he describes both in prose and in a group of poems the one particular house that was most precious to him as a child the books he read there and the people he loved there He speaks also of the lifelong search we are all engaged in to make a new home for ourselves and for our families which is at the same time a search to find something like the wholeness and comfort of home with ourselves As he turns his attention to our dreams of the heavenly home still to come he sees it as both hallowing and fulfilling the charity and the peace of our original home Writing with warmth wisdom and compelling eloquence Frederick Buechner once again enables us to see more deeply into the secret places of our hearts The Longing for Home will help to bring clarity and guidance to anyone who searches for meaning in a world that all too often seems meaningless Longing for home waltz ,1875

Home Elyse Fitzpatrick, 2016-08-02 Heaven Is the Home You've Been Waiting For In this world of fear trials and loneliness we often feel adrift like we're still searching for a place where we can truly make ourselves at home There's a longing for something more something that makes us feel like we belong something that resonates perfectly with who we were made to be This longing is no small thing to be brushed off and forgotten it's a guidepost letting us know we were made for another world Earth is not our home But it's close What we long for is the new earth the place God has been preparing for our eternity with him In Home Elyse Fitzpatrick explores heaven and the afterlife demonstrating that our final destination is not some dull featureless space in the clouds but rather a perfected earth It's a real physical place that we'll explore with real bodies A place of beauty and wonder and free of all death and decay No need to chase a bucket list On the new earth there will be no end of glorious sites and amazing activities and we'll never run out of time to do them all Includes questions for group discussion *Longing for Home* Sarah M. Eden, 2013 Wyoming Territory 1870 Leaving Ireland Katie Macauley arrives in Hope Springs a settlement harboring violence and a deep hatred of the Irish Now she must decide whether to stay and give her heart a chance at love or return home and give her soul the possibility of peace **The Longing for Home** Frederick Buechner, 1996 In this deeply moving book of reflection and recollection Frederick Buechner once again draws us into his deeply textured life and experience to illuminate our own understanding of home as both our place of origin and our ultimate destination For Frederick Buechner the meaning of home is twofold the home we remember and the home we dream As a word it not only recalls the place that we grew up in and that had much to do with the people we eventually became but

also points ahead to the home that in faith we believe awaits us at life's end. Writing at the approach of his seventieth birthday, he describes both in prose and in a group of poems the one particular house that was most precious to him as a child, the books he read there, and the people he loved there. He speaks also of the lifelong search we are all engaged in to make a new home for ourselves and for our families, which is at the same time a search to find something like the wholeness and comfort of home with ourselves. As he turns his attention to our dreams of the heavenly home still to come, he sees it as both hallowing and fulfilling the charity and the peace of our original home. Writing with warmth, wisdom, and compelling eloquence, Frederick Buechner once again enables us to see more deeply into the secret places of our hearts. *The Longing for Home* will help to bring clarity and guidance to anyone who searches for meaning in a world that all too often seems meaningless.

The Longing for Home Leroy S. Rouner, 1996 This text explores the notion that home is both a place and a condition of spirit. While a person may have a place that is home, he or she may also be nostalgic for an inner spiritual home beyond human grasp. It combines autobiographical essays with philosophical and religious explorations. *Longing for Home*, 1867

Remembering Home Habib Chaudhury, 2008-06-23 Research has shown that stimulating early memories can have positive effects for persons with dementia or related disorders and can energize the relationships between such persons and their families, friends, and caregivers. *Remembering Home* emphasizes the importance of home in the lives of memory-challenged adults, offers insight into the richness and variety of life experiences associated with the idea of home, and suggests ways in which caregivers can encourage reminiscences to improve the quality of life for those with dementia or associated diseases. This volume advances the goals of affirming the dignity of and reinforcing personhood in adults with debilitating memory loss. Environmental gerontologist Habib Chaudhury draws on research and fieldwork along with the stories and actions of persons with dementia and their loved ones to discuss dementia and the concept of self. He shows how recollections of home can reach persons with compromised mental capacity and he shares techniques designed to spark conversation and stimulate participation in group and one-on-one activities. Chaudhury encourages health care professionals and activity leaders to embrace a personhood-affirming mode of care and provides tools and information for nonprofessionals who want to connect with, understand, and better appreciate people with dementia.

In Pursuit of Balance: A Journey Towards the True Home Pasquale De Marco, 2025-07-26 *In Pursuit of Balance: A Journey Towards the True Home* takes readers on a profound journey of self-discovery and cultural exploration, delving into the complexities of navigating multiple cultural identities, the challenges and rewards of reentry, and the transformative power of embracing diversity. With honesty and vulnerability, Pasquale De Marco shares their personal experiences as a third culture kid growing up in a foreign land and never quite fitting in. They eloquently capture the joys and struggles of this unique upbringing, shedding light on the challenges of feeling both deeply connected to and profoundly alienated from one's surroundings. Yet *In Pursuit of Balance: A Journey Towards the True Home* is more than just a memoir. It is an insightful exploration of the human condition, a

celebration of the richness and beauty that can arise from embracing multiple perspectives Pasquale De Marco argues that home is not defined by physical boundaries but rather by the connections we forge with others and that true belonging can be found in the diversity of our experiences Furthermore the book delves into the complexities of reentry the often overlooked challenge of returning to one's home country after an extended period abroad With sensitivity and empathy Pasquale De Marco navigates the emotional turmoil of readjusting to a changed society the struggle to reconnect with loved ones and the search for a new sense of place in a world that has moved on without them Ultimately In Pursuit of Balance A Journey Towards the True Home is an inspiring call to action urging readers to embrace their own cultural identities to seek out new experiences and to strive for a world where diversity is celebrated and unity prevails With eloquence and passion Pasquale De Marco invites readers to question their own assumptions challenge societal norms and cultivate a deeper understanding of the world around them If you like this book write a review
