apart **The Review of Education** ,1900 *Youth's Companion* ,1879 **All Clear** Connie Willis,2010-10-19 Winner of
the Nebula Award Traveling back in time from Oxford circa 2060 into the thick of World War II was a routine excursion for
three British historians eager to study firsthand the heroism and horrors of the Dunkirk evacuation and the London Blitz But
getting marooned in war torn 1940 England has turned Michael Davies Merope Ward and Polly Churchill from temporal
tourists into besieged citizens struggling to survive Hitler s devastating onslaught And now there s more to worry about than
just getting back home The impossibility of altering past events has always been a core belief of time travel theory but it may
be tragically wrong When discrepancies in the historical record begin cropping up it suggests that one or all of the future
visitors have somehow changed the past and ultimately the outcome of the war Meanwhile in 2060 Oxford the stranded
historians supervisor Mr Dunworthy frantically confronts the seemingly impossible task of rescuing his students three
missing needles in the haystack of history The thrilling time tripping adventure that began with Blackout now hurtles to its
