Look Fundamentals Of Art History:

Look! Anne D'Alleva, 2010 For one or two semester Introductory Art History Survey courses This handbook is designed to accompany the major textbooks used in the art history survey presenting various methods for analysis of art as well as extensive tips on writing about art Professor Anne D Alleva created this handbook to accompany the major textbooks used in art history survey courses Because the main survey texts focus on the artworks themselves she saw the need for a complementary handbook that introduces students to the methodologies of art history in an open accessible way *Look* discusses basic art historical practices such as visual and contextual analysis and provides guidelines for writing papers and taking examinations in art history It provides a short history of the discipline and provides links to related academic disciplines to provide students with a sense of intellectual context for their work **Fundamentals of Art History** Anne

D'Alleva, Michael Cothren, 2021-08-05 This invaluable guide enables students to get the most from their art history course Written in an accessible style the book introduces two basic art historical methods formal analysis and contextual analysis In this new edition revising author Michael Cothren has extended the discussion on iconography and iconology as well as adding discussions on the effects of the market and museums on art Greater emphasis is placed on the global and multicultural aspects of art creation and analysis with new images and more case studies There is more step by step guidance on how to use these methods to prepare for exams and write papers *Methods and Theories of Art History* Anne

D'Alleva, 2005 This is an analysis of complex forms of art history It covers a broad range of approaches presenting individual arguments controversies and divergent perspectives The book begins by introducing the concept of theory and explains why it is important to the practice of art history **Look! (3rd Edition)** Anne D'Alleva, 2020-02-04 An invaluable handbook *How to Write Art History* enables students to get the most from their art history course In a clear and engaging style Anne D

Alleva empowers readers to approach their coursework with confidence and energy The book introduces two basic art historical methods formal analysis and contextual analysis and this second edition provides even more step by step guidance about how these methods can be used in class discussion and in writing essays and papers The common strengths and weaknesses of an art history essay are highlighted by using real examples of written work and at each stage of the writing process D Alleva offers valuable advice on developing an argument convincingly Providing a fascinating view of the study of art history within its historical context this book will be particularly helpful for those considering a career in this rewarding discipline **Outlines and Highlights for Look!** Cram101 Textbook Reviews, 2011-05-01 Never HIGHLIGHT a Book Again
