But sometimes Moss still wishes he could be someone else, someone without panic attacks, someone whose father was still alive, someone who hadn't become a rallying point for a community because of one horrible night. And most of all, he wishes he didn't feel so stuck. Moss can't even escape at school; he and his friends are subject to the lack of funds and crumbling infrastructure at West Oakland High, as well as constant intimidation by the resource officer stationed in their halls. That was even before the new regulations; it seems sometimes that the students are treated more like criminals. Something will have to change, but who will listen to a group of teens? When tensions hit a fever pitch and tragedy strikes again, Moss must face a difficult choice: give in to fear and hate, or realize that anger can actually be a gift. Caprion's Wings T. L. Shreffler, 2014-02-28 This is a novella of *The Cat's Eye Chronicles* by T. L. Shreffler. You can begin the series with the first book *Sora's Quest* or read this novella about two intriguing side characters. By the age of nineteen, all Harpies know how to fly except Caprion. He has yet to pass the test of the Singing and gain his wings. His family has disowned him in shame, and people are beginning to talk. Now an evil voice haunts his dreams, taunting him, drawing out his worst fears that he will remain wingless forever. Caprion decides to find the root of this insidious voice, no matter what it takes. He journeys to the secret prisons of the Harpy underground, where he meets a young slave named Moss. In those sunless, decrepit cells, a forbidden friendship is formed. Can Caprion and Moss find the source of the voice? And can Caprion save Moss from a terrible fate? Join young Caprion as he journeys down, down into the earth, finding his wings and forging a friendship that will change him forever. *Caprion's Wings* is a companion story to *The Cat's Eye Chronicles*. As a novella, it will be between 40,000-50,000 words long.

Animals in Young Adult Fiction Walter Hogan, 2009-07-01 Of the many themes occurring in young adult literature, one that bears more extensive exploration is the adolescent animal connection. Although substantial critical commentary has addressed children's animal stories and animals in adult fiction, very few studies have been devoted to adolescent animal encounters. In *Animals in Young Adult Fiction*, Walter Hogan examines several hundred novels and stories to explore the ways in which animals are represented in these works. In addition to providing an historical survey, Hogan looks at both realistic fiction and speculative works, including fantasy, supernatural horror, and science fiction. Hogan reviews stories that feature wild animal encounters, stories centered on relationships with horses, dogs, and other working and performing animals, and those featuring relationships with pets.

Drawing upon established scholarship this book examines human animal relationships from multiple angles making it an invaluable resource for librarians teachers and students of children s and young adult literature The Concrete Kiss David Grace, Homicide Detective Ned Danes discovers that an ambitious Deputy D A has concealed evidence of an accused murderer s innocence in order to secure a headline grabbing conviction Danes is warned that a smart guy would keep his mouth shut More interested in being a good guy than a smart one Danes torpedoed the corrupt Deputy D A s case and for his honesty Danes is exiled to the tiny basement office of the Cold Case Squad Working in his forgotten outpost Danes becomes obsessed with finding the real killer whom the Deputy D A s scheme has allowed to run free But just as he seems to be closing in Danes receives a plea for help from an old friend FBI agent Phillip Abbott has been put on leave for his last sixty days before his forced retirement He has that long to catch a drug cartel hit man whose specialty is murdering entire families Completely alone Abbott needs a courageous cop like Ned Danes to back him up While Danes knows that Abbott has a seventeen year old adopted daughter named Jessica it is only after Danes agrees to help catch the killer that he discovers that the hit man murdered Jessica s entire family When he adopted Jessica Abbott promised her that he would get the monster who killed her family no matter what it took and Danes soon learns that Abbott is willing to do anything including break the law and possibly go to prison to keep that promise And that s only a fraction of the story *A Death In Beverly Hills* David Grace,2009-09-15 When the pregnant wife and four year old stepdaughter of fading movie star Tom Travis disappear a massive search is launched Soon after the body of Travis wife is discovered only a few miles from where Tom had been riding his dune buggy on the day she vanished he s arrested and placed on trial for capital murder Only a days away from an almost certain guilty verdict Travis lawyer hires suspended Ex Deputy D A Steve Janson to try to find some overlooked clue that might keep Travis off death row Janson accepts the assignment not to help Travis but in the faint hope of finding the missing child still alive Janson s investigation leads him on a twisted path from Travis mistress to her drug dealing brother to the writer and producer of his Travis last movie and on across the landscape of Southern California until Janson eventually begins to wonder if Travis might really be innocent after all Visit David Grace s web site at WWW DavidGraceAuthor Com *The Death of the Son* Doug Brooks,2016-02-29 Benjamin Chrton has been traveling to other worlds in secret on his own for years through a wormhole technology that he created called the space stream Through the aid of an exo suit an advanced piece of armor technology that he has upgraded with alien technology Benjamin is able to travel and adaptively survive regardless of the alien environment on the other side Now for the first time his son Derek Chrton will aid him in his travels after years of training and go on his own solo mission His father warns him not to fight anybody else s war but when Derek is confronted by a powerful enemy his promise training and survival are put to the test
