descriptions of grammar use and genres make Learning Japanese for Real indispensable for adult learners of the language
The volume presents a holistic view of the knowledge required for proficiency in Japanese Following introductory chapters on
the language s background sound system and scripts word types and grammatical categories it introduces readers to simple
then complex sentences A chapter on emotive expressions contains highly useful entries on attitudinal adverbs exclamatory
phrases interjections and rhetorical questions all of which carry emotive meanings Learning Japanese for Real then goes
beyond grammar to discuss how the language is used in interaction The author discusses communication strategies such as
requesting apologizing and inviting as well how to interact when participating in a conversation with behaviors such as hand
signals bowing and nodding She considers metaphor tautology puns and the lingering effect of yojoo before addressing the
organization of Japanese discourse including the four part organizational principle of ki shoo ten ketsu and the structure of
staging The final sections feature authentic examples of popular culture discourse from manga television advertising
magazines and cell phone novels and a host of practical suggestions methods tools resources for learning Japanese Learning
