

Looking Back On Juneau

Shai Blumberg

Looking Back On Juneau:

Looking Back Merrick Abner Richardson, 1917 **The Historic Northwest Passage and the Cgc Storis** Dick Juge, 2007-07-02 You will learn or recall much about America in the 1950s as seen through the eyes of a young serviceman You will feel like a member of the crew aboard an icebreaker as it crosses the Arctic from Alaska to Nova Scotia to become the first US ship to circumnavigate the North American continent and find a deep water route through the Northwest Passage In 1955 Dick Juge dropped out of his final senior semester of high school to join the U S Coast Guard in time to qualify for the Korean Conflict GI Bill which was phased out at the end of January 1955 This book takes you on his journey though the Coast Guard enlistment and training processes and then on to voyages aboard three Coast Guard Cutters SEBAGO out of Mobile Alabama STORIS in Alaska and DUANE from Boston Massachusetts There are stories of boot camp mishaps formidable icebergs special swimming escapades liberty adventures in many ports and much more as the author grows to maturity with the sometimes unwelcome assistance of the U S military If you served in the military you will love this as you recall your own youth **Looking Over Your Shoulder** P.D. Workman, 2014-09-01 A peaceful life shatters under the weight of suspicion Things were going well for Abe Despite all of his past struggles with mental illness he was happily married had three wonderful children a nice home and a fantastic consulting business that satisfied his creativity and brought in a good income But you can never get too comfortable When Abe becomes a prime suspect in a jewel heist one of the largest successful jewel heists in history his schizophrenia becomes unmanageable and everything begins to spiral out of control Abe s own investigation into the heist has the jewel thieves hot on his tail but are they really or is he just losing the battle against his inner demons I really liked the description of mental illness in this book and living with a person like that I m a nurse not a specialist in a psychiatry but from what I know it is pretty accurate portrayal of a schizophrenic person The mystery alone was very compelling I only guessed half of the riddle so the reveal at the end surprised me It was a great novel Another great thing about this book was the main character Abe He was a likeable star at least in my opinion He has playful banters with his children and the schizophrenia part of his character was done very well Will he uncover the truth before it s too late This compelling tale masterfully weaves themes of mental health with a riveting mystery that keeps readers guessing until the very last page Don t miss out on this thought provoking thriller that invites you into Abe s world a place where love and fear intertwine Click to begin your journey through this unforgettable tale filled with suspense emotional depth and shocking revelations Keywords mystery jewel heist schizophrenia mental illness bipolar paranoia family drama ocd allergies foodie addiction substance abuse depression divorce **Trip, Nomadic in America** , 2011-02-28 Have you ever wanted to just get in your car and keep going and never come back Join two people as they check out of society and travel America in a Volkswagen bus **Behind The Raven Mask** Cherime MacFarlane, 2014-01-05 Camille s dose of laudanum coupled with Dmitri s brandy combine to make two small problems life changing for both of them The Inside Passage Alaska 1881 A

disgruntled uncle sees an opportunity to rid himself of his charge Because of his manipulation Camille gets thrown into an emotionally charged relationship on an isolated island in Southeast Alaska Her new husband a widower with a willful daughter isn't happy to be shackled with her either Someone on the island wants her dead Could it be her new husband

All the Yellow Suns Malavika Kannan,2023-07-11 When a queer Indian American teenager is swept into a life of art romance and resistance she must make up her own mind when it comes to identity activism and love in this story perfect for fans of Aristotle and Dante Discover the Secrets of the Universe Sixteen year old Maya Krishnan is fiercely protective of her friends immigrant community and single mother but she knows better than to rock the boat in her conservative Florida suburb Her classmate Juneau Zale is the polar opposite she's a wealthy white heartbreaker who won't think twice before capsizing that boat When Juneau invites Maya to join the Pugilists a secret society of artists vandals and mischief makers who fight for justice at their school Maya descends into the world of change making and resistance Soon she and Juneau forge a friendship that inspires Maya to confront the challenges in her own life But as their relationship grows romantic painful and twisted Maya begins to suspect that there's a whole different person beneath Juneau's painted on facade Now Maya must learn to speak her truth in this mysterious mixed up world even if it results in heartbreak Between emotional threads of first love and identity comes a powerful exploration of the crusade for social change within a divided community

ON THE CUSP: A Jewish Girl's Very, Very, Very Long Journey to Jesus Shai Blumberg,2023-04-20 On the Cusp is a combination of the author's testimony and memoirs leading the reader through her innocence in the sixties and seventies the tumultuous eighties and nineties and the turning towards Jesus Christ Yeshua as Lord and Savior in the new century of the two thousands There is an undercurrent of love and acceptance portraying an undeniable part of the Lord's patience and grace throughout the work combined with His just nature Growing up Jewish in the sixties and seventies in the shadow of J F State Park off Bond Boulevard in Southern California there is a horsey element to the book as well including Shai's behind the scenes life as a polo girl her aspirations to show jump and the privilege of having a beautiful off the track Thoroughbred in her suburban backyard Also reflected here are the struggles of growing up Jewish in a decidedly non Jewish world When Grandma Lizzie tells Shai about Jesus as a six year old the seed is planted despite Shai's mother covering Shai's ears and begging Grandma Lizzie to stop Later as an unhappy thirteen year old Shai tries to connect with God on Christmas day galloping her horse to Heaven's Point with Grandma Lizzy's New Testament tucked in her new saddlebags But nothing special happens and Shai is left to navigate murky waters of adolescence and a chaotic adult life without any tangible connection with God for decades to come On the Cusp portrays God's mercy patience and great love for even the most foolish of us So enjoy the nostalgia fallenness and ample human error of it all and bask in God's Amazing Grace never forgetting that being on the cusp of Greatness His Greatness is an opportunity the Lord offers to everyone Even the seemingly most hopeless of us

Gold Rush Grub Ann Chandonnet,2005 Ann Chandonnet brings us a rollicking history of gold rush food complete

with hearty recipes ranging from sourdough flapjacks to stewed porcupine. From miners' meals and home remedies to holiday fare, beverages and housekeeping, *Gold Rush Grub* follows the trail of stampeders from Sutter's Mill in California to Alaska and the Klondike. The first food history of its kind, *Gold Rush Grub* presents a panoramic view of an exciting period in American history. The grub that stampeders ate was affected by everything from arctic weather to Pacific Coast agriculture and Midwest meat packing. For those who struck it rich, there were oysters, ice cream, and cognac. The less fortunate had to make due with beans and nettle soup. Readers with an adventurous palate can experiment with recipes for scalloped grayling and caribou scrapple. Those who prefer to leave the porcupines and bears in peace will enjoy the engaging prose and historic photographs. *Gold Rush Grub* will appeal to general readers, cookbook aficionados, and anyone who loves a good meal and a great story. There's a heavy dose of gold rush history here which sets it a cut above your normal recipe-oriented cookbook. The Midwest Book Review: A fascinating new culinary history of gold miners in California, Alaska, and the Klondike Northwest. Palate Chandonnet ably demonstrates how the cuisine, high and low, of the western gold rushes fits into America's culinary mainstream. A unique look at the last great adventure. Bruce Merrell, Alaska Bibliographer, Anchorage Municipal Libraries.

Mutant Rising Steve Feasey, 2016-02-25 The world has changed for Rush since he discovered that he wasn't the only one. A Mutant with powers that the Pure government would kill for, there are five kids like him on Scorched Earth, hidden from the world until now. Rush, telekinetic Anya, shapeshifter Jax, mind reader Flea, time stopper Brick, healer As their powers grow, Rush knows that they have a mission that means more than their own survival. Together, they're like the ultimate weapon they might just beat the evil government of President Melk. But someone will stop at nothing to break them up. And as Melk threatens to destroy the entire Mutant city, Rush's feelings for Tia, one of the Pure, threaten to complicate everything. A brilliant follow-up to *Mutant City*, packed with action, adventure, and a collection of unlikely heroes plus two spectacularly good villains to boot. Perfect for fans of *X-Men*. Charlie Higson and action-packed sci-fi extravaganzas. **Falling for Alaska** Cathryn Brown, 2015-11-16 They're neighbors. But not happy about it. Can loathing turn to love? Jemma inherits a house and moves to small town Palmer, Alaska. As she begins her business of flipping furniture, her gorgeous but unpleasant neighbor gets in her way. Sure, she's making some noise. A little sawing. A bit of drilling. Her dream's at stake. And she's not sure about living in Alaska. Nathaniel loves Alaska and moved here for peace and quiet. That's been shattered. He's terrible with relationships. But when a stray puppy enters his life, his heart begins to heal. Could Jemma and Nathaniel have a happily ever after? Juneau Penny Rennick, 2003 **The Alaskan Magazine ...**, 1900 *City-building In America* Anthony M Orum, 2018-10-08 Why do some cities grow and expand while others dwindle and decline? Why is Milwaukee a town of the past while Minneapolis-St. Paul seems reborn and infused with future dynamism? And what do Milwaukee and the Twin Cities have to tell us about other cities? Prospects, the trials, and destinies of industrial Cleveland and post-industrial Austin. Anthony Orum's new book tells the story of these cities and at the same time of all cities. Here, the urban past, present, and future are

woven into one compelling tale Orum traces the shift in the sources of urban growth from entrepreneurs to institutions and highlights the emergence of local government as a prominent force indeed as an institution in shaping the trajectory of the urban industrial heartland This complex trajectory includes all aspects of urban boom and bust population trends economic prosperity politics and culture as well as hard to pin down qualities like a city s collective hope and vision Interspersing social theory historical ethnography and comparative analysis to help explain the fates of different cities Orum lucidly portrays factory openings labor strikes elections evictions urban blight white flight recession and rejuvenation to show the core histories and future shape of cities beyond the particulars presented in these pages The reader will discover the key people and politics of cities along with the forces that direct them With a rich variety of sources including newspapers diaries census materials maps photo essays and perhaps most captivating original oral histories *City Building in America* is ideal for anyone interested in urban transformation and for courses in urban sociology urban politics industrial sociology social change and social mobility

Hearings United States. Congress. Senate. Committee on Interior and Insular Affairs,1953

Road to Ithaka Diane Campbell Thompson,2015-02-19 Born in England during World War II author Diane Campbell Thompson a war child tells of bomb shelters air raid sirens meager food and clothing rations In *Road to Ithaka* she narrates an honest account of her life beginning with her birth in 1941 Raised on the rugged north east coast the beach and sand dunes become a happy playground But as Thompson happily built sandcastles in the sand her father built castles in the air Home became shifting sand and a series of moves eventually saw the teenager leave the family to live on more stable ground with her grandmother Through selected journals and short stories she shares the stories as she traveled across Spain on the famous Santiago de Compostella trekked the meanest thirty three miles in history drove a dog team in the Yukon spent afternoons with a grandchild and watched forlornly as a parent descended into that abyss known as Alzheimers Sometimes introspective sometimes humorous always amusing the stories and journals in this memoir reflect a free spirit in a world of endless possibilities

Aunt Phil's Trunk Laurel, Bill,2016-07-09 Aunt Phil s Trunk Volume Five features dozens of short stories and hundreds of historical photographs that share the history of Alaska from 1960 to 1984 This fifth book in the Alaska history series highlights the first 25 years of statehood when the optimistic citizens of the Great Land created a government from scratch in just a few years and dealt with many challenges Aunt Phil s Trunk Volume Five shares firsthand accounts of survivors who experienced the 1964 Good Friday earthquake and the devastating tsunamis that followed that 9 2 temblor It also features stories about the discovery of black gold on the North Slope in the late 1960s and how Alaska s Native people fought for their land and won the largest settlement ever granted Native Americans That agreement cleared the way for oil companies to build an 800 mile pipeline through some of the most rugged and remote country in the world during the 1970s

Gender Optics Shalen Lowell,2020-10-20 What if normative gender standards were legally enforced How would our institutions inform and enforce these rules and regulations What would be the consequences of failing to

comply with gender expression standards It s in the midst of this maelstrom that we join Alex our genderfluid and nonbinary protagonist who during the thick of their adolescence must navigate the choppy waters of lust love friendship schooling loss and their city s rigid and perhaps lethal gender expectations In this world Alex must constantly exchange their true self for safety and compliance a relentless transaction from which they feel they never will escape Can they navigate this slippery slope alongside their patchwork community of friends and allies Or is arrest and social persecution inevitable This novel is an honest and raw examination of queer lives Gender Optics will illustrate interrogate and challenge the harmful products of binary hegemonic systems that all too often push gender variant folks to the fringes of society While Gender Optics can be read purely for pleasure it can also be used as supplemental reading for courses in critical theory gender theory gender and sexuality studies LGBTQ studies intersectionality and arts based research **Alaska Statehood and Elective**

Governorship United States. Congress. Senate. Committee on Interior and Insular Affairs,1953 August 17 hearing was held in Ketchikan Alaska August 18 19 hearings were held in Juneau Alaska August 20 hearing was held in Fairbanks Alaska August 24 25 hearings were held in Anchorage Alaska Night Train Todd Walton,2012-10-24 Walton tracks the fate of Lily and Charlie two down and out musicians on the run from an army of very well connected thugs out not just for blood but for spirit Fleeing by car foot air bicycle train covered wagon and dirigible the two make their way with Lily s baby from Sunset Boulevard to a mountain retreat in Oregon Eluding all manner of physical and mental danger Lily and Charlie take their final stand with a commune of utopian artists Their odyssey is seedily realistic wildly surrealistic often erotic and only occasionally a bit precious What seemed like a simple pursuit story has become an engaging parable of the responsibilities of creativity the nature of self worth the redemptive power of love perhaps the Meaning of Life itself Night Train evokes a paranoid romanticism reminiscent of Craig Nova Don DeLillo and Thomas Pynchon Tom Nolan Los Angeles Times **Alaska** Bushrod Washington James,1897
