victim of bullying Sarah's early years were far from easy She had always been clever and creative but had never managed to find the outlet for it It wasn't until her thirties that she was finally recognised in spectacular fashion as she went on to win the Best Newcomer Award after the Edinburgh Fringe Festival in 2008 A few years later her first DVD's sales broke all records for a female comedian Sarah's brand of Geordie warmth and humility mixed with a natural edginess and willingness to talk about all aspects of everyday life has won her millions of fans She manages to push the boundaries while still seeming like your best friend and it remains the great secret of her success She is well on her way to national treasure status This is the story of how a shy unassuming woman from South Shields became the Queen of British comedy **The Lively Lady**

McVicker, 2015-05-07 The past quarter century has seen a number of biographies and anthologies on women travelers but to date there has been little comprehensive reference work done on the travelers themselves Some of the women were eccentric many were very adventurous some were in search of a different world British women make up the largest portion of the book's focus these particular adventurers being backed in
