Hearing God Every Day Doug Addison,2019-03-19 Hearing God is not complicated We often think the process of hearing God s voice is more complex than it really is We may be straining to hear God speak in one specific way when in fact He is communicating in creative and unique ways which we must learn to discern As you discover the different ways God speaks you can position yourself *The Problem with God* Peter Steinberger,2013-07-02 Whether people praise worship criticize or reject God they all presuppose at least a rough notion of what it means to talk about God Turning the certainty of this assumption on its head a respected educator and humanist shows that when we talk about God we are in fact talking about nothing at all there is literally no such idea and so all of the arguments we hear from atheists true believers and agnostics are and will always be empty and self defeating Peter J Steinberger s commonsense account is by no means disheartening or upsetting leaving readers without anything meaningful to hold on to To the contrary he demonstrates how impossible it is for the common world of ordinary experience to be all there is With patience clarity and good humor Steinberger helps readers think critically and constructively about various presuppositions and modes of being in the world By coming to grips with our own deep seated beliefs we can understand how traditional ways asserting denying or even just wondering about God s existence prevent us from seeing the truth which it turns out is far more interesting and encouraging than anyone would have thought **God's Fruit Salad** Diana Kinser,2022-02-15 Women have a special place in God s plan and in his heart They are uniquely made and have many jobs as mothers teachers counselors nurses chefs and chauffeurs in addition to business owners supervisors technical whizzes and hard working employees Then the world turned upside down in 2020 The pandemic caused women to modify their lifestyles and tackle new responsibilities while trying to keep some semblance of normalcy within their families It wasn t easy These unprecedented struggles were overwhelming and caused many women to feel alone depressed frustrated hopeless and just plain tired Can you relate Are you one of those women who feels like you are drowning and maybe even invisible to God Have you forgotten what his peace feels like Maybe you have never felt his presence In God s Fruit Salad author Diana Kinser offers a contemporary look at the fruit of the Spirit for women in all areas and walks of life She is a battle worn grandmother who has been in the fire of life many times including battling Covid in ICU on a breathing machine Kinser wants you to know that even when life seems dark and hopeless God is still there She knows the sweetest fruit in a Christian s life comes from the deepest pain With wisdom and love only a grandmother can give she
