What are They Saying about Luke? Mark Allan Powell, 1989

The Conclusion of Luke-Acts Charles B. Puskas, 2009-01-01 The conclusion of Luke Acts is regarded as one of the most important chapters of Luke's two volume work Several significant Lukan themes are found in Acts 28 all of which make some contribution to the purpose and aim of the author in writing Luke Acts the Gentile mission the triumph of God's Word and the relationship of Christianity with Judaism and Rome Acts 28 contains many historical problems that have been debated for centuries including the we statements the figure of Paul in Acts 28 and the abrupt ending Puskas compares the conclusion of Acts with other important chapters of Luke Acts the introduction of the Gospel the conclusion of Acts the defense of Paul chapters as well as other passages In this significant chapter of Acts 28 there are still fundamental problems of exegesis that need to be addressed What is the literary function of Acts 28 What is Luke trying to tell his readers in the text

The Assumed Authorial Unity of Luke and Acts Patricia Walters, 2009-02-12 This book reassesses the case for single authorship via an innovative statistical analysis that reveals significant stylistic differences between Luke and Acts

The Way According to Luke Paul Borgman, 2006-03-10 Among the classics of ancient Greek and Jewish literature the story of Luke Acts has few rivals Yet we moderns miss much of the meaning of Luke's two part drama because we read it like any other text and not as it would have been heard by ancient listeners in public performance by a skilled storyteller The Way according to Luke unlocks the big picture of Jesus mission by attending to the repetition patterns and other clues of oral narrative In this single volume Paul Borgman lays out a holistic view of the organic unity between Luke and Acts while demonstrating that the meaning of Luke Acts is uniquely embedded in its narrative Borgman's distinctive work makes available both the satisfying pleasure of reading the Bible as great literature and the rewarding insight gained from receiving Scripture as it was originally delivered

Rethinking the Acceptable Year Christopher James Luthy, 2019-11-13 The biblical Jubilee has

enjoyed increasing prominence in Lukan and missional literature much of which has been based on suggested Jubilee allusions throughout Luke Acts especially Luke 4 16 30 This study questions the presence of such allusions arguing that the suggested references are better understood within the broader and more explicit tradition of the Basileia of God Every suggested Lukan textual and thematic reference to the Jubilee is examined with particular attention given to the Nazareth episode Luke 4 16 30 which is often cited as the most explicit Jubilee reference The study also addresses some fundamental issues which have informed recent exegeses including Luke s use of the term the theme of the Basileia of God throughout Luke Acts and the importance of Isaiah 61 both the first century traditions that may have influenced Luke as well as how Luke employed the text throughout his two part work

The Shepherd-flock Motif in the Miletus Discourse (Acts 20:17-38) Against Its Historical Background Bernard Aubert, 2009 The Shepherd Flock Motif in the Miletus Discourse Acts 20 17 38 Against Its Historical Background provides a comprehensive survey of the use of the shepherd flock motif in the ancient world for the readers of the New Testament This review of Ancient Near Eastern Jewish Greco Roman and Christian sources is guided by a motific approach that integrates the concept of metaphor Semantics and the comparative method A chief concern of this study is to apply this knowledge to the study of Luke Acts especially the Miletus Discourse Acts 20 17 38 The shepherd flock motif appears to be central in this speech and helps to integrate other motifs and themes in this discourse such as the kingship motif The Shepherd Flock Motif in the Miletus Discourse Acts 20 17 38 Against Its Historical Background is indispensable to the study of motifs in the New Testament and contributes meaningfully to the scholarly research on Luke Acts
