

Studies of Nonlinear Phenomena in Life Sciences – Vol. 3

The book cover features a complex, artistic illustration. At the top left, a small, dark, lantern-like structure with three glowing yellow windows sits on a dark, curved surface. A large, stylized eye is depicted in the center-left, with its iris and pupil rendered in a spiral pattern. To the right of the eye, a large, ornate, classical-style face with a long, flowing beard and a crown-like headpiece is shown in profile, looking towards the center. The background is a light cream color, with a network of thin, dark lines radiating from the top and bottom edges, creating a sense of depth and complexity. The title 'THE LURE OF MODERN SCIENCE' is written in a large, bold, serif font, centered on the cover. Below the title, the authors' names 'Bruce J. West' and 'Bill Deering' are listed in a smaller, bold, sans-serif font. The publisher's name 'World Scientific' is at the bottom, in a bold, sans-serif font, set against a dark blue background.
