Lure Of Sweet Death:

The Lure of Sweet Death Sarah Kemp,1986 **The Lure of Sweet Death** Michael Butterworth,1986 Dr Tina May that unflappable and indefatigable pathologist and now TV talk show hostess returns in her most fiendishly clever mystery to date As resident expert on the popular series *The Pathologist* Dr May brings her cases to millions of viewers every week Her stylish demeanor and forensic expertise have won her a steadily growing legion of fans But while she enjoys many of the comforts stemming from her newfound celebrity it remains very much business as usual when it comes down to the investigative matters at hand And right now business is very brisk indeed A recent rash of death among lonely and wealthy widows has the police baffled At first glance the individual cases appear to be suicides but they later learn that each woman withdrew a substantial amount of money from the bank shortly before dying Coincidence Tina doesn't think so However her investigation is hampered by some rather nasty complications in her personal life She stands accused of withholding vital facts from the autopsy report on the sixteen year old daughter of some politically prominent friends and subsequently suppressing information that could conceivably ruin the lives and careers of several people And the controversy is being given quite a splashy treatment by the press which has dubbed Tina The corpse doctor Added to this is the volatile nature of her relationship with Jamie Farrell a falconer by trade with a rough and rugged personality to match his roguish good looks and with decided opinions on matters of life and death As the headlines and the bodies accumulate Dr Tina finds that not only her reputation but also her very life are on the line Provided by publisher *The Lure of Sweet Death* Sarah Kemp,1987

Lures Adam Vines,2022-02-09 Written almost exclusively in traditional modified and nonce forms the poems in *Lures* renegotiate grief trauma southern masculinities and fatherhood with unflinching resolve This new collection by Adam Vines draws much of its subject matter and imagery from fishing revealing how close observations of species spawning cycles predation and feeding patterns underwater topographies water clarity and lure choice reflect larger themes of what it means to be lured through memories of those who have passed and those who remain present With *Lures* Vines proposes that by reconstructing the stories from our past we gain a greater understanding of our cultural identities and inheritances from those who made an impact on our lives **Doubleday Crime Club Compendium, 1928-1991** Ellen Nehr,1992 Jim Kobak's Kirkus Reviews ,1986 *The Fine Art of Murder* Edward Gorman,1995-10 Death, Society, and Human Experience Robert Kastenbaum,Christopher M. Moreman,2024-03-28 The 13th edition of *Death Society and Human Experience* provides a panoramic overview of the ways that we are touched by death and dying both as individuals and as members of society A landmark text in the field the authors draw on contributions from the social and behavioral sciences as well as the humanities including perspectives offered through history philosophy religion literature and the arts to provide thorough coverage and understanding of topics associated with the end of life and death and dying By approaching the subject from multiple angles the authors explain the various ways that individual cultural and societal attitudes influence

both how and when we die and how we live and deal with the knowledge of death and loss Originally written by Robert Kastenbaum a renowned scholar who developed one of the world s first death education courses Christopher M Moreman who has worked in the field of death studies for two decades has updated this edition In addition to infusing his close areas of focus both in afterlife beliefs and experiences and how these might affect how people live their lives he s weaved in new coverage of current affairs including The impact of COVID 19 on experiences of death bereavement mourning and more Expanded legalization of physician assisted dying in the United States and several countries Changes in bereavement rituals and traditions stemming from technology use and social media With additional content and classroom extensions available online Death Society and Human Experience remains a thoughtful exploratory and impressively comprehensive overview for undergraduate and graduate courses in death dying and bereavement *The Lure of Sweet Death* Sarah Kemp,1986

Kirkus Reviews ,1986 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical
