Maghraoui, 2021-12-22 The works collected in *The Lure of Authoritarianism* consider the normative appeal of authoritarianism in light of the 2011 popular uprisings in the Middle East Despite what seemed to be a popular revolution in favor of more democratic politics there has instead been a slide back toward authoritarian regimes that merely gesture toward notions of democracy In the chaos that followed the Arab Spring societies were lured by the prospect of strong leaders with firm guiding hands The shift toward normalizing these regimes seems sudden but the works collected in this volume document a gradual shift toward support for authoritarianism over democracy that stretches back decades in North Africa Contributors consider the ideological socioeconomic and security based justifications of authoritarianism as well as the surprising and vigorous reestablishment of authoritarianism in these regions With careful attention to local variations and differences in political strategies the volume provides a nuanced and sweeping consideration of the changes in the Middle East in the past and what they mean for the future *The Lure of Olde Arizona* Robert D. Morritt, 2011-01-18 This book affords the reader an in depth history of Arizona from the Paleographical era up until Statehood The author has recorded music in Arizona and is a specialist on the advent of the recording industry from its inception in Arizona during the 1950s and 60s The book examines the early roots of the indigenous people together with contemporary accounts of early settlers The author hopes that the reader will derive as much satisfaction from reading this book as he did compiling it

The Siren's Lure Terry Spear, 2011-02-25 A vampire wishes upon a falling star and ends up with more than he bargained for. When he attempts to rescue a woman in distress, he soon learns she's not quite human and not a huntress or at least like any he's ever known. That's when the seduction begins, but who is seducing whom? Tristina isn't a huntress in the normal sense. Before meeting the vampire who would rescue her from danger, she never thought anyone could love her for herself. Now just maybe she's found the right man for her. Sardis wants nothing more than a vacation from his ponderous role as prince of the New York vampire clans but ends up having anything but a peaceful time while staying at a beach resort when he meets the most enticing siren. Trouble doesn't even begin to describe the new world he finds himself in as he tries to seduce her and he falls under her siren's spell instead.
