Review, 1998 Anthony Curtis,1997-12 Lyle is known nationwide as the most authoritative price guide available with

completely new entries each year Each of the more than 5 000 entries includes a brief description current market value at

auction and a photo to highlight distinguishing features of the piece Index *The Cumulative Book Index* ,1995 A world list

of books in the English language **Publishers Weekly** ,1995 *Art Market Research* Tom McNulty,2013-12-27 This book

is for art market researchers at all levels A brief overview of the global art market and its major stakeholders precedes an

analysis of the various sales venues auction commercial gallery etc Library research skills are reviewed and advanced

methods are explored in a chapter devoted to basic market research Because the monetary value of artwork cannot be

established without reference to the aesthetic qualities and art historical significance of our subject works two substantial

chapters detail the processes involved in researching and documenting the fine and decorative arts respectively and provide

annotated bibliographies Methods for assigning values for art objects are explored and sources of price data both in print

and online are identified and described in detail In recent years art historical scholarship increasingly has addressed issues

related to the history of art and its markets a chapter on resources for the historian of the art market offers a wide range of

sources Finally provenance and art law are discussed with particular reference to their relevance to dealers collectors artists

and other art market stakeholders
