Lyndon Johnson's War? Christian O'Connor,2008

Lyndon Johnson's War: The Road to Stalemate in Vietnam Larry Berman,1991-04-17 Stunning The portrait of the embattled and unyielding president that emerges is vivid and memorable Publishers Weekly By 1968 the United States had committed over 525 000 men to Vietnam and bombed virtually all military targets recommended by the joint Chiefs of Staff Yet the United States was no closer to securing its objectives than it had been prior to the Americanization of the war The long promised light at the end of the tunnel was a mirage This absorbing account reveals the bankruptcy of the bombing campaign against North Vietnam the failures of political reform in South Vietnam and the bitter bureaucratic conflicts between the US government and its military commanders

Into the Quagmire Brian

VanDeMark,1995-05-18 Even as Lyndon Johnson celebrated his electoral triumph in November 1964 he and his advisers began the process that led to eight years of war and the destruction of his administration This vivid fast paced narrative describes the critical nine months in which Johnson committed the nation to supporting a government in South Vietnam which almost no one believed could survive Amid a sharp debate among his advisers LBJ almost avoided the catastrophic decision until a determination to stand tall and to outflank his conservative domestic opposition led him and the U S into the quagmire

Lyndon Johnson's War? G. Warner,2005 *Lyndon Johnson, Vietnam, and the Presidency* David Zarefsky,2021-08-16 Even those who remember hearing those words may not remember that they came at the very end of a 45 minute speech primarily concerning Vietnam Three months into an already tumultuous year in the aftermath of the Tet offensive and facing a deeply divided country President Lyndon Baines Johnson addressed the nation to announce new initiatives and appeal for public support The speech of March 31 1968 announced a bombing halt over much of North Vietnam a limited troop increase rather than a major escalation and his own decision to withdraw from the presidential race Each of these decisions was unexpected a major surprise that stunned the nation In Lyndon Johnson Vietnam and the Presidency political rhetoric scholar David Zarefsky examines the three key announcements and how they fit together in the speech In particular LBJ s announcement that he would not run for re election gave the de escalation measures more credibility because they could not be seen as political ploys Zarefsky traces the development of the speech through eleven drafts reflecting disagreements and doubts among the writers and advisers In turn he sets these efforts in the larger context of the Cold War and the impact of the Tet offensive Drawing on archival sources and reflecting rhetorical insights this book illuminates one of the most consequential speeches of the 1960s Even though the fighting in Vietnam would continue for several more years the course of America s conduct in Vietnam was changed permanently by this speech
