

A painting of a large, leafy tree in a field with a path leading towards it. The tree is the central focus, with its branches spreading out. The ground is a mix of green and brown, suggesting a path or a field. The sky is a pale, hazy blue.

Lyric Poems Along A Broken Road:

Lyric G. Winston James,1999 **Evidence of Being** Darius Bost,2018-12-21 Evidence of Being opens on a grim scene Washington DC s gay black community in the 1980s ravaged by AIDS the crack epidemic and a series of unsolved murders seemingly abandoned by the government and mainstream culture Yet in this darkest of moments a new vision of community and hope managed to emerge Darius Bost s account of the media poetry and performance of this time and place reveals a stunning confluence of activism and the arts In Washington and New York during the 1980s and 90s gay black men banded together using creative expression as a tool to challenge the widespread views that marked them as unworthy of grief They created art that enriched and reimagined their lives in the face of pain and neglect while at the same time forging a path toward bold new modes of existence At once a corrective to the predominantly white male accounts of the AIDS crisis and an openhearted depiction of the possibilities of black gay life Evidence of Being above all insists on the primacy of community over loneliness and hope over despair **Best Gay Stories 2010** Steve Berman,2010 In the newest edition of Best Gay Stories editor Berman has selected confessions and stories that range in scope from sensational to extra liberating a personal remembrance of the Stonewall Riots a tale of awkward first love the allure of Tadzio and other explorations of the gay community s desires heartaches and wants Encyclopedia of African-American Literature Wilfred D.
