Lyulph Stanley A Study In Educational Politics:

Lyulph Stanley Alan W. Jones, 2006-01-01 Lyulph Stanley the uncle of Bertrand Russell was an influential and articulate aristocrat who believed that every child should learn from a good teacher in a comfortable building He championed the school board cause during the latter half of the Victorian era a time of tremendous educational change in England With the great increase in urban populations the schooling provided by voluntary organizations had become inadequate The state had taken control of education working through its local representatives the elected school boards But controversy arose between churches which were opposed to secular education and school boards and between local and central authorities The author follows Stanley's political career clarifying the views of the school board supporters and analyzing the political differences underlying the controversies Students of education history and politics can benefit from his contribution to the reassessment of this turbulent period in English educational history

Race, Sexuality and Identity in Britain and Jamaica Gemma Romain, 2017-09-07 This is the first biography of the extraordinary but ordinary life of Patrick Nelson His experiences touched on some of the most important and intriguing historical themes of the twentieth century He was a black migrant to interwar Britain an aristocrat's valet in rural Wales a Black queer man in 1930s London an artist's model a law student a recruit to the Auxiliary Military Pioneer Corps and Prisoner of War during the Second World War Through his return to Jamaica after the war and his re-migrations to London in the late 1940s and the early 1960s he was also witness to post-war Jamaican struggles and the independence movement as well as the development of London's post-war multi-ethnic migrations Drawing on a range of archival materials including letters sent to individuals such as Bloomsbury group artist Duncan Grant his former boyfriend and life-long friend as well as paintings and newspaper articles Gemma Romain explores the intersections of these diverse aspects of Nelson's life and demonstrates how such marginalized histories shed light on our understanding of broader historical themes such as Black LGBTQ history Black British history in relation to the London artworld the history of the Second World War and histories of racism colonialism and empire

Women and the Politics of Schooling in Victorian and Edwardian England Jane Martin, 2010-07-15 Considering the role of women as educational policy makers and in particular focusing on 29 women members of the London School Board this book examines the link between private lives and public practice in Victorian and Edwardian England These political activists were among the first women in England to be elected to positions of political responsibility Key concerns in the book are issues such as gender and power and gender and welfare

Education Policy Making in England and Wales Neil Daglish, 2013-12-19 The lack of educational provision for the majority towards the end of the 19th century attracted the attention of education policy makers who wished to remedy the situation This overview draws on unpublished sources to describe and analyse the crucible years for 20th century English education

Educating the Respectable Professor W E Marsden, W. E. Marsden, 2005-08-18 Under its first headmaster W B Adams Fleet Road Board School was an outstanding success described by a contemporary

journal as the finest elementary school in Europe This study explains the school's success using contemporary sources and newspapers and the oral evidence of ex-pupils **Dr. Macnamara, 1861-1931** Robin Betts, 1999-01-01 This well researched historical biography is the first on Dr T J Macnamara the first ex-elementary teacher to win a government post Colleague and close friend of Lloyd George and praised by Winston Churchill Macnamara was an educationist journalist and Cabinet Minister This study of his life and career makes a major contribution to educational history as well as to the history of the Liberal Party the National Union of Teachers NUT and British political history generally Fascinating details of Macnamara's pre-Parliamentary career are provided and alongside the biographical account the book deals with a range of major issues with which Macnamara was involved In education government control of school funding and the curriculum in the 1890s is considered together with the emergence of elementary school teachers as powerful public figures the operation and decline of London's first education system the London School Board 1870-1904 and resistance especially in Wales to Balfour's 1902 Education Act Defense issues feature a view of the First World War arms race from inside the Admiralty the Admiralty during the First World War from the standpoint of the only government minister who held the same office throughout the hostilities working with among others Churchill and Balfour Macnamara's establishment of the dole on response to the post-war economic slump 1920-22 is also considered Important analysis is included of the fragmentation of the Liberal Party in the 1920s leaving Macnamara as one of the last of Lloyd George's supporters The Collected Papers of Bertrand Russell, Volume 1 Kenneth Blackwell, Andrew Brink, Nicholas Griffin, Richard A. Rempel, John G. Slater, 2024-08-01 Covering the topics of God immortality conscience and immortality this volume presents a selection of essays of the first decade of Russell as an independent thinker It includes his graduate essays adolescent writings and ideas on ethics Bacon Hobbes and Descartes psychology and politics *London's Women Teachers* Dina Copelman, 2013-12-16 Dina Copelman's investigation of the public and private lives of women teachers reveals a strikingly different model of gender and class identity than the orthodox one constructed by historians of middle class gender roles and middle class feminism Consequently while the book focuses on women teachers from the beginning of state education in 1870 up to 1930 it is also an examination of how gender class and professional identities were shaped and perceived While offering a significant original contribution to the social history of teachers this book is also driven by a consideration of broader historiographical questions *Making socialists* Jane Martin, 2018-04-30 Making Socialists combines a biographical study of a nowadays virtually unknown woman with an original exploration of several major themes in late nineteenth and early twentieth century political and educational history More than a local politician Mary Bridges Adams was among the dynamic late nineteenth century women activists who sought to transform government policy through socialist initiatives with the ultimate utopian aim of creating a social nation The author has assembled a thorough range of sources including new materials that will bring fresh insights to this biography and more generally to Labour Party and socialist historiography well studied topics The

people Adams knew and the circles in which she travelled are particularly attractive features of this book Foes thought her an awful woman friends like George Bernard Shaw remembered the power of her oratory Placed against the circumstances in which she lived and presented as part of a militant and anti capitalist tradition within labour history her life story contributes to new ways of seeing both socialist and feminist politics **Capital Histories** Patricia L. Garside, 2019-01-15

First published in 1998 this book reprints eight articles from The London Journal covering the history of London from the middle ages to the twentieth century Each is an extensive bibliographical essay updated by the individual contributors for this anthology The book comes with a new introduction from a previous editor of the journal Patricia Garside and also with a specially commissioned guide to sources for London history and the libraries and special collections that house them The London Journal was founded in 1975 to provide a forum for the study of London history an eclectic and multi disciplinary field As well as articles based on original research The London Journal has carried notes and comments viewpoint and review articles and general surveys of particular aspects of London life In the past few decades the specialist literature on London has become extensive intricate and dense The opportunity for a systematic review of this literature presented itself on the twentieth anniversary of the founding of The London Journal and the core of the work presented here first appeared in Volume 20 2 November 1995 Each of the authors specialists in one of seven periods from Roman to contemporary times was asked to evaluate the literature that had appeared in their field of London expertise during the last 20 years For this book each contribution has been updated where possible to take account of the very latest publications
