A History of Women's Writing in Russia Adele Marie Barker, Jehanne M. Gheith, 2002-07-11 A History of Women's Writing in Russia offers a comprehensive account of the lives and works of Russia's women writers Based on original and archival research this volume forces a re-examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women's writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining

Russia's literary periods they look at how Russia's women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works *Yankees in Petrograd, Bolsheviks in New York* Milla Fedorova, 2013-03-15 *Yankees in Petrograd Bolsheviks in New York* examines the myth of America as the Other World at the moment of transition from the Russian to the Soviet version The material on which Milla Fedorova bases her study comprises a curious phenomenon of the waning nineteenth and early twentieth centuries pilgrimages to America by prominent Russian writers who then created travelogues The writers' missions usually consisted of two parts the physical journey which most of the writers considered as ideologically significant and the literary fruit of the pilgrimages Until now the American travelogue has not been recognized and studied as a particular kind of narration with its own canons Arguing that the primary cultural model for Russian writers' journey to America is Dante's descent into Hell Fedorova ultimately reveals how America is represented as the country of dead souls where objects and machines have exchanged places with people where relations between the living and the dead are inverted *International Aerospace Abstracts* ,1991
