Listening to Stone Hayden Herrera, 2015-04-21 Throughout the twentieth century Isamu Noguchi was a vital figure in modern art From interlocking wooden sculptures to massive steel monuments to the elegant Akari lamps Noguchi became a master of what he called the sculpturing of space But his constant struggle as both an artist and a man was to embrace his conflicted identity as the son of a single American woman and a famous yet reclusive Japanese father It's only in art he insisted that it was ever possible for me to find any identity at all In this remarkable biography of the elusive artist Hayden Herrera observes this driving force of Noguchi's creativity as intimately tied to his deep appreciation of nature As a boy in Japan Noguchi would collect wild azaleas and blue mountain flowers for a little garden in front of his home As Herrera writes he also included a rock to give a feeling of weight and permanence It was a sensual appreciation he never abandoned When looking for stones in remote Japanese quarries for his zen like Paris garden forty years later he would spend hours actually listening to the stones scrambling from one to another until he found one that spoke to him Constantly striving to take the essence of nature and distill it Noguchi moved from sculpture to furniture and from playgrounds to sets for his friend the choreographer Martha Graham and back again working in wood iron clay steel aluminum and of course stone Throughout his career Noguchi traveled constantly from New York to Paris to India to Japan forever uprooting himself to reinvigorate what he called the keen edge of originality Wherever he went his needy disposition and boyish charm drew women to him yet he tended to push them away when things began to feel too settled Only through his art now seen as a powerful aesthetic link between the East and the West did Noguchi ever seem to feel that he belonged Combining the personal correspondence of and interviews with Noguchi and those closest to him from artists patrons assistants and lovers Herrera has created an authoritative biography of one of the twentieth century's most important sculptors She locates Noguchi in his friendships with such artists as Buckminster Fuller and Arshile Gorky and in his affairs with women including Frida Kahlo and Anna Matta Clark With the attention to detail and scholarship that made her biography of Gorky a finalist for the Pulitzer Prize

Herrera has written a rich meditation on art in a globalized milieu Listening to Stone is a moving portrait of an artist compulsively driven to reinvent himself as he searched for his own essence of sculpture **Transcript of the Enrollment Books** New York (N.Y.). Board of Elections,1903 *The Curse of Beauty* James Bone,2016-04-12 The tumultuous and heartbreaking life of a world famous model whose riveting story of beauty fame passion murder and madness in the Gilded Age captivated a nation As America was stepping into the modern era one great beauty became the artist s model of choice Her perfect form became the emblem of the Gilded Age and appears on the greatest monuments of New York and the nation Supermodel actress icon her beauty paved the way for a life of glamour passion and ultimately tragedy She dated the millionaires of the fashionable Newport colony became the first American movie star ever to appear naked in a film but her promising film career collapsed her doctor fell in love with her and killed his own wife and on her fortieth birthday her mother committed her to an insane asylum She remained there until her death in 1996 at the age of 104 and is now buried in an unmarked grave Her name is Audrey Munson Many readers will recognize Audrey Munson and have walked by her in the street without even knowing her name She stands atop New York s Municipal Building She sits as Miss Manhattan and Miss Brooklyn outside the Brooklyn Museum is immortalized on the Manhattan Bridge the Frick Mansion the New York Public Library and the Pulitzer Fountain outside the Plaza Hotel In gold bronze and stone she still graces bridges skyscrapers fountains churches monuments and public buildings across the nation from Jacksonville to San Francisco from Atlanta to the Wisconsin state capitol From James Bone the former New York Bureau Chief of The Times of London this brilliantly reported investigative biography reveals for the first time the riveting truth of the forgotten life of an iconic beauty
