Managing Public Involvement In Healthcare Purchasing:

Managing Public Involvement in Healthcare Purchasing Carol Lupton, Stephen Peckham, Pat Taylor, 1998 Public involvement is a key theme within the post reform NHS with a growing emphasis on involving people in healthcare decision making improving accountability to the public and developing a stronger focus on the consumer or user of services This challenging book establishes a framework for public involvement in healthcare The discussion of current issues and debates is set within a wider theoretical and historical examination of the concepts of citizenship and accountability detailing the changing role of the consumer in the context of the major developments in the organization and delivery of public services that have taken place in Britain in the last two decades *Managing Mental Health Services* Reynolds, Amanda, Thornicroft, Graham, 1999-06-01 This is a practical no nonsense book designed to help managers of mental health services cope survive and constructively fulfil their role It has been written to help managers to function in an increasingly complex mental health service arena In clear jargon free language it aims to demystify key managerial terms to provide an understandable summary of the relevant policy and legal framework and to provide signposts to assist managers in making their way through the maze of service planning and service development options **Critical Perspectives on User Involvement** Marian Barnes, Phil Cotterell, 2012 This original and insightful reader provides a critical stock take of the state of user involvement and will be an important resource for students studying health and social care and social work researchers and user activists **Citizens, Consumers and the NHS** Christine Hogg, 2008-10-28 Exploring the story of user involvement in the NHS over the last 30 years this fascinating new book provides an analysis of the conceptual terrain that underlies debates about public and patient involvement It is essential reading for students in all health related disciplines for whom the user experience is key

Evaluating Public Management Reforms George Boyne, Catherine Farrell, Jennifer Law, Martin Powell, Richard Walker, 2003-01-16 Governments across the world are pursuing reform in an effort to improve public services But have these reforms actually led to improvements in services *Evaluating Public Management Reforms* develops a framework for a theory based evaluation of reforms and then uses this framework to assess the impact of new arrangements for public service delivery in the UK This book identifies the conceptual and practical problems of finding clear criteria for evaluating reforms focuses on the shifts in public management towards markets and competition towards the publication of performance indicators and from larger to smaller organizations considers what impact these reforms have had on the efficiency responsiveness and equity of services comprehensively reviews the evidence on the effects of reform on health care housing and education discusses the implications for public sector management **Policy Futures for UK Health** Zoë Slote Morris, 2006 Helps policy makers and stakeholders think about the future of health in the United Kingdom by summarising the context within which health policy is developed This title identifies key issues pointing out the factors that feed into decision making It also considers trends in the societal environment including ethical and legal contexts **Towards**

Managed Primary Care Judith Smith, Nick Goodwin, 2006 The last decade has witnessed a transformation in the organization and management of primary care In *Towards Managed Primary Care* the authors examine the background and development of Primary Care Groups and Primary Care Trusts PCG Ts in the English NHS The book focuses on the practical experience of developing and managing PCG Ts and on the lessons that can be drawn from this for future policy relating to the management and evaluation of such organizations in the UK and elsewhere

Achieving Person-Centred Health Systems Ellen Nolte, Sherry Merkur, Anders Anell, 2020-08-06 An evidence based analysis of the opportunities and challenges of moving towards more person centred health systems

Primary Health Care: People, Practice, Place Professor Gavin J Andrews, Professor Valorie A Crooks, 2012-11-28 Health care is constantly undergoing change and refinement resulting from the adoption of new practices and technologies the changing nature of societies and populations and also shifts in the very places from which care is delivered *Primary Health Care People Practice Place* draws together significant contributions from established experts across a variety of disciplines to focus on such changes in primary health care not only because it is the most basic and integral form of health service delivery but also because it is an area to which geographers have made significant contributions and to which other scholars have engaged in thinking geographically about its core concepts and issues Including perspectives from both consumers and producers it moves beyond geographical accounts of the context of health service provision through its explicit focus on the practice of primary health care With arguments well supported by empirical research this book will appeal not only to scholars across a range of social and health sciences but also to professionals involved in health services

National Health Services of Western Europe Guido Giarelli, Mike Saks, 2023-08-14 This book draws on research within neo Weberian and neo institutionalist perspectives to critically analyse National Health Services NHSs in Western Europe Exploring the challenges posed by neo liberal policies it also looks at the impact of the role of the state the medical profession the public and the medical industrial complex in their development Bringing together a top line range of expert international contributors this book includes national studies from three European macro regions Britain Scandinavia and the Mediterranean In the first part the NHSs of each country considered are examined historically and in a contemporary context in face of emerging challenges from cost containment to governance The second part looks across the macro regions at the influence of the main actors involved in their evolution and sustainability Comparing and contrasting the NHSs of Western Europe the book ends with a discussion of future directions This book makes a vital contribution at a time when health services globally have been under great pressure in the wake of the COVID 19 pandemic It is written for academics and advanced students of healthcare management public policy social policy and sociology in addition to health professionals and policymakers

Working together or pulling apart? Lupton, Carol, North, Nancy, 2001-09-26 In the context of the cross cutting policy ambitions of the current Labour government *Working together or pulling apart* examines the contribution of the NHS to the multi agency and inter professional child

protection process Applying the insights of policy network and inter organisational analysis the text provides detailed information on the current role played by a range of health professionals within child protection investigates the nature and operation of the central policy community and local provider networks considers the tensions arising from differences of professional power and knowledge organisational cultures and agendas and governance and regulation examines the impact of wider socio political changes on the operation of the child protection process at both central and local levels Working together or pulling apart will be essential reading for all those working in child protection at both strategic and frontline levels within the NHS and other agencies In addition it will be of interest to staff and students on undergraduate or postgraduate courses in health social work public and social policy *Shaping Health Policy* Mark Exworthy,2012 This collection written by leading health policy researchers examines the role that case studies play in British health policy covering key health policy literatures in the policy process analytical frameworks and seminal moments of the NHS

Community Participation and Primary Care: learning from the Building Healthy Communities Programme Philip Crowley,2005 *Primary Care in Urban Disadvantaged Communities* Joe Kai,Chris Drinkwater,2018-12-14 This approach to a common problem differs from classical texts by concentrating on clear concise presentations of standard and advanced techniques in inguinal herniorrhaphy and assumes that the underlying anatomy and pathology is already understood by the reader It is a high level reference written by and for experts in the field **Community Development and Primary Care in Northern Ireland and England** , *Public Health For The 21st Century* Orme, Judy,Powell, Jane,Taylor, Pat,2007-02-01 This bestselling book has been substantially updated to take into account changing policy and practice *Priority Setting and the Public* Penelope Mullen,Peter Spurgeon,2018-04-19 Practical and evidence based this unique book is the first comprehensive text focused on person centered approaches to people with serious mental illness such as schizophrenia and bipolar disorder It reflects a range of views and findings regarding assessment treatment rehabilitation self help policy making education and research It is highly recommended for all healthcare professionals students researchers and educators involved in general practice psychiatry nursing social work clinical psychology and therapy Healthcare service providers and policy makers and shapers will find the book s wide ranging multi professional approach enlightening Serious Mental Illness reflects a continued distancing from the outmoded and unsubstantiated belief that people with severe mental illnesses could not recover and that they would respond positively only to goals and treatment plans chosen designed and implemented by providers in order to prevent their further deterioration Anyone with an interest in the concept of person centered approaches will discover new ideas in this book Indeed anyone with an interest in person centered approaches has to read this book Not only is it the first such book on person centered approaches but it will serve as the gold standard in this topic area for years to come William A Anthony in the Foreword **Renewing Local Democracy?** Lawrence Pratchett,2014-04-04 Bringing together research on different features of the democratic renewal

agenda to investigate how local authorities are responding this text includes a contribution from the main architect of the modernization Local Government Minister Hilary Armstrong **Realising Participation** Kathryn Roberts, Tom Chapman, 2017-10-05 This title was first published in 2001 During the last twenty years government rhetoric in the UK has increasingly advocated that statutory health and social care services should regard and treat recipients as consumers in the same way as companies and organizations in the private sector This involves a considerable cultural change on the part of both service providers and their clients and this timely study explores the extent to which such a cultural change is actually taking place in British society The utilization of welfare services by a sample of people aged 70 and above on discharge from inpatient care and in a short period afterwards is examined as a critical testbed for key components of consumerism including participation representation access choice information and redress The book explores not only the extent to which opportunities are being provided for users to play an active role in their care but also their degree of willingness to assume such a role By investigating the experiences of clients from a generation which might be considered relatively resistant to a more active participation in health and social care the study offers an important insight into the extent to which a real social transformation is indeed taking place in the British welfare services *The Autonomous State of Childcare* Serena Liu, 2024-11-01 This title was first published in 2001 Public childcare provision in Britain is an issue that raises much passion and has been the source of much disappointment Free childcare in Britain is limited Public policy has been slow to change in terms of providing more childcare Insufficient public childcare provision is a barrier to achieving equal rights for women especially within the employment sector This book sets out to search for the factors crucial to constraining the development of childcare policy and public childcare provision It looks at schemes that have been set up but that ultimately fail in allowing women to work by not providing the necessary childcare provision The book looks at the issue of childcare provision how the policy process works the different types of childcare provision past and present and implementation and operation of childcare schemes
