China's Grand Strategy Under Xi Jinping
 Niv Horesh, 2020-11-29 This book attempts to identify change and continuity in PRC grand strategy and the extent to which Chinese imperial history complicates PRC global outreach in the Xi Jinping era Empires convey the wish to make the world a better place even in the midst of oppression and are eschatological in their rhetoric However empires that last longer have been more pragmatic in their grand strategy sometimes appropriating the aura of past golden ages and at other times learning from the mistakes of their predecessors To date Chinese strategic thinkers are preoccupied with learning lessons from the disintegration of the USSR and fascinated by the secrets of American power Interdisciplinary in its reach analysing grand strategy through both rhetoric and praxis this book unpacks the Chinese world view through critical examination of the latest history textbooks currently in use in PRC middle schools It also brings new evidence to bear on the debate in the West about Chinese strategic culture Finally it compares historical Japanese OFDI patterns with China in order to understand what makes the Chinese economy unique China's Grand Strategy Under Xi Jinping is aimed towards students and scholars of history international business and wider Chinese studies

Religious Experience and Lay Society in T'ang China
 Glen Dudbridge, 2002-06-20 The remains of Tai Fu's lost collection Kuang i chi The Great Book of Marvels preserve three hundred short tales of encounters with the other world This study develops a style of close reading through which those tales give access to the lives of individuals in eighth century China Through the eyes of a mid century county official the picture emerges of a complex lay society served by a mixed priesthood of ritual practitioners whose members lives at all levels were profoundly shaped by their perceived experience of contact with the other world It was a society embarking on fundamental change and this book uses the sharp historical focus of Tai Fu's collection to study the dynamics of that change The work gracefully reveals the transition from the beliefs and institutions of early mediaeval China towards those we now recognize as modern

Changing Dynamics and Mechanisms of Maritime Asia in Comparative Perspectives Shigeru Akita, Hong Liu, Shiro Momoki, 2021-09-27 This book attempts to reveal historical dynamism of transforming contemporary Maritime Asia and to identify key driving forces or agencies for the evolution and transformation of Maritime Asia in the context of global history studies It seeks to accomplish these goals by connecting different experiences in Maritime Asia both historically from the late early modern to the present and spatially covering both East and Southeast Asia Focusing on interactions on and through oceans seas and islands Maritime Asia can deal with any aspects of human society and the nature including diplomacy maritime trade cultural exchange identity and others Its interest in supra regional interactions and networks migration and diaspora combined with its microscopic concern with local and trans border affairs will surely contribute to the common task of contemporary social sciences and humanities to relativize the conventional framework based on the nation state In this regard research in Maritime Asia claims to be an integral part of global studies Part I deals with long distance trade and diplomatic relations during the late early modern era and its transition to the modern era mainly in the

nineteenth century Part II focuses on the emergence of transregional and trans oceanic Asian networks and the original institution building efforts in the Asia Pacific region in the twentieth century

Law and Order in Sung China Brian E. McKnight,1992-10-30 This work is the first comprehensive study of law enforcement in traditional China The depth and rigour to which the subject is treated makes it invaluable in the study of Chinese society or law and order

The Chinese Diaspora in the Pacific Anthony Reid,2017-05-15 The essays reprinted here trace the history of Chinese emigration into the Pacific region first as individuals traders or exiles moving into the Nanyang Southeast Asia then as a mass migration across the ocean after the mid 19th century The papers include discussions of what it meant to be Chinese the position of the migrants vis vis China itself and their relations with indigenous peoples as well as the European powers that came to dominate the region Together with the introduction they constitute an important aid to understanding one of the most widespread diasporas of the modern world

Essential Outsiders Daniel Chirot,Anthony Reid,2011-10-01 Ethnic Chinese in Southeast Asia like Jews in Central Europe until the Holocaust have been remarkably successful as an entrepreneurial and professional minority Whole regimes have sometimes relied on the financial underpinnings of Chinese business to maintain themselves in power and recently Chinese businesses have led the drive to economic modernization in Southeast Asia But at the same time they remain as the Jews were the quintessential outsiders In some Southeast Asian countries they are targets of majority nationalist prejudices and suffer from discrimination even when they are formally integrated into the nation The essays in this book explore the reasons why the Jews in Central Europe and the Chinese in Southeast Asia have been both successful and stigmatized Their careful scholarship and measured tone contribute to a balanced view of the subject and introduce a historical depth and comparative perspective that have generally been lacking in past discussions Those who want to understand contemporary Southeast Asian and the legacy of the Jewish experience in Central Europe will gain new insights from the book

Christianity in Contemporary China Francis Khek Gee Lim,2013-05-07 Christianity is one of the fastest growing religions in China Despite its long history in China and its significant indigenization or intertwinement with Chinese society and culture Christianity continues to generate suspicion among political elites and intense debates among broader communities within China This unique book applies socio cultural methods in the study of contemporary Christianity Through a wide range of empirical analyses of the complex and highly diverse experience of Christianity in contemporary China it examines the fraught processes by which various forms and practices of Christianity interact with the Chinese social political and cultural spheres Contributions by top scholars in the field are structured in the following sections Enchantment Nation and History Civil Society and Negotiating Boundaries This book offers a major contribution to the field and provides a timely wide ranging assessment of Christianity in Contemporary China

Chinese Immigration and Australian Politics Jia Gao,2020-07-14 This book analyses how an increasing number

of new Chinese migrants have integrated into Australian society and added a new dimension to Australian domestic politics as a result of Australia's merit based immigration system and its shift towards Asia. These policies have helped Australia sustain its growth without a recession for decades but have also slowly changed established patterns in the distribution of job opportunities, wealth and political influence in the country. These transformations have recently triggered a strong Sinophobic campaign in Australia, the most disturbing aspect of which is the denial of the successful integration of Chinese migrants into Australian society. Based on evidence gathered through a longitudinal study of Chinese migrants in Australia, this book examines the misconceptions troubling Australia's current China debate from six important but overlooked perspectives ranging from migration policy changes, economic factors, grassroots responses, the role of major political parties, community activism to knowledge issues.

The Chinese in Southeast Asia and Beyond Ching-Hwang Yen, 2008. The Chinese in Southeast Asia with their growing economic clout have been attracting attention from politicians, scholars and observers in recent decades. The rise of China as a global economic power and its profound influence over Southeast Asia has cast a spotlight on the role of Southeast Asian Chinese in the region's economic relations with China. The Southeast Asian Chinese as an economic force and their growing importance with China are to a certain extent determined by the nature and development of their communities. This book uses a multifaceted approach to unravel the forces that helped to transform the communities in the past. Containing 17 papers written within a span of six and a half years from 2000 to 2006, the book focuses on the social, economic and political aspects of these communities with special emphasis on the Chinese in Malaysia and Singapore.
