Misanthrope! Autobiographical Notes

Frank Robert Vivello,2017-10-17 This may be the oddest book of its kind that you ll ever read It s a memoir of a sort an autobiography in much the same way that crumbs dropped on the forest floor are a pathway to the old hag s hut where Hansel and Gretel are held If you collect the crumbs as you walk you ll have a sum greater than its parts at the end of your trek a surprisingly coherent account of a unique personality an incorrigible individualist fiercely independent defiant of tradition who is sometimes profound and insightful and sometimes trite and narrow minded highly original but not necessarily admirable Most important the author is someone who thinks which challenges readers to think And whether or not you re sympathetic to his way of thinking one thing is clear he is above all else rational

The Relativity of Deviance

John Curra,2016-01-25 This engaging and informative book by award winning sociologist and criminologist John Curra offers a valuable perspective on attitudes and behaviors labeled as deviant The Relativity of Deviance Fourth Edition explores the meanings and constructions of social deviance and social reactions to it he answers such questions as What is deviance What comprises deviant behavior How are deviants treated How is deviance socially constructed and socially sustained Why is the same attitude behavior or condition praised in one situation and condemned in another Through insightful and thought provoking examples and informed accounts the author illustrates that deviance cannot be explained or understood in terms of absolutes or essential characteristics nor can it be explained or understood apart from its social setting This book approaches sex violence theft drugs suicide rape and mental disorders in a way that shows the critical role of sociocultural factors and social reactions in constructions of deviance and crime

Uniqueness C.R. Snyder,Howard L.

Fromkin,2012-12-06 My Red Shirt and Me The red shirt incident begins with a rather ordinary red shirt Not a brightly colored red shirt not a dramatic cherry or firehouse red more like a faded burgundy But for several days my very identity was bound up in its redness It was me and I wore it with the pride a matador takes in his splendid cape a hero in his medals of bravery or a nun in her religious habit I ll never forget the bound less joy I felt wearing that simple pullover short sleeved red shirt in the hospital or the rush of relief that I experienced when at last I decided to surrender it However we are getting ahead of our story which starts a short time earlier with a most unfortunate accident A light flurry of wet snow had begun to fall as the university limousine turned the corner on its way from the Bronx campus of New York University to the downtown campus Although eight of us were packed into the car and had resigned ourselves to the usual boring faculty meeting awaiting us somehow a spontaneous air of joviality was created
