Odriscolls Treasure:

The Origin and History of Irish Names of Places Patrick Weston Joyce, 1902 *Doubloons* Charles Benedict Driscoll, 1930

The Stolen Village Des Ekin, 2012-10-15 In June 1631 pirates from Algiers and armed troops of the Turkish Ottoman Empire led by the notorious pirate captain Morat Rais stormed ashore at the little harbour village of Baltimore in West Cork. They captured almost all the villagers and bore them away to a life of slavery in North Africa. The prisoners were destined for a variety of fates: some would live out their days chained to the oars as galley slaves while others would spend long years in the scented seclusion of the harem or within the walls of the Sultan's palace. The old city of Algiers with its narrow streets, intense heat and lively trade was a melting pot where the villagers would join slaves and freemen of many nationalities. Only two of them ever saw Ireland again. The Sack of Baltimore was the most devastating invasion ever mounted by Islamist forces on Ireland or England. Des Ekin's exhaustive research illuminates the political intrigues that ensured the captives were left to their fate and provides a vivid insight into the kind of life that would have awaited the slaves amid the souks and seraglios of old Algiers. *The Stolen Village* is a fascinating tale of international piracy and culture clash nearly 400 years ago and is the first book to cover this relatively unknown and under-researched incident in Irish history. Shortlisted for the Argosy Irish Nonfiction Book of the Year Award **Pirates Ahoy!** Charles Benedict Driscoll, 1941 **Treasures of Britain and**

Treasures of Ireland Automobile Association (Great Britain), 1972 **Reflections On A Summer Sea** Trevor Norton, 2010-09-30 This is the funny and touching story of a menagerie of eccentric and talented ecologists who mainly as a hobby spent forty summers at Lough Ine, a stunning marine lough in a corner of Ireland where myths seep from the ground like will-o-the-wisps and in one of the most unlikely projects in the history of science were responsible for the reinvention of marine biology. Among the stars of the book are the marine creatures that occupy the lake sea urchins that won't dine unless they wear a hat, otters that steal experiments and worms that will only mate by order of the moon. The creatures' eccentric behaviour is matched only by that of the ecologists themselves whose antics and interactions with their Irish neighbours are all lovingly described with Norton's keen eye for both the wonderful and the absurd. But for all its humour, the book is also a moving account of two ecologists who collaborated for forty years until their friendship came to a tragic end. The book brings together all the rich flavours of Ireland, the wonders of natural history and the magic of being a marine biologist just for the fun of it **The academy**, 1892 **Good stories**, ed. by J.E. Clarke John Erskine Clarke, Proceedings of the Royal

Irish Academy, 1970 **The Shamrock**, 1875 *Irish Writing in the Twentieth Century* David Pierce, 2000 Arranged chronologically by decade from the 1890s to the 1990s, each decade is divided into two different types of writing: critical documentary and imaginative writing, and is accompanied by a headnote which situates it thematically and chronologically. The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings. The wide range of material encompasses writings of well-known figures in the Irish canon and neglected writers alike. This will appeal

to the general reader but also makes Irish Writing in the Twentieth Century ideal as a core text providing a unique focus for detailed study in a single volume BOOK JACKET West Cork Tony Brehony,1997 The Little Book of Waterford Dr Tom Hunt,2017-03-01 The Little Book of Waterford is a compendium of fascinating obscure strange and entertaining facts about County Waterford Here you will find out about Waterford s industrial past its proud sporting heritage its arts and culture and its famous and occasionally infamous men and women Through quaint villages and bustling towns this book takes the reader on a journey through County Waterford and its vibrant past A reliable reference book and a quirky guide this can be dipped into time and time again to reveal something new about the people the heritage and the secrets of this ancient county
