Bogousslavsky,S. Dieguez,2013-03-07 Classical and modern literature is full of patients with interesting neurological cognitive or psychiatric diseases often including detailed and accurate descriptions which suggests the authors were inspired by observations of real people In many cases these literary portrayals of diseases even predate their formal identification by medical science Fictional literature encompasses nearly all kinds of disorders affecting the nervous system with certain favorites such as memory loss and behavioral syndromes There are even unique observations that cannot be found in scientific and clinical literature because of the lack of appropriate studies Not only does literature offer a creative and humane look at disorders of the brain and mind but just as authors have been inspired by medicine and real disorders clinicians have also gained knowledge from literary depictions of the disorders they encounter in their daily practice This book provides an amazing and fascinating look at neurological conditions patients and doctors in literature and film in a way which is both nostalgic and novel Dismemberment in Drama / Dismemberment of Drama Lance Norman,2021-02-03 Dismemberment in Drama Dismemberment of Drama is an essay collection which considers the dramatic possibility contained in the images and narratives of dismemberment frequently recurring on the western stage The Classical Tragedies of Sophocles and Euripides the Romanticism of Kleist the surrealism of Artaud and the contemporary drama of Suzan Lori Parks and Marina Carr are just some of the fractured and fragmented bodies analyzed in this collection Both individually and in concert the contributors ask what a dismembered body means Such an inquiry allows them to confront dismemberment as a theoretical category which understands such twentieth century innovations as the Theatre of Cruelty the Epic Theatre the Open Theater and documentary theatre as part of a long dramatic tradition Dismemberment in drama examines the tenuous bond between representation and the object being represented by highlighting the dismemberment of drama as a form that occurs during drama s repeated theorizations of its own enactment There is a conflict between disintegration and unity inherent in mimesis theatrical phenomenology and performance **Proceedings of the London Mathematical Society** London Mathematical Society,1922 Papers presented to J E Littlewood on his 80th birthday issued as 3d ser v 14 A 1965 Oeuvres complètes Balzac,1884 **Œuvres complètes de Voltaire (Complete Works of Voltaire)** 3B David Voltaire,1996-01-01 Part of the complete works of the French philosopher historian and social reformer Voltaire The first

**Ce que la sociologie fait de la littérature et vice-versa** Brahim Labari,2014-06-05 Les textes qui forment ce volume ont en commun d'interroger les rapports complexes entre la discipline sociologique et la littérature Le point de départ a été de s'interroger sur la problématique de la formation de la culture sociologique non pas avec l'institutionnalisation de la discipline par ses premiers fondateurs connus et reconnus E Durkheim K Marx et M Weber mais avec les grands premiers fondateurs tels que les romanciers et écrivains des XVIIIe et XIXe siècles A contrario les sociologues canonisés ont-ils appelé pour être lus et appréciés ou compris user de la rhétorique pour verbaliser analyser interpréter et expliquer le réel L'objectif tant d'explicitier voire de qualifier cette relation incestueuse entre la littérature et la sociologie en débrouillant les frontières qui les séparent les enjeux qui les animent et en fin de compte de s'interroger sur la complémentarité et les distances qui les ajustent

Anthologie des communications présentées lors du colloque international Sociologie et littérature une relation incestueuse cet ouvrage dévoile comment on faisait de la sociologie sans avoir anticipé un savoir appelé à institutionnaliser on la pratiquait par la force de la description et la puissance de la métaphore Riches aussi bien par leur pertinence que par leur diversité ces articles n'empruntent pas la même voie pour décrypter ces rapports ne ciblent pas les mêmes champs de recherche ni ne citent les mêmes auteurs comme illustrations de ces chevauchements entre les deux disciplines

*Dionysos au quotidien* Jean Verdeil,1998 Cet ouvrage se veut un ouvrage d

anthropologie L'auteur s'est efforcé de mettre en rapport deux techniques : la possession et le jeu dramatique, techniques appartenant à des cultures bien différentes mais qui mettent en jeu des possibilités psychophysiologiques qui appartiennent à notre espèce humaine. Dans l'expression dramatique, la prise de conscience que le moi social n'est qu'une potentialité peut être suivie de débuts de réorganisation de la personnalité. Mais tandis que la possession ne produit qu'une réorganisation limitée dans le temps, le jeu dramatique, à l'instar de la psychanalyse, permettrait une réorganisation plus profonde. Ne pourrait-on pas penser qu'un état de transe induit par des pratiques de jeûne ou par toute autre technique amenant la transe a pu conduire des hommes à se sentir habités par une force inconnue qu'ils ont appelée dieu ou Dieu.

*Œuvres complètes de Voltaire (Complete Works of Voltaire)* 147 Voltaire, 2022-01-19 Part of the complete works of the French philosopher, historian and social reformer Voltaire. Contains prose texts attributed to him with varying degrees of certainty. For students and scholars of the 18th century Enlightenment.
