Of Memory Reminiscence And Writing On The Verge:

Of Memory, Reminiscence, and Writing David Farrell Krell, 1990 Krell creates a remarkable interplay of meanings allusions and connotations an interplay of multiple resonance which is finely tuned to Derrida's thought and which makes his essay as artful as it is conceptually disciplined He is surely one of the most astute translators and readers in contemporary Continental thought Charles E Scott

Memory Susannah Radstone, Bill Schwarz, 2010 These essays survey the histories the theories and the fault lines that compose the field of memory research Drawing on the advances in the sciences and in the humanities they address the question of how memory works highlighting transactions between the interiority of subjective memory and the larger fields of public or collective memory

Memory Matters Janice Haaken, Paula Reavey, 2009-09-10 This book is grounded in the debates of the 1980s and 1990s that surrounded recollections of childhood sexual abuse particularly those that emerged in the context of psychotherapy When growing numbers of therapists claimed that they were recovering deeply repressed memories of early sexual violations in their female clients a wave of alarmed critics countered that therapists were implanting the very memories they were discovering In looking back at this volatile and heated controversy *Memory Matters* takes up disturbing questions that linger concerning memory sexuality and childhood Beginning with a re analysis of cases from the recovered memory era the volume goes on to offer fresh perspectives on recollections of childhood sexual abuse Informed by feminist and critical perspectives within psychology contributing authors introduce examples from their own qualitative research on processes of remembering They offer rich examples from a wide range of applied settings from the courts psychotherapy institutions for the disabled to self help groups and the media A shared set of questions is addressed by each of the authors to create a dialogue with the reader on recurring motifs *Memory Matters* is an ideal resource for advanced undergraduate and postgraduate students in the social sciences and legal studies as well as practitioners in the fields of mental health crisis services and the law Scholarly and accessible in tone the book also offers helpful insights for professionals working with childhood memory

Philosophy and Memory

Traces John Sutton, 1998-03-05 *Philosophy and Memory Traces* defends two theories of autobiographical memory One is a bewildering historical view of memories as dynamic patterns in fleeting animal spirits nervous fluids which rummaged through the pores of brain and body The other is new connectionism in which memories are stored only superpositionally and reconstructed rather than reproduced Both models argues John Sutton depart from static archival metaphors by employing distributed representation which brings interference and confusion between memory traces Both raise urgent issues about control of the personal past and about relations between self and body Sutton demonstrates the role of bizarre body fluids in moral physiology as philosophers from Descartes and Locke to Coleridge struggled to control their own innards and impose cognitive discipline on the phantasmal chaos of association Going on to defend connectionism against Fodor and critics of passive mental representations he shows how problems of the self are implicated in cognitive science

Cultural Memory

Studies Nicolas Pethes, 2019-06-06 This volume provides an overview of theories of cultural memory that are intensively discussed in cultural studies and humanities disciplines such as history sociology literary studies art history and media studies Cultural memory encompasses all rituals institutions and practices through which communities establish their identity and common origin which are challenged by the digital turn today The book presents on the one hand basic arguments by the most important memory theorists of the 20th and 21st centuries and on the other exemplary descriptions of the most significant forms of cultural memory

Shakespeare's Memory Theatre Lina Perkins Wilder, 2010-11-04 Wilder examines the excessive remembering of figures such as Romeo Falstaff and Hamlet as a way of defining Shakespeare's theatricality

Memory, History, Justice in Hegel Angelica Nuzzo, 2012-04-05 This reconstruction of the work of dialectical memory in Hegel raises the fundamental question of the principle that presides on the articulation of history and indicates in Hegel's philosophy two alternative models of conceiving history one that grounds history on ethical memory the other that sees justice as the moving principle of history

Confession and Memory in Early Modern English Literature Paul D. Stegner, 2016-01-26 This is the first study to consider the relationship between private confessional rituals and memory across a range of early modern writers including Edmund Spenser Christopher Marlowe William Shakespeare and Robert Southwell

Ekphrasis, Memory and Narrative after Proust Leonid Bilmes, 2022-12-15 This book explores the relationship between ekphrasis and memory in the novel *Drawing on la recherche du temps perdu* Leonid Bilmes considers how Vladimir Nabokov W G Sebald Ben Lerner Ali Smith and Lydia Davis have employed and reshaped Proust's way of depicting the recollected past In *Ada Austerlitz* 10 04 *How to Be Both* and *The End of the Story* memory images are variously transposed into intermedial descriptions that inform the narrator's story just as they serve to shape the reader's own remembrance of each of these narratives Ekphrasis in the novel after Proust Bilmes argues acts as a distinct site within the text where past and present self and other image and text seeing and hearing are ever on the brink of reconciliation The book surveys a wide field of critical inquiry encompassing classical theorizations of ekphrasis philosophical explorations of memory and visibility as well as seminal studies of image text relations by among others W J T Mitchell Jean Luc Nancy and Liliane Louvel Bilmes's compelling dialogue with theory and literature evinces the underexplored bond between ekphrasis and memory in the contemporary novel

Recovering Memory Hedda Friberg, Irene Gilsenan Nordin, Lene Yding Pedersen, 2009-03-26 Various ways of collecting storing and recovering memories have been the focus of the most recent joint research project carried out by a group of Irish Studies scholars all based in the Nordic countries and members of the Nordic Irish Studies Network NISN The result of the project *Recovering Memory Irish Representations of Past and Present* is a collection of essays which examines the theme of memory in Irish literature and culture against the theoretical background of the philosophical discourse of modernity Offering a wide range of perspectives this volume examines a plurality of representations past and present of memory both public and private and the intersection between

collective memory and individual in modern Ireland Also explored is the relation between memory and identity national and private as well as questions of subjectivity and the construction of the self Given Ireland s tragic past and its long history of colonisation it is inevitable that various aspects of memory in terms of nationality post colonialism and politics also have bearing on this study The volume is divided into five sections each of which examines one broadly defined aspect of memory The introductory section focuses on memory and history and is followed by sections on memory and autobiography place identity and memory in the work of novelist John Banville Within each section the individual writers engage in a fruitful dialogue with each other and with the approaches of such theorists as Arendt Husserl Merleau Ponty Ricoeur and Baudrillard

Aristotle on Memory and Recollection ,2007-01-01 Based on a new critical edition of Aristotle s De Memoria and two interpretive essays this book challenges current views on Aristotle s theories of memory and recollection and argues that these are based on misinterpretations of the text and Aristotle s philosophical goals **Circle in the Square** Elliot R. Wolfson,2012-02-01 This book deals with aspects of the gender imaging of God in a variety of medieval kabbalistic sources It provides the key to understanding the phenomenological structures of mystical experience as well as the thematic correlation of esotericism and eroticism that is central to the kabbalah The author examines the role of gender utilizing current feminist studies and cultural anthropology He explores the themes of the feminization of the Torah the correlation of circumcision and vision of God the phallocentric understanding of divine creation as a process of inscription mythologized as an act of sexual self gratification and the phenomenon of gender crossing in kabbalistic myth and ritual Collectively the studies explore in great depth the androcentric phallocentrism that is characteristic of medieval Jewish mysticism Confrontations Ernst Behler,1991 A Stanford University Press classic **Occupying Memory** Trevor Hoag,2018-11-15 Occupying Memory investigates the forces of trauma and mourning as deeply rhetorical in order to account for their capacity to seize one s life Rather than viewing memory as granting direct access to the past and being readily accessible or pliant to human will Trevor Hoag exposes how the past is a rhetorical production and that trauma and mourning shatter delusions of sovereignty By granting memory the posthuman power to persuade without an accompanying rhetorician and contending the past cannot become a reality without being written this book highlights rhetoric s indispensability while transforming its relationship to memorialization trauma narrative death mourning haunting and survival Analyzing and deploying the rhetorical trope of occupatio Occupying Memory inhabits the conceptual place of memory by reinscribing it in ways that challenge hegemonic power while holding open that same space to keep memory in question and receptive to alternative futures to come Hoag likewise demonstrates how one might occupy memory through insights gleaned from analyzing artifacts media events and tropes from the Occupy Movement a contemporary national and international movement for socioeconomic justice

Exploring the Work of Edward S. Casey Azucena Cruz-Pierre,Donald A. Landes,2013-08-15 From his initial writings on imagination and memory to his recent studies of the glance and the edge the work of American philosopher Edward S

Casey continues to shape 20th century philosophy In this first study dedicated to his rich body of work distinguished scholars from philosophy urban studies and architecture as well as artists engage with Casey s research and ideas to explore the key themes and variations of his contribution to the humanities Structured into three major parts the volume reflects the central concerns of Casey s writings an evolving phenomenology of imagination memory and place representation and landscape painting and art and edges glances and voice Each part begins with an extended interview that defines and explains the topics concepts and stakes of each area of research Readers are thus offered an introduction to Casey s fascinating body of work and will gain a new insight into particular aspects and applications of Casey s research With a complete bibliography and an introduction that at once stresses each of Casey s areas of research while putting into perspective their overarching themes this authoritative volume identifies the overall coherence and interconnections of Edward S Casey s work and his impact on contemporary thought

Time, Memory, Institution David Morris, Kym Maclaren, 2015-04-15 This collection is the first extended investigation of the relation between time and memory in Maurice Merleau Ponty s thought as a whole and the first to explore in depth the significance of his concept of institution It brings the French phenomenologist s views on the self and ontology into contemporary focus Time Memory Institution argues that the self is not a self contained or self determining identity as such it is gathered out of a radical openness to what is not self and that it gathers itself in a time that is not merely a given dimension but folds back upon gathers and institutes itself Access to previously unavailable texts in particular Merleau Ponty s lectures on institution and expression has presented scholars with new resources for thinking about time memory and history These essays represent the best of this new direction in scholarship they deepen our understanding of self and world in relation to time and memory and they give occasion to reexamine Merleau Ponty s contribution and relevance to contemporary Continental philosophy This volume is essential reading for scholars of phenomenology and French philosophy as well as for the many readers across the arts humanities and social sciences who continue to draw insight and inspiration from Merleau Ponty Contributors Elizabeth Behnke Edward Casey Vronique F ti Donald Landes Kirsten Jacobson Galen Johnson Michael Kelly Scott Marratto Glen Mazis Caterina Rea John Russon Robert Vallier and Bernhard Waldenfels

Memory, History, Forgetting Paul Ricoeur, 2024-05-31 A noted philosopher examines the morality behind recognizing specific historical moments while leaving equally important ones unacknowledged Why do major historical events such as the Holocaust occupy the forefront of the collective consciousness while profound moments such as the Armenian genocide the McCarthy era and France s role in North Africa stand distantly behind Is it possible that history overly remembers some events at the expense of others A landmark work in philosophy Paul Ricoeur s Memory History Forgetting examines this reciprocal relationship between remembering and forgetting showing how it affects both the perception of historical experience and the production of historical narrative Memory History Forgetting like its title is divided into three major sections Ricoeur first takes a phenomenological approach to memory and mnemonical devices The

underlying question here is how a memory of the present can be of something absent the past The second section addresses work by historians by reopening the question of the nature and truth of historical knowledge Ricoeur explores whether historians who can write a history of memory can truly break with all dependence on memory including memories that resist representation The third and final section is a profound meditation on the necessity of forgetting as a condition for the possibility of remembering and whether there can be something like happy forgetting in parallel to happy memory

Throughout the book there are careful and close readings of the texts of Aristotle and Plato of Descartes and Kant and of Halbwachs and Pierre Nora A momentous achievement from one of the most significant philosophers of our age Memory History Forgetting furthers Ricoeur s reflections on ethics and the problems of responsibility and representation **Borges and Joyce** Patricia Novillo-Corvalan,2017-12-02 Borges and Joyce stand as two of the most revolutionary writers of the twentieth century Both are renowned for their polyglot abilities prodigious memories cyclical conception of time labyrinthine creations and for their shared condition as European emigres and blind bards of Dublin and Buenos Aires Yet at the same time Borges and Joyce differ in relation to the central aesthetic of their creative projects the epic scale of the Irishman contrasts with the compressed fictions of the Argentine In this comprehensive and engaging study Patricia Novillo Corvalan demonstrates that Borges created a version of Joyce refracted through the prism of his art thus encapsulating the colossal magnitude of Ulysses and Finnegans Wake within the confines of a nutshell Separate chapters triangulate Borges and Joyce with the canonical legacy of Homer Dante and Shakespeare using as a point of departure Walter Benjamin s notion of the afterlife of a text This ambitious interdisciplinary study offers a model for Comparative Literature in the twenty first century

Collective Memory & the Historical Past Jeffrey Andrew Barash, 2016-11-25 Barash seeks to safeguard history from mythology deep and wide ranging yet the author's prose is clear and accessible Highly recommended Choice There is one critical way we honor great tragedies by never forgetting Collective remembrance is as old as human society itself serving as an important source of social cohesion yet as Jeffrey Andrew Barash shows in this book it has served novel roles in a modern era otherwise characterized by discontinuity and dislocation Drawing on recent theoretical explorations of collective memory he elaborates an important new philosophical basis for it one that unveils profound limitations to its scope in relation to the historical past Crucial to Barash's analysis is a look at the radical transformations that symbolic configurations of collective memory have undergone with the rise of new technologies of mass communication He provocatively demonstrates how such technologies capacity to simulate direct experience especially via the image actually makes more palpable collective memory's limitations and the opacity of the historical past which always lies beyond the reach of living memory Thwarting skepticism however he eventually looks to literature specifically writers such as Walter Scott Marcel Proust and W G Sebald to uncover subtle nuances of temporality that might offer inconspicuous emblems of a past historical reality A highly insightful and erudite book on the complex relationship of the past to the present It raises a host of important questions about memory and history Journal of the History of Ideas

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
