The Study of Patience Cometan, 2019-11-26 The Study of Patience is the seventy eighth instalment in the Little Blue Book Series and comprises the third and fourth discourses of the Tetradoxy which is itself the fourth disquisition of the Omnidoxy the founding book of Astronism The first part of this publication explores the concept of patience from an Astronist philosophical perspective with subsequent impacts on the Astronist ethical system while the second part of the publication addresses a long series of familial relational and friendship oriented topics and issues as approached from an Astronist perspective The Little Blue Book Series was created and first published by Cometan himself as a way to simplify and commercialise the immensity of the two million word length of the Omnidoxy into smaller more bite size publications A successful series from its very first published entry the Little Blue Book Series has gone on to become a symbol of Astronist commercial literature and a way for Cometan's words to reach readers of all ages and abilities who remain daunted by the beauty and yet the sheer extensiveness of the Omnidoxy as the longest religious text in history Research in the Social Scientific Study of Religion Ralph L.
