Conan Doyle and the Crimes Club Stephen Wade, 2017-05-17 On 17 July 1904 an intimate group of like minded gentlemen sat down to dinner in London's Great Central Hotel They were united by one shared interest a fascination with crime and the workings of the criminal mind This meeting occurring in the golden age of literary dinners and good fellowship marked the birth of the Crimes Club a concept that quickly developed into a professional and academic society boasting members of the legal and literary elite with Sir Arthur Conan Doyle creator of Sherlock Holmes and gregarious bon viveur at its heart Until now the exclusive nature of the club meant that little has been divulged about these aficionados of murder but Conan Doyle and the Crimes Club gives readers a thrilling insight into the previously veiled lives of these celebrated men of the time Recounting their detective investigations spying escapades and criminous journalism that no doubt inspired Doyle's own literary feats Stephen Wade explores all manner of criminal activities that were examined and discussed by the club

ranging from wives buried in basements to bodies cast into the River Thames and lovers poisoned with arsenic A lively and compelling read Conan Doyle and the Crimes Club provides a unique window into the Edwardian clique of criminologists and gentleman sleuths Welcome to the club Illustrations 30 black and white photographs *The Burns Supper* Clark McGinn,2018-12-12 This annual celebration of the life and works of the poet Robert Burns is held in Scotland and across the globe around the anniversary of the poet s birthday in the form of a convivial dinner with particular some may say peculiar ritual traditions When the Reverend Hamilton Paul agreed to arrange the first anniversary dinner for Robert Burns patrons and friends in July 1801 he began a tradition that quite soon became a global celebration Over two hundred years later Burns Suppers are held all over the world to commemorate the life and work of a poet beloved wherever people celebrate life love and liberty From its beginning with nine Scotsmen in Burns Cottage to today where over nine million people join in the Burns Supper festivities from the USA to Russia Australia to China and somewhere near you The long and happy story of Burns Night is explored in this history of the annual event which has been called the biggest party in the world *Clubs and club life in London, with anecdotes of its famous coffee houses, hostelries, and taverns from the seventeenth century to the present time* John Timbs (F.S.A.),1872 *The Sketch* ,1906 **Clubs and Club Life in London** John Timbs,1872 *Clubs and Club Life in London* John Timbs,2023-06-13 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **London Club Life** John Timbs,2021-05-07 London Club Life is a work of social history that presents the pictures of the social life of England s Capital with anecdotes of the clubs coffee houses and taverns of the metropolis during the 17th 18th and 19th century The goal of the work was to record the Club life in a series of sketches of the leading Societies presented through the portrayal of a wide variety clubs and taverns The first volume deals with London Clubs while the second volume is devoted to the Coffee house and Tavern Life and presents a diversity of sketches anecdotes and reminiscences *Club Life of London* John Timbs,1866 *Club Life of London* John Timbs,2023-10-15 Club Life of London is a work that offers a comprehensive and informative look at the gentlemen s clubs and social clubs that were prominent in London during the 19th century During this period London was a hub of social and intellectual life and these clubs played a significant role in shaping the city s social scene The book provides descriptions of various clubs including their histories locations memberships and the activities that took place within their walls It delves into the culture and customs of these clubs including the traditions rituals and events that were part of club life John Timbs work serves as a historical record of the many clubs that were active during the 19th century shedding light on the social and cultural norms of the time It also provides insights into the various individuals who were members of these clubs including notable authors politicians and intellectuals Club Life of London is a valuable resource for historians and those interested in the social and cultural history of London It offers a glimpse into the exclusive and often

intriguing world of 19th century London clubs where individuals gathered to socialize discuss intellectual topics and engage in various recreational activities      **Club Life of London (Vol. 1&2)** John Timbs,2021-01-28 Club Life of London in two volumes is a work of social history that presents the pictures of the social life of England s Capital with anecdotes of the clubs coffee houses and taverns of the metropolis during the 17th 18th and 19th century The goal of the work was to record the Club life in a series of sketches of the leading Societies presented through the portrayal of a wide variety clubs and taverns The first volume deals with London Clubs while the second volume is devoted to the Coffee house and Tavern Life and presents a diversity of sketches anecdotes and reminiscences      Pope to Burney, 1714-1779 Moyra Haslett,2017-03-14 This essential guide defines literature of the eighteenth century as a literature written and received as public conversation Moyra Haslett discusses and challenges conventional ways of reading the period particularly in relation to notions of the public sphere In her wide ranging study Haslett reads key texts including The Dunciad Gulliver s Travels and Pamela in their literary and cultural contexts and examines such genres as the periodical the familiar letter the verse epistle and the novel as textual equivalents of coterie culture      Robert Louis Stevenson, Literary Networks and Transatlantic Publishing in the 1890s Glenda Norquay,2020-01-31 Robert Louis Stevenson Literary Networks and Transatlantic Publishing in the 1890s investigates Stevenson and the geographies of his literary networks during the last years of his life and after his death It profiles a series of figures who worked with Stevenson negotiated his publications on both sides of the Atlantic wrote for him or were inspired by him Using archival material correspondence fiction and biographies it moves across these literary networks It deploys the concept of literary prosthetics to frame its analysis of gatekeepers tastemakers agents collaborators and authorial surrogates in the transatlantic production of Stevenson s writing Case studies of understudied individuals and broader consideration of the networks they represent contribute to knowledge of transatlantic publishing in the 1890s understanding of transatlantic culture Stevenson studies current interest in the workings of literary communities and in nineteenth century mobility      Images of Oliver Cromwell Roger Howell,1993 Oliver Cromwell has been both applauded and reviled and his memory invoked in periods and in countries other than his own This complex historiography has left us today with many different versions of Cromwell as man general and statesman of which the conflicting images are the subject of this book Available in paperback for the first time this classic study is based on the unfinished magnum opus of the leading scholar of seventeenth century history Roger Howell 1936 89 It includes chapters by a team of leading international experts on a broad range of subjects originally planned by Howell himself It includes Howell s studies of the reactions to Cromwell in the Restoration period and in the eighteenth and nineteenth centuries Added to these are reprints of his essays on psychohistorical approaches to Cromwell and on Cromwell s contribution to English liberty Further historiographical portraits of the Protector are offered in chapters which consider Cromwell and the Glorious Revolution Carlyle s Cromwell Irish images of the Protector American interpretations and the comparisons made between Cromwell and the twentieth

century dictators      **The Lost Art of Banking** Aisling Tuite, 2019-02-27 This Palgrave Pivot explores the recent financial crisis from a new perspective Reflecting on 40 years of banking experiences the book will open new avenues to understanding banking and comment on possible ways to rehabilitate banking organisations In 1965 the Bank of Ireland received a consultancy report from McKinsey Company which heralded a new phase in banking practice and organisation In the years that followed the Bank of Ireland opened up its once traditional culture to outside influences changing the way work was done and workers were viewed Direct competition was introduced alongside specialisation of roles and hence college education was identified as the way to meet demands of the market and bankers began to develop a full suite of products to keep customers loyal The once professional bank manager who was a guardian of good practice eventually became absorbed into the needs of the leviathan organisation The end result is an unimaginable and interlinked financial crisis in 2008 that swept across Ireland and the globe This book explores banking organisation and practice as it transforms and across the period from 1960 to 2018 It argues that organisational goals over individual responsibility paved the pathway towards crisis Organisationally anxiety and fear of failure took the place of certainty and stability While the financial crisis is coming to an end banking organisations remains fragile and prone to influences that may lead them towards a path of continuous cycles of boom and bust Such a state has the potential to create an unending cycle of boom and bust and the end of stability and the institution of banking This book shines a light on that and will be of interest to banking and finance researchers students and practitioners      **Handel** David Vickers, 2017-07-05 This anthology represents scholarly literature devoted to Handel over the last few decades and contains different kinds of studies of the composer s biography operatic career singers librettists and his relationship with the music of other composers Case studies range from recent research that transforms our knowledge of large scale English works to an interdisciplinary exploration of an individual opera aria Designed to bring easy and convenient access to students performers and music lovers the wide ranging articles are selected by David Vickers co editor of the recent Cambridge Handel Encyclopedia from diverse sources not only familiar important journals but also specialist yearbooks festschrifts not easily accessible newsletters conference proceedings and exhibition catalogues Many of these represent an up to date understanding of modern Handel studies deal with fascinating biographical issues such as the composer s art collection his chronic health problems and the nature of popular anecdotal evidence and fill gaps in the mainstream Handelian literature      **Chicago Architecture and Design (3rd edition)** Jay Pridmore, George A. Larson, 2018-09-18 The birthplace of the skyscraper Chicago is famous for an architectural tradition that has influenced building around the globe It is the cradle of modern architecture It gave rise to the urban office building and to the flowing open floor plans of today s homes Chicago Architecture and Design chronicles the city s architecture from the 19th through the early 21st century from the structural simplicity of Chicago School commercial building to the low slung Prairie School house from the streamlined Art Deco skyscraper to the minimalist Miesian tower of glass and steel and all the way through to

the strikingly original diverse designs of the present day's second modern period. It examines the evolution of modern architecture in the context of broader historical, social, technological, and artistic currents and explores innovations that pushed buildings ever higher. This third edition adds 10 new buildings from the last decade, including Renzo Piano's Modern Wing of the Art Institute, John Ronan's Poetry Foundation, and Helmut Jahn's Mansueti Library at the University of Chicago.
