Mission Life; Or Home and Foreign Church Work ,1880 **The Athenaeum** ,1858 *The Moslem World* Samuel Marinus Zwemer,1913 **The Illustrated missionary news [formerly The Pictorial missionary news] ed. by H.G. Guinness [and others].** Henry Grattan Guinness, **The Church of Scotland Home and Foreign Mission Record** Church of Scotland,1895 **Seeing Islam as Others Saw It: A Survey and Evaluation of Christian, Jewish and Zoroastrian Writings on Early Islam** Robert G. Hoyland,2014-01-10 This book offers a new approach to the vexing question of how to write the early history of Islam The first part discusses the nature of the Muslim and non Muslim source material for the seventh and eighth century Middle East and argues that by lessening the divide between these two traditions which has largely been erected by modern scholarship we can come to a better appreciation of this crucial period The second part gives a detailed survey of sources and an analysis of some 120 non Muslim texts all of which provide information about the first century and a half of Islam roughly A D 620 780 The third part furnishes examples according to the approach suggested in the first part and with the material presented in the second part how one might write the history of this time The fourth part takes the form of excurses on various topics such as the process of Islamization the phenomenon of conversion to Islam the development of techniques for determining the direction of prayer and the conquest of Egypt Because this work views Islamic history with the aid of non Muslim texts and assesses the latter in the light of Muslim writings it will be essential reading for historians of Islam Christianity Judaism or Zoroastrianism indeed for all those with an interest in cultures of the eastern Mediterranean in its traditional phase from Late Antiquity to medieval times

Athenaeum and London Literary Chronicle ,1858 *Proselytizing and the Limits of Religious Pluralism in Contemporary Asia* Juliana Finucane,R. Michael Feener,2013-10-21 This volume brings together a range of critical studies that explore diverse ways in which processes of globalization pose new challenges and offer new opportunities for religious groups to propagate their beliefs in contemporary Asian contexts Proselytizing tests the limits of religious pluralism as it is a practice that exists on the border of tolerance and intolerance The practice of proselytizing presupposes not only that people are freely choosing agents and that religion itself is an issue of individual preference At the same time however it also raises fraught questions about belonging to particular communities and heightens the moral stakes involved in such choices In many contemporary Asian societies questions about the limits of acceptable proselytic behavior have taken on added urgency in the current era of globalization Recognizing this the studies brought together here serve to develop our understandings of current developments as it critically explores the complex ways in which contemporary contexts of religious pluralism in Asia both enable and are threatened by projects of proselytization Outlook and Independent ,1900 **Library Journal** ,1994

e-Jeanne: 2004 (Part One - January through June) Jeanne Halsey,2013-02-17 Once I got started I couldn't stop The history

of e Jeanne began around 1999 really ramped up when 9 11 hit our nation became more organized and intentional thereafter and continued until 2005 You see e Jeanne was a precursor of currently popular blogs although we called her an e zine She was assembled early in the morning right after my morning devotions in fact I realize that many of my morning devotions somehow crept into the e Editorials and then forwarded by e mail to over 300 people all around the world I did this two or three days a week for 10 years Like I said maybe I am a little crazy This is not a book you can rush through unless you are only looking for jokes and I am astonished how small the font has to be in order to fit everything in you re going to need a bookmark to help mark your spot Always my goal was to fulfill Let your good works shine out for all to see so that everyone will praise your Heavenly Father Matthew 5 16

The Passion of Max Von Oppenheim Lionel Gossman, 2013 Born into a prominent German Jewish banking family Baron Max von Oppenheim 1860 1946 was a keen amateur archaeologist and ethnologist His discovery and excavation of Tell Halaf in Syria marked an important contribution to knowledge of the ancient Middle East while his massive study of the Bedouins is still consulted by scholars today He was also an ardent German patriot eager to support his country s pursuit of its place in the sun Excluded by his part Jewish ancestry from the regular diplomatic service Oppenheim earned a reputation as the Kaiser s spy because of his intriguing against the British in Cairo as well as his plan at the start of the First World War to incite Muslims under British French and Russian rule to a jihad against the colonial powers After 1933 despite being half Jewish according to the Nuremberg Laws Oppenheim was not persecuted by the Nazis In fact he placed his knowledge of the Middle East and his connections with Muslim leaders at the service of the regime Ranging widely over many fields from war studies to archaeology and banking history *The Passion of Max von Oppenheim* tells the gripping and at times unsettling story of one part Jewish man s passion for his country in the face of persistent and in his later years genocidal anti-Semitism

Occidentalism and the Egyptian Novel Lorenzo Casini, 2024-12-26 This book examines Occidentalism or the set of cultural literary and political uses of the West in the works of canonical 20th and 21st century Egyptian novelists Beginning with the writings of Muhammad Husayn Haykal Lorenzo Casini here traces the way that imaginaries and representations of the West became bound up with the notions of modernity and national identity with which Egyptian novelists grappled from the works of Tawfiq al Hakim to those of Taha Husayn The book also explores the trope of the European woman as an embodiment of the free modern seductive West as an essential facet of Occidentalism in this formative period The second part of the book examines the ways in which later novelists from Latifa al Zayyat and Yusuf Idris to Radwa Ashur and Ahdaf Soueif subverted dominant Occidentalist themes as a way of re examining concepts of personal political and national identity The author argues that these later novelists reacted to the changing political circumstances in Egypt from Nasser s rule and the slide to authoritarianism to the 2011 Revolution to envisage different kinds of Egyptian political community with a more complicated and less binary relationship with the imagined West

Dictionnaires , Biographical Dictionary of Christian Missions Gerald H. Anderson, 1999 The book also

features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index BOOK JACKET *The Christian Work and the Evangelist*, 1906 Passion for Africa Marius Cisternino, 2004 Developments in Egypt and the Sudan are significant for an understanding of modern Ugandan history yet there is a considerable gap in the historical literature This monumental study now translated from Italian to English is a study of the Verona Fathers and Sisters now known as the Combonians and Comboni Sisters and of their passionate efforts to convert Africans living in what are today southern Sudan and northern Uganda to Christianity The book is relevant on many levels as a contribution to the historical understanding of the interactions between the peoples of northern Uganda and the southern Sudanese with Christian missionaries as a study of the British administration's influence in the new Ugandan protectorate of the 1890s and as a historical consideration of the interrelations between Sudan and Egypt from the time of Napoleon's invasion of Egypt at the close of the eighteenth century to Muhammad Ali's invasion and exploitation of Sudan in the first part of the nineteenth century to the inauguration of the Anglo Egyptian Condominium over Sudan in 1898
