Rev. Paul C. Jong

Of Sin And Blot:

Final Atonement, The Chinedu Daniel Obasi, 2018-07-05 Those who read The Final Atonement will quickly find the tone of enthusiasm positively contagious Chinedu Daniel Obasi dove into forging this volume with the eager acknowledgment that the sanctuary message is the heartbeat of Adventism's theology and mission God in His infinite wisdom crafted an intricate yet accessible object lesson through which any genuine seeker can understand what He wants and needs to do to liberate humanity from the bondage of sin The author vigorously encourages his readers to make this grand divine theme the constant focus of their study Obasi leaves few stones unturned as he examines in significant detail the key features and elements of the earthly tabernacle and its associated rituals He saturated his tome with hundreds of Bible verses as he sought to verify how all these elements the articles of furniture variety of offerings activities of the priests etc point to Jesus Christ's work to cleanse us from iniquity and restore us to righteousness The story he tells toward the end will stir emotions in even the most stoic heart Please don't shrug off the opportunity to more deeply investigate the Lord's quest to achieve at one ment with His errant children

The Local preacher's treasury, ed. by J. Bate John Bate, 1884 *Find It Fast in the Bible* Thomas Nelson, 2000-05-06 Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture's teaching on key Bible topics But computer based searches and single word concordances quickly overwhelm learners with raw unconnected data This phrase concordance compiles over 5 000 Bible expressions giving their exact Scriptural quotations complete with surrounding sentences Additionally their alphabetical listing offers the chance to explore similar and related topics without starting a new search Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme such as Day of the Lord Kingdom of Heaven and I tell you the truth This handy reference resource contains Over 5 000 best loved and most used Bible phrases The New King James Version as the primary translation Cross references to other major translations NIV NRSV KJV and NASB An alphabetical arrangement by the first word in the phrase More than 30 000 references An extensive Key Word Index These features make Find It Fast in the Bible a trusted time saving companion resource and stand alone aid for personal and group discovery

Forgiveness of Sins; Or, God Reconciled in Christ Henry Law (Dean of Gloucester.), 1876 The Way of the Lord Patrick D. Miller, 2007-02 The Way of the Lord contains twenty one of respected biblical scholar Patrick Miller's best essays on Old Testament theology In this work Miller focuses on the Commandments and the Psalms but also discusses what other parts of the Old Testament have to say to our theology today In the first section Miller portrays the rich complexities of the Ten Commandments and asserts that aspects of them appear in expanded form throughout Scripture His second section shifts to the Psalms revealing them to be as much a book of theology as a book of poetry and song pointing to a way of faith and life The final section expands to consider more wide ranging topics on theology and anthropology contemplating the character of God and the nature of human beings
