

A dramatic landscape photograph of a beach at sunset or sunrise. The foreground is filled with dark, wet, and reflective rocks. The middle ground shows a calm sea meeting a sandy shore. The sky is filled with heavy, dark clouds, with a bright, glowing horizon line where the sun is setting or rising, casting a warm orange and yellow light across the scene.

Silence and solitude are
confrontational. They plunge
us instantly into the truth.

Of Solitude And Silence:

Invitation to Solitude and Silence Ruth Haley Barton, R. Ruth Barton, 2004 Ruth Haley Barton invites you to meet God deeply and fully outside the demands and noise of daily life She leads you on a journey toward freedom and authenticity toward becoming the person God created you to be *Solitude & Silence* Jan Johnson, 2003-06-03 Jan Johnson helps you to grow in the disciplines of solitude and silence You will learn how to hear God's voice and allow him to shape not only your times of quiet but also the rest of your daily routine *Words on Solitude and Silence* Helen Exley, 1998 Make time for yourself in a world of noise and people Words on Solitude and Silence helps you tune into your real inner values Keep it by you and absorb the book's amazing sense of peace *Solitude and Silence* Thomas Á Kempis, 2024-01-02 What can the lay person learn from the life of a monk Solitude and Silence are two pillars of monastic life that many people quickly point to as the hardest and most confusing parts of this kind of religious consecration However the great spiritual writer Thomas Kempis author of *The Imitation of Christ* helps us to understand that all Christians are called to some solitude and silence in our lives while not taking on a complete eremitical life He recommends the systematic and intentional incorporation of solitude and silence in a manner which is consistent with each one's vocation and state of life It is important for us to cultivate these two habits in order to enter into contemplation and conversation with God This vision of God may also be experienced to varying degrees even in this world through the grace of contemplative prayer And silence and solitude are the hallowed doors through which one must pass to arrive at this delightful and serene state of holy contemplation **Disciplines of the Holy Spirit** Siang-Yang Tan, Douglas H. Gregg, 2010-06-15 Connect with the life changing ministry of the Holy Spirit Disciples of the Holy Spirit shows how a dynamic close walk with God can be yours each day through the ministry of the Holy Spirit As the energizer of your faith the Spirit wants to bring you into a transforming communion with Christ He wants to empower you to love your enemies live without fear and give generously out of an inner abundance Your part Simply yielding to him through the following spiritual disciplines Solitude helping you draw near to God for spiritual growth and vigor Surrender helping you surrender to God's will and purpose for your life preparing you for effective ministry Service helping you move into fellowship with others and partnership with God in reaching a broken world As you practice the spiritual disciplines your concept of what it means to be a Christian will acquire a new life changing dimension You'll grow closer to Jesus and your life will increasingly reflect the power and presence of the Holy Spirit Dr Tan always has something worthwhile to say His passion for people life and God combined with his extensive professional knowledge make this book an important read Larry Crabb Jr PhD counselor and bestselling author A passionate fresh guide for how Christians can grow in Christ through the traditional spiritual disciplines Believers of differing theological backgrounds will find encouragement and wisdom Stanton L Jones PhD author of the *God's Design for Sex* book series Dr Siang Yang Tan is senior pastor of First Evangelical Church in Glendale California He is also associate professor of psychology at Fuller Theological Seminary a licensed psychologist and
