Off Stage My Non Show Business Life:

Offstage Observations Steven Suskin, 2022-04-01 Broadway once upon a time A place where people buy tickets at the box office with cash where patrons dress for theatre with no sneakers no water bottles and no backpacks and the only text messages are the ones put there by the playwright A place where iconic legends of stage and screen can be found in plain view smiling politely or egotistically preening Where three dollars will get you a balcony seat at the biggest hit or the lowliest flop in town And a place where an innocent teenager from the suburbs can buy a ticket slip through the stage door and wander over the threshold into the magical world backstage Steven Suskin introduces Broadway once upon a time in Offstage Observations Tales of the Not So Legitimate Theatre The drama critic and noted chronicler of Broadway takes the reader through a decade's worth of adventures working his way from a menial pencil sharpener for producer David Merrick toward a career as a full fledged manager producer and drama critic The book follows the author's progress from the wintry night after his sixteenth birthday when he unexpectedly finds himself alone on the empty stage of a Broadway theatre peering out at the silent empty auditorium lit only by a solitary ghost light to the matinee eight summers later when he finds himself accidentally and uncomfortably acting in a Broadway musical bombarded by roars of laughter from a houseful of playgoers A keen observer of the impertinent with an ear for amusing anecdotes whimsical curiosities and exaggerated tales of life upon the wicked stage Suskin draws a portrait of a not so long ago theatre world that has all but vanished **Boy Loses Girl**

Hischak, 2002 A lively and informative look at the careers works and characteristics of the major librettists of the American theatre Included are dozens of men and women who wrote the books for Broadway musicals over the past one hundred years from George M Cohan to the present day Boy Loses Girl presents a whole new perspective for looking at the American musical theater For film students scholars and enthusiasts of the American musical theatre TLA Video & DVD

Marion Meade, 2014-04-01 A psychologically nuanced tough minded portrait of the New York filmmaker and his relationships with Mia Farrow and Soon Yi Previn Publishers Weekly Writer director actor humorist Woody Allen stands as one of our era's most celebrated artists Starting in the 1950s Allen began crafting a larger than life neurotic persona that has since entertained and enlightened millions In his films widely thought to be autobiographical explorations of his own comic fears and fixations Allen carefully controlled the public's view of him as a lovable scamp But that all came crashing down the day Mia Farrow found a Polaroid on her mantle What followed was a flurry of sensational headlines and legal battles His relationship with Soon Yi Previn thirty four years his junior and the step daughter of his longtime girlfriend caused shockwaves in the public's perception of the director yet few biographers and journalists have explored what happened and

why In this the first deep investigation of Allen s life and the events surrounding his split with Farrow biographer Marion Meade tracks down dozens of friends actors neighbors and film historians They open up with insights and details rare in the world of wealth and celebrity What results is a fascinating portrait of a flawed genius as adept at constructing his own image as he is at crafting films Rereleased and updated this is an unauthorized biography that neither Woody Allen s fans nor his detractors will be able to put down The revised and updated edition was reviewed in the Wall Street Journal in 2013 by Carl Rollyson in a roundup of the five best Hollywood biographies *Hutch* Charlotte Breese,2012-01-16 The vivid true story of one of the biggest stars in Britain during the 1920s and 30s and the inspiration for Downton Abbey s Jack Ross Born in Grenada in 1900 Leslie Hutch Hutchinson went to America in 1916 to study medicine but soon escaped to Harlem where he witnessed the birth of stride jazz piano and began playing and singing in bars himself Moving to France in 1923 he became the protege and lover of Cole Porter before coming to London where he was soon topping the bills in variety and on radio Immaculate in white tie and tails Hutch had enormous sex appeal his velvet voice and superb piano improvisation attracting legions of fans including the then Prince of Wales and most famously Edwina Mountbatten Despite his success Hutch was a profoundly insecure man with insatiable appetites for sex drink gambling and social status which precipitated his fall from fame to a squalid existence by the late 1960s Chris Needs - Like It Is, My Autobiography Chris Needs,2013-09-03 The autobiography of one of Wales favourite radio presenters Chris Needs Includes an honest account of his traumatic childhood his showbiz career and his rise to stardom with 40 000 fans in the Garden on his legendary Radio Wales programme Reprint first published in 2007 **LIFE** ,1970-01-23 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Ebony** ,1980-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *LIFE* ,1965-11-05 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use Wife of the Life of the Party Lita Grey Chaplin,Jeffrey Vance,1998-03-05 Wife of the Life of the Party is the memoir of the late Lita Grey Chaplin 1908 1995 the only one of Chaplin s wives to have written an account of life with Chaplin Her memoir is an extraordinary Hollywood story of someone who was there from the very beginning Born Lillita Louise MacMurray in Hollywood she began her career at twelve with the Charlie Chaplin Film Company when Chaplin selected her to appear with him as the flirting angel in The Kid When she was fifteen Chaplin signed her as the leading lady in The Gold Rush and changed her name to Lita Grey She was forced to leave the production when at the age of sixteen she became pregnant with Chaplin s child She married Chaplin in
