Off The Shelf And Into Yourself Getting More From Gods Word Sonpower Youth Publication:

Off the Shelf and Into Yourself Terry Hall, Karen Hall, 1982 **Youth's Companion** , 1882 *Unleashing God's Word in Youth Ministry* Barry Shafer, 2009-05-26 Whether Bible studies are a regular part of your ministry or you're thinking about how to bring Bible study into your ministry in a more significant way chances are that you want to help your students enter into God's word in a way that challenges them and changes their lives That's a goal worth working towards but sometimes you will feel like it's a goal that you may never reach *Unleashing God's Word in Youth Ministry* is designed to help you develop a Bible study approach that engages students on a deeper level even if you're an avid curriculum user or someone who creates all your own discipleship materials from scratch As you devour the wisdom Barry Shafer brings from decades of student ministry and engage in your own study of God's Word you'll discover that Bible study for your students can be taken to a whole new level In the pages of this book you'll get beyond the typical Bible discussions and learn to confidently engage students in an in-depth search of God's Word Teach teens how to study the Bible on their own Be invigorated in your own personal interaction with the Bible Gain confidence and competence in leading teens deeper in Bible studies and much more If you want to take your students deeper into the Bible discover what it takes to unleash God's Word in your own ministry and watch your students and youth ministry be transformed *Unpacking Scripture in Youth Ministry* Andrew Root, 2013-01-01 *Unpacking Scripture in Youth Ministry* focuses on how to teach and present the Bible in the lives of teenagers Andrew Root argues that teens are constant interpreters always asking the questions who am I and what do others think of me and so youth ministers must teach them to interpret the actions of God as revealed in the Bible This view is different than teaching biblical knowledge memory verses and Bible facts and it's different than teaching them to interpret the Bible themselves Rather they are to view the Bible as a tool for interpreting God's actions and then respond with their own actions *In the Word Bible Study Basics* Amy Simpson, Group Publishing, Incorporated, 2004-01 Equip teenagers with the skills to get into God's Word independently and have them wanting to go back for more Contains 1 leader guide and 6 student journals Topics include the history and makeup of the Bible an outline for personal study Bible study tools and resources and guidance for applying the Bible to life The journals include study outlines to use during their personal daily Bible study Addresses a major need for most youth workers how to get kids excited about learning the Bible Get 4 effective lessons and 1 project on how to study the Bible including relevant life application activities **Core 52 Student Edition** Mark E. Moore, 2021-04-06 Go from biblically challenged to spiritually confident in fifteen minutes a day This adaptation of the bestselling *Core 52* helps teens master the 52 most important verses in the Bible Mark has found the balance between digging deep into God's Word and finding its relevance for today Mary Shannon Hoffpauir Bible teacher speaker and author of *Lose Control The Way to Find Your Soul* You know that the Bible is important So why is it so hard to get into it or get something out of it The problem isn't you or the Bible The problem is the strategy Rather than diving in yourself what if you

had a coach to lead you through a simple process that would build your confidence Core 52 Student Edition is like having a personal trainer for what matters most Just as you d prepare for an important test or big game by focusing on what s core this guide streamlines your time by focusing on the big ideas of the Bible In just fifteen minutes a day five days a week for a year strengthen your spiritual IQ on the most relevant issues for young adults like you including Why Am I Here Genesis 1 1 How Can I Find Happiness Psalm 1 1 3 How Should I Pray Matthew 6 9 13 What Is Real Love John 3 16 How Can I Reduce My Anxiety Philippians 4 6 Knowing the Bible better will make you better at life Start your Core 52 training today so you ll be ready for all God has for you *Power Plays* Concordia Publishing House,1995 Each volume contains 12 skit based Bible studies for high school youth covering topics of interest to them **12-Month Student Discipleship Journal** Joel Lusz,2021-12-15 All youth workers want to help teenagers grow in their faith expanding their participation in the kingdom of God beyond Sundays or Wednesdays until it becomes an integral part of their everyday lives The 12 Month Student Discipleship Journal is designed with that in mind intended to help youth build habits of Bible reading reflection and prayer Students can use this journal individually or each member of a youth group or small group could have a copy and meet for discussion of they are learning and wondering The book is set up so students can begin any time during the year As they spent a short but focused time each day with this journal students will grow in their faith with Bible readings practical teaching and interactive prompts that will help them engage with their questions learn more about God and his Word and discover more of what it means to be a follower of Christ
