Off Trail In Nova Scotia:

Off-trail in Nova Scotia Will Richard Bird,1960 Nova Scotia David Orkin,2017-03-05 This new thoroughly updated edition of Bradt's Nova Scotia remains the most comprehensive guide available to this increasingly popular region of eastern Canada. New direct flights from the UK make visiting easier than ever before helping to fuel the growth of tourist numbers to the many new distilleries and wineries all of which are covered in this new edition. Virtually surrounded by the sea the region boasts 4 600 miles of coastline superb seafood a rich folklore quiet roads and a wealth of outdoor pursuits. Travelling here feels like going back to a time when life's pleasures were simpler shopping at a Farmers Market or a roadside fruit stall buying lobster fresh off the boat at the wharf or photographing the lighthouse by the old fishing village. What's more it's not hard to get off the beaten track here.

Off-trail in Nova Scotia William Richard Bird,1968 **Quest of the Folk** Ian McKay,1994-09-19 The use and abuse of the idea of the Simple Life in tourism promotion and the massive dissemination of folk images are analysed in depth. McKay examines how Nova Scotia's cultural history was rewritten to erase evidence of an urban capitalist society of class and ethnic differences and of women's emancipation. He sheds new light on the roles of Helen Creighton the Maritime region's most famous folklorist and Mary Black an influential handicrafts revivalist in creating this false identity. McKay also looks at the infusion of the folk ideology into the art and literature of the region. McKay puts the folk concept into contemporary and international contexts by drawing on Marxist notions of political economy Gramscian models of cultural production and hegemony and Foucaultian structuralism. The *Quest of the Folk* will be of interest to folklorists cultural historians literary scholars and anyone with an interest in the local history of the Maritimes or Maritime regional identity.
