Offbeat Baja:

Offbeat Baja Jim Hunter, 1977 **Baja Legends** Greg Niemann, 2002 The author of *Baja Fever* shares his extensive knowledge of the peninsula its colorful past and booming present in this fascinating reference book History lore and amazing stories make it a must have for Bajaphiles as well as armchair travelers **Messages from the Mountains** Jim Hunter, 2003 This is the third and final book in Jim Hunter's trilogy following *Messages From Raven* 1988 which won national honors and *Messages From the Bombing Range* 2002 which also gained wide attention Less frequently as one critic put it comes a poet who moves across the Earthly landscape with giant strides his insights into the human condition hurled like thunderbolts one minute and whispered gently into our ears the next Hunter is one of those As in his earlier books Hunter takes his readers not just into the wildest and most dangerous of Alaska's northern places but also into the wilds of their own hearts Places which they may not have intended to visit but in this book may joy in discovering It will prove an exciting journey for those willing to embark upon it to read what messages in this century the mountains via Jim Hunter's keen and dedicated eye are so clearly sending us Also by Jim Hunter *Messages from the Bombing Range* **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1979 Seven Alaskans Book III Jim Hunter, 2025-08-11 From landing on frozen lakes to negotiating San Francisco Streets during childbirth Jewel is not destined to be the teacher her mother wished for Nor is Mike willing to help his best friend shoot a Fairbanks murderer Cody and Laurie with unusual fortitude make Gold Mining and wilderness living work deep in the Alaska Range mountains near McKinley Park while adopting a Vietnamese boy of unknown age Who is home schooled in the far north Then gains a pilot's license before a driver's license as well as combat in two wars Charles and Minerva give Mike and Jewel fits while succeeding well almost in both their chosen fields Charles finishing High School and College in six years and a Doctorate at 20 though rarely talking Minerva motorcycling across the US at 18 with a half wolf pup in her basket before halting in Greenwich Village

Messages from the Bombing Range Jim Hunter, 2002 It's a pleasure to be invited to enter deeply into worlds you've never known From the opening poem *The Wild Child* in which we trek along side the poet proceeding south southeast moving slowly on water over the frozen surface of a creek in interior Alaska deep inside the bombing range of this collection's title to the vigorous next to last poem *Cancer* Jim Hunter invites us along He travels far He opens his heart Jim's journey covers not just the excellent thrilling path of *The Wild Child* rich with footprints of wild creatures shifting weather a fingernail moon and sibilant sounds of the poet's skis on dry snow but quickly plunges down the luge run of philosophy We see close up the frozen bombing range where helicopters hover piloted by young men bug eyed with night vision goggles in the cold Alaska sky Meanwhile moose lynx and bear run for cover even the fox tip toe A local trapper waves his patent to his life style bearing gold seals and notary stamps as the poet muses on the odd truce between Generals and Trappers and Others We meet up with lynx coyote and the cold country of an old trapper who seems to speak for one aspect of the poet and who

wants no more than more of it Like the trapper of Trapper s Lament Jim too seems to believe that The Weather is my brother And not a gentle sibling We venture to San Francisco urban Fairbanks and Big Sur too but Jim s real subject is the deeper and darker terrain of a human heart seeking peace meaning happiness and glimpses of truth The poems hang together on the music of Jim s warm and witty voice Come along Let s ponder Jim s messages with him Jean Anderson Fairbanks Alaska Also by Jim Hunter Messages from the Mountains Reader Comments I like Jim Hunter s poetry it imparts the tranquility and solitude of far away remote places along with the sacrifices and dangers which come with being there the poems bring forth passion and peace he speaks from the heart about being in the wilderness puts the burden on each and everyone of us to make our own decisions on where we fit in the environment Marcy H Moab Utah 07 09 02 Even though we approach poetry from opposite directions I favor the particular and Jim appears to favor the general I enjoyed all the poems in Messages From The Bombing Range my favorite is if Not For The Owl At Night which strikes me as a perfect poem one which captures the northern experience the life within the stillness Tom Sexton Alaska Poet Laureate 07 06 00 Mr Hunter reminds us that we can feel most alive and human in the surroundings where few humans exist He took me to the wilderness and I couldn t help but feel both the healing effects and vast aloneness of lengthy journies into the wilds I completely enjoyed Mr Hunter s work the experience ended too soon I will highly recommend this book to other poetry readers Westerville OH October 5 2002 It had honest prose and excellent style I felt it brought out the best in living with nature in Alaska I feel this poetry book is the Alaskan equal to John Denver s folk music about Colorado Rock Point AZ October 8 2002 I felt as if I were actually in Alaska with the writer experiencing the same things he was experiencing I especially liked the Magic Tree and No Aztec I Dickson TN October 1 2002
