Making Disability Modern Bess Williamson, Elizabeth Guffey, 2020-07-23 Making Disability Modern Design Histories brings together leading scholars from a range of disciplinary and national perspectives to examine how designed objects and spaces contributes to the meanings of ability and disability from the late 18th century to the present day and in homes offices and

schools to realms of national and international politics The contributors reveal the social role of objects particularly those designed for use by people with disabilities such as walking sticks wheelchairs and prosthetic limbs and consider the active role that makers users and designers take to reshape the material environment into a usable world But it also aims to make clear that definitions of disability and ability are often shaped by design      **Open Plan** Jennifer

Kaufmann-Buhler,2020-12-10 Originally inspired by a progressive vision of a working environment without walls or hierarchies the open plan office has since come to be associated with some of the most dehumanizing and alienating aspects of the modern office Author Jennifer Kaufmann Buhler traces the history and evolution of the American open plan from the brightly colored office landscapes of the 1960s and 1970s to the monochromatic cubicles of the 1980s and 1990s analyzing it both as a design concept promoted by architects designers and furniture manufacturers and as a real work space inhabited by organizations and used by workers The thematically structured chapters each focus on an attribute of the open plan to highlight the ideals embedded in the original design concept and the numerous technical material spatial and social problems that emerged as it became a mainstream office design widely used in public and private organizations across the United States Kaufmann Buhler s fascinating new book weaves together a variety of voices perspectives and examples to capture the tensions embedded in the open plan concept and to unravel the assumptions expectations and inequities at its core
