Hub Perdue John A. Simpson,2013-10-23 A strong armed devastating spitball pitcher from rural Tennessee who once won 16 games with the Boston Braves Hub Perdue is better remembered today as one of the clown princes of the Deadball Era Often compared with fellow player comedians Germany Schaefer Nick Altrock and Rabbit Maranville Perdue had a quick wit and a rebellious streak that amused teammates but sometimes led to conflicts with management and umpires Mix em up manager George Stallings had told him encouraging the weak hitting pitcher to take his at bats more seriously Perdue a right hander dutifully took his strikeouts from alternating sides of the plate His penchant for the subversive he was also a players union representative who freely dispensed advice on contracts and negotiation might in fact have curtailed what had been a promising big league career But his antics in the majors and minors became the stuff of legend known as Hublore *The Games They Played* Douglas A. Thiessen,2019-07-03 In 1887 Tip O'Neill left fielder for the St Louis Browns won the American Association batting championship with a 492 average the highest ever for a single season in the Major Leagues Yet his record was set during a season when a base on balls counted as a hit and a time at bat Over the next 130 years the debate about O'Neill s correct average diverted attention from the other batting feats of his record breaking season including numerous multi hit games streaks and long hits as well as two cycles and the triple crown The Browns entered 1887 as the champions of St Louis the American Association and the world Following the lead set by their manager Charles Comiskey the Browns did anything to win combining skill with an aggressive style of play that included noisy coaching incessant kicking trickery and rough play O'Neill did everything to win at the plate leaving the no holds barred tactics to his rowdier teammates Collier's Encyclopedia ,1986 **When Rock Met Disco** Steven Blush,2023-04-01 Disco began as a gay black and brown

underground New York City party music scene which alone was enough to ward off most rockers The difference between rock and disco was as sociological as it was aesthetic At its best disco was galvanizing and affirmative Its hypnotic power to uplift a broad spectrum of the populace made it the ubiquitous music of the late 70s Disco was a primal and gaudy fanfare for the apocalypse a rage for exhibitionism free of moralizing Disco was an exclamatory musical passageway into the future 1978 was the apex of the record industry Rock music commercially and artistically had never been more successful At the same time disco was responsible for roughly 40% of the records on Billboard's Hot 100 thanks to the largest selling soundtrack of all time in Saturday Night Fever The craze for this music by The Bee Gees revived The Hustle and dance studios across America For all its apparent excesses and ritual zealotry disco was a conservative realm with obsolete rules like formal dress code and dance floor etiquette When most 70s artists went disco it was the relatively few daring rockers who had the most impact bringing their intensity and personality to a faceless phenomenon Rock stars who went disco crossed a musical rubicon and forever smashed cultural conformity The ongoing dance rock phenomenon demonstrates the impact of this unique place and time The disco crossover forever changed rock
