Passion Of Fathers:

The Ante-Nicene Fathers Alexander Roberts,2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume I of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find the writings of Clement of Rome the fourth pope who was supposedly martyred by being tied to an anchor and tossed overboard Mathetes an anonymous writer considered the first Christian apologist Polycarp a Christian bishop who was stabbed to death after he failed to burn at the stake Ignatius a student of John the Apostle who was Bishop of Antioch before he was killed Barnabas an anonymous writer given the name of Saint Barnabas Papias author of Interpretations of the Sayings of the Lord a textbook on quotes from Jesus Justin Martyr a Christian apologist and accomplished philosopher and Irenaeus disciple of Polycarp apologist and bishop of Lugdunum

Hemingway's Passions Nancy W. Sindelar,2024-11-05 A provocative and unique look at how the women Hemingway loved shaped this literary legend Ernest Hemingway s passion was writing and he was inspired by a lifetime of daring adventures and encouraged by the many women in his life He nurtured his creativity by purposely seeking dangerous situations to test his own levels of courage and to create literary heroes who displayed grace under pressure His masculine adventurous spirit appealed to women of all ages including four wives and a long list of legendary actresses and he frequently transformed the women in his life into memorable fictional characters In 1950 Hemingway told Marlene Dietrich that he truly loved only five women Who were these women and why did he love them Some of them may have included his wives Hadley Richardson Pauline Pfeiffer Martha Gellhorn and Mary Welsh but there were others too among them Agnes von Kurowsky Through quotations from his works and personal letters as well as more than sixty photographs many of which have not been previously published Hemingway scholar Nancy W Sindelar captures Hemingway s life and romantic adventures revealing his own feelings about his romantic relationships and the ways his experiences with women appear in

his literary works Much has been written about Hemingway but to date no book has linked the women he loved to his written work The stories of Hemingway s romantic relationships reveal not only the influence these women had on his writing but also his personal ambition heartbreak and literary triumphs and trials Sindelar s provocative analyses of Hemingway s literature give fresh insight into the life of a legendary author outdoorsman adventurer and lover Includes 60 photographs many never previously published

The Parker Society for the Publication of the Works of the Fathers and Early Writers of the Reformed English Church Parker Society (Great Britain),1844 The Unity of Faith Weinandy OFM Cap Thomas G,2024-07 In this volume The Unity of Faith Thomas G Weinandy OFM Cap has compiled a theologically significant medley of essays The first section deals with the Trinity ranging from the question of the filioque to the trinitarian thought of Johnathan Edwards The second section addresses a topic for which Weinandy has become notable the impassability of God and human suffering The third takes of the topic of Christology particularly from within the contemporary theological milieu For example what is the relationship between the Incarnation and Soteriology What is the nature of Christ s human consciousness and knowledge How does Paul perceive the primacy of Christ within his Christological hymns The next collection of essays focuses on the relationship between faith and reason In doing Catholic theology how do theologians apply reason when contemplating the mysteries of faith What is the philosophical and theological significance of Pope John Paul II s encyclical Fides et Ratio Ecclesiology is the final topic addressed Weinandy examines the contributions that Henri de Lubac has contributed to our understanding of the Church He also takes up the very delicate issue of the Jews in relationship to the Church How important is it that Jews become Christians The nature of the sacramentality of the Catholic priesthood is investigated What does it mean that the priest acts in persona Christi Lastly Weinandy broaches a topic that has received very little theological attention the Christian family as a Domestic Church In what manner are spouses and parents in imitation of Christ priests prophets and kings Weinandy invariably writes in a clear and engaging manner so much so that these essays would benefit not only academics and students of theology but also the educated laity

The End of the Timeless God R. T. Mullins,2016-01-07 The claim that God is timeless has been the majority view throughout church history However it is not obvious that divine timelessness is compatible with fundamental Christian doctrines such as creation and incarnation Theologians have long been aware of the conflict between divine timelessness and Christian doctrine and various solutions to these conflicts have been developed In contemporary thought it is widely agreed that new theories on the nature of time can further help solve these conflicts Do these solutions actually solve the conflict Can the Christian God be timeless The End of the Timeless God sets forth a thorough investigation into the Christian understanding of God and the God world relationship It argues that the Christian God cannot be timeless

A Man's Greatest Challenge... ..Being a Father David Reedman,2015-10-23 Out of the many experiences of my own life both personally and in working with large numbers of young people and their families I have seen the increasing devastating effect that fatherlessness is having in our society I am

a father to me that is a great privilege and honour and I have walked out the journey of raising 3 children of my own and I have also observed the challenges that many men face in being a father To a large extent it was a combination of those 3 factors experiences that challenged me to write a book on what I believe is a mans greatest challenge that of being a father In the book I firstly wanted to highlight briefly some of the consequences of fatherlessness in our society Men need to know that the efforts that they make as fathers are important they are leaving a legacy in the lives of their children that will impact generations And they need to know that the challenges that they face as they seek to father their children are not unique As fathers we are all in the same fight we are all walking out a very similar journey and I want to challenge men afresh to rise up and make a difference in their own homes and families and then in society The majority of the book is designed to pass on the things that I have learnt in my own journey as a father to the next generation of fathers I firstly present what I believe are some of the fundamental requirements of being an effective father things such as love and time and the power of the words that we speak I then focus on six basic steps or principles that apply to becoming an effective father to your children These six steps are both sequential and yet they need to be continually applied to the many different areas of life time and time again you never outgrow them rather they evolve as you and your children grow and mature I then look at the importance of dealing with your children as individuals and encourage men to see things in a long term perspective Life at times does get messy and take unexpected detours but with time we get to see the results that we all desire as men in the lives of our children In all these areas I havent sought to give men a how to guide or a step by step method rather where possible I have endeavoured to share examples from my own family to help explain the principles and to help men work out how to apply the truths to their own families The last thing that I touch on is to address some of the main challenges or obstacles that we as men confront as we seek to be an effective father For each of these areas one could write an entire book on the subject and the ways in which these obstacles work out in a mans life are as varied as men themselves So all that I have done is to raise awareness of these issues and give some broad guidelines to help guide men through them As fathers we are all in the process of learning and growing None of us have arrived but we can all learn from one another and together we can make a positive change in our society for the benefit of the generations to come Being a father is a mans greatest challenge and it is hard work at times but it is worth it all

Nicene and Post-Nicene Fathers First Series, St. Augustine Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author s personal

agenda or bias Also included in this volume are a selection of Augustines sermons **Becoming a Dad** Stephen James, David Thomas, 2005 Fatherhood is a journey of transformation and is without a doubt a life changing experience Becoming a Dad is for a new father who desires to become more invested with his child his marriage his life and his life story

A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: Theodoret, Jerome, Gennadius, Rufinus: Historical writings, etc Philip Schaff, Henry Wace, 1892 *Passion's Prize* Kitchie, 2008-11-26 Set against the anarchy of the Civil War this novel tells the story of the raven haired beauty Lynora Hollingsworth daughter of a wealthy plantation owner an aspiring young artist who spends one wild enchanting evening in the arms of a stranger but plans to spend the rest of her life in a marriage that has the approval of her family However when her fianc rapes her she decides to strike out on her own rather than subject herself or the child she has discovered she is carrying to this mans cruelty Rene Michael DuClaire gambler and notorious rake to whom she flees for asylum is also the handsome stranger to whom she has given her heart When he surmises her condition and realizes he is the father he marries her against her will It is a stormy relationship exacerbated by the onslaught of the Civil War a conflict over which all characters must make some tough decisions regarding their own comfort and their consciences There are various subplots in the story One of them deals with the rejected suitors espionage for the Union army and reveals his sinister nature in his desire for revenge Another has to do with an Underground Railroad system in Louisiana and a third deals with the drama of the Civil War itself on the people it touched in the swampy city of New Orleans and surrounding area The scenes that relate to the war have been researched and are essentially factual including the shipyard strike all battle scenes and even the explosion of the powder plant in Gretna The captains majors and generals were all real people involved in the war at the places described Only the lieutenants and privates are fictional *The Elemental Passions of the Soul Poetics of the Elements in the Human Condition: Part 3* Anna-Teresa Tymieniecka, 2012-12-06 **A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West: (See v.28)**, 1852 The Dead Father Lila J. Kalinich, Stuart W. Taylor, 2008-10-27 Inspired by Andr Green s landmark paper this book brings together some of the world s finest intellects and provides a framework to allow psychoanalysts to begin thinking about the difficulties of a generation without a solid anchor in the Father *The One Offering* Michael Ferrebee Sadler, 1875 **Mirror of His Beauty** Peter Schäfer, 2002 In this beautifully realized study Peter Sch fer investigates the origins of a female manifestation of God in Jewish mysticism The search itself is a fascinating exploration of the idea of a feminine divinity And Sch fer s surprising but persuasive conclusions yield deeper understanding of the complex but frequently intimate relationship between Christianity and Judaism and of the development of religious concepts more generally Toward the end of the twelfth century a small book titled the Bahir Light appeared in Provence The first document of Judaism s emerging kabbalistic movement it introduced a completely new view of God one that included a divine potency that was essentially female This female divinity was portrayed both as a mediator between Jews and God and

as part of the Godhead itself Examining Judaic history from the biblical Wisdom tradition to the Middle Ages Sch fer finds some precedents for the Kabbalah s feminine divinity But he cannot account for her forceful appearance in twelfth century southern France without reference to the immediate Christian environment particularly the flourishing veneration of the Virgin Mary Indeed twelfth century Jews and Christians were simultaneously rediscovering the feminine as an aspect of the Godhead after having abandoned it in favor of either an abstract disembodied God or an exclusively male one In proposing that the medieval cult of Mary rather than eastern Gnosticism is the appropriate framework for understanding the feminine elements in Jewish mysticism *Mirror of His Beauty* represents a sea change in Kabbalah and Jewish Christian cultural studies It shifts our attention from the Byzantine East to the Latin Christian West And in contrast to histories that treat the development of Judaism and Christianity in isolation it leads us to a fuller understanding of Jews and Christians living in proximity aware of each other
