Nothing Sacred Douglas Rushkoff, 2003-04-08 Acclaimed writer and thinker Douglas Rushkoff author of *Ecstasy Club* and *Coercion* has written perhaps the most important and controversial book on Judaism in a generation As the religion stands on the brink of becoming irrelevant to the very people who look to it for answers *Nothing Sacred* takes aim at its problems and offers startling and clearheaded solutions based on Judaism's core values and teachings Disaffected by their synagogues emphasis on self preservation and obsession with intermarriage most Jews looking for an intelligent inquiry into the nature of spirituality have turned elsewhere or nowhere Meanwhile faced with the chaos of modern life returnees run back to Judaism with a blind and desperate faith and are quickly absorbed by outreach organizations that in return for money offer compelling evidence that God exists that the Jews are indeed the Lord's chosen people and that those who adhere to this righteous path will never have to ask themselves another difficult question again Ironically the texts and practices making up Judaism were designed to avoid just such a scenario Jewish tradition stresses transparency open ended inquiry assimilation of the foreign and a commitment to conscious living Judaism invites inquiry and change It is an open source tradition one born out of revolution committed to evolution and willing to undergo renaissance at a moment's notice But unfortunately some of the very institutions created to protect the religion and its people are now suffocating them If the Jewish tradition is actually one of participation in the greater culture a willingness to wrestle with sacred beliefs and a refusal to submit blindly to icons that just don't make sense to us then the lapsed Jews may truly be our most promising members Why won't they engage with the synagogue and how can they be made to feel more welcome *Nothing Sacred* is a bold and brilliant book attempting to do nothing less than tear down our often false preconceptions about Judaism and build in their place a religion made relevant for the future From the Hardcover edition
