Perry Anderson Gregory Elliott, 1998 This first full reconstruction of Perry Anderson's distinguished career provides an overview of the evolution of the British New Left since 1956 and reveals a great deal about the vicissitudes of Marxist theory and political practice in the era of post Stalinist communism Gregory Elliott ultimately argues that notwithstanding significant discontinuities in his intellectual development Anderson remains a critically engaged thinker of the intransigent Left a contemporary historian whose commitment to the long view renders him an indispensable commentator on our times Elliott also sketches the collective career of New Left Review one of the most
