Queer World

Karl Schoonover, Rosalind Galt

Queer World:

A Queer World Martin Duberman, 1997-04 This anthology comprises 52 articles based on presentations at colloquia sponsored by the Center for Lesbian and Gay Studies CLAGS during its first decade 1986-96 at the CUNY Graduate School Arrangement is in five sections covering identities as they revolve around gender and sexuality the terrains of homosexual history mind body relations laws and economics and policy issues related to gay youth AIDS and aging Annotation copyrighted by Book News Inc Portland OR *Queer Cinema in the World* Karl Schoonover, Rosalind Galt, 2016-11-17 Proposing a radical vision of cinema's queer globalism Karl Schoonover and Rosalind Galt explore how queer filmmaking intersects with international sexual cultures geopolitics and aesthetics to disrupt dominant modes of world making Whether in its exploration of queer cinematic temporality the paradox of the queer popular or the deviant ecologies of the queer pastoral Schoonover and Galt reimagine the scope of queer film studies The authors move beyond the gay art cinema canon to consider a broad range of films from Chinese lesbian drama and Swedish genderqueer documentary to Bangladeshi melodrama and Bolivian activist video Schoonover and Galt make a case for the centrality of queerness in cinema and trace how queer cinema circulates around the globe institutionally via film festivals online consumption and human rights campaigns but also affectively in the production of a queer sensorium In this account cinema creates a uniquely potent mode of queer worldliness one that disrupts normative ways of being in the world and forges revised modes of belonging **How to Queer the World** Bo Ruberg, 2025-04-22 What video games teach us about building a better world What does it mean to build a world Worldbuilding is traditionally understood as an expression of storytelling across media forms Yet as video games show us worldbuilding does not necessarily need to center narrative elements Instead new worlds can allow us to reimagine existing structures conventions and constants Doing so gives us the tools to queer the world around us How to Queer the World argues that video games provide us with keen insight into worldbuilding With these insights come a new understanding of the ever elusive ideals of queer worldmaking Video games challenge us to address how worlds are built through underlying systems rather than surface level representation They also offer opportunities to envision alternate and queer ways of living loving desiring and being Each of the chapters in this book presents a close reading of a video game that illustrates one way of building worlds and encoding them with meaning focusing on elements of digital media often overlooked as technical rather than cultural From the design of game mechanics and user interfaces to the use of graphics software and physics simulations Bo Ruberg argues that these aspects of video games represent a critical toolkit for seeing the work of worldbuilding differently in video games and beyond Simultaneously each of these video games models an approach to what Ruberg terms queer worldbuilding Queer worldbuilding radically remakes the world by destabilizing the fundamental logics of our own universe who we are what we can do how our bodies move and how we exist within time and space **A Queer World** City University of New York. Center for Lesbian and Gay Studies, 1997-04 This compendious

cutting edge volume offers a broad array of the most provocative gay lesbian bisexual and transgender scholarship produced by the Center for Lesbian and Gay Studies CLAGS over the first decade 1986-1996 of its existence at the CUNY Graduate School

Queer Theory and Communication Gust Yep, 2014-06-17 Get a queer perspective on communication theory

Queer Theory and Communication From Disciplining Queers to Queering the Discipline is a conversation starter sparking smart talk about sexuality in the communication discipline and beyond Edited by members of The San Francisco Radical Trio the book integrates current queer theory research and interventions to create a critical lens with which to view the damaging effects of heteronormativity on personal social and cultural levels and to see the possibilities for change through social and cultural transformation Queer Theory and Communication represents a commitment to positive social change by imagining different social realities and sharing ideas passions and lived experiences As the communication discipline begins to recognize queer theory as a vital and viable intellectual movement equal to that of Gay and Lesbian studies the opportunity is here to take current queer scholarship beyond conference papers and presentations Queer Theory and Communication has five objectives 1 to integrate and disseminate current queer scholarship to a larger audience academic and nonacademic 2 to examine the potential implications of queer theory in human communication theory and research in a variety of contexts 3 to stimulate dialogue among queer scholars 4 to set a preliminary research agenda and 5 to explore the implications of the scholarship in cultural politics and personal empowerment and transformation Queer Theory and Communication boasts an esteemed panel of academics artists activists editors and essayists Contributors include John Nguyet Erni editor of Asian Media Studies and Research Analysis Program Board member for GLAAD Joshua Gamson author of Freaks Talk Back Tabloid Talk Shows and Sexual Nonconformity Sally Miller Gearhart author activist and actress Judith Halberstam author of Female Masculinity David M Halperin author of How to Do the History of Homosexuality E Patrick Johnson editor of Black Queer Studies Kevin Kumashiro author of Troubling Education Queer Activism and Antioppressive Pedagogy Thomas Nakayama co editor of Whiteness The Communication of Social Identity A Susan Owen author of Bad Girls Cultural Politics and Media Representations of Transgressive Women William F Pinar author of Autobiography Politics and Sexuality and editor of Queer Theory in Education Ralph Smith co author of Progay antigay The Rhetorical War over Sexuality Queer Theory and Communication From Disciplining Queers to Queering the Discipline is an essential addition to the critical consciousness of anyone involved in communication media studies cultural studies gender studies and the study of human sexuality whether in the classroom the boardroom or the bedroom

Real Queer America Samantha Allen, 2019-03-05 LAMBDA LITERARY AWARD FINALIST A transgender reporter's powerful profoundly moving narrative tour through the surprisingly vibrant queer communities sprouting up in red states New York Times Book Review offering a vision of a stronger more humane America Ten years ago Samantha Allen was a suit and tie wearing Mormon missionary Now she's a GLAAD Award winning journalist happily married to another woman A lot in her life has changed but what hasn't changed is her deep love of Red

State America and of queer people who stay in so called flyover country rather than moving to the liberal coasts In *Real Queer America* Allen takes us on a cross country road trip stretching all the way from Provo Utah to the Rio Grande Valley to the Bible Belt to the Deep South Her motto for the trip Something gay every day Making pit stops at drag shows political rallies and hubs of queer life across the heartland she introduces us to scores of extraordinary LGBT people working for change from the first openly transgender mayor in Texas history to the manager of the only queer night club in Bloomington Indiana and many more Capturing profound cultural shifts underway in unexpected places and revealing a national network of chosen family fighting for a better world *Real Queer America* is a treasure trove of uplifting stories and a much needed source of hope and inspiration in these divided times *Sexual Discretion* Jeffrey Q. McCune, Jr.,2014-03-07 African American men who have sex with men while maintaining a heterosexual lifestyle in public are attracting increasing interest from both the general media and scholars Commonly referred to as down low or DL men many continue to have relationships with girlfriends and wives who remain unaware of their same sex desires and in much of the media DL men have been portrayed as carriers of HIV who spread the virus to black women *Sexual Discretion* explores the DL phenomenon offering refreshingly innovative analysis of the significance of media space and ideals of black masculinity in understanding down low communities In *Sexual Discretion* Jeffrey Q McCune Jr provides the first in depth examination of how the social expectations of black masculinity intersect and complicate expressions of same sex affection and desire Within these underground DL communities men aren t as highly policed and thus are able to maintain their public roles as properly masculine McCune draws from sources that range from R and from E Lynn Harris s contemporary sexual passing novels to McCune s own interviews and ethnography in nightclubs and online chat rooms *Sexual Discretion* details the causes pressures and negotiations driving men who rarely disclose their intimate secrets *Queer Media in China* Hongwei Bao,2021-05-30 This book examines different forms and practices of queer media that is the films websites zines and film festivals produced by for and about lesbian gay bisexual transgender and queer LGBTQ people in China in the first two decades of the twenty first century It traces how queer communities have emerged in urban China and identifies the pivotal role that community media have played in the process It also explores how these media shape community cultures and perform the role of social and cultural activism in a country where queer identities have only recently emerged and explicit forms of social activism are under serious political constraints Importantly because queer media is niche and narrowcasting rather than broadcasting and mass communication the subject compels a rethinking of some often taken for granted assumptions about how media relates to the state the market and individuals Overall the book reveals a great deal about queer communities and identities queer activism and about media and social and political attitudes in China *Polish Literature as World Literature* Piotr Florczyk,K. A. Wisniewski,2022-12-15 This carefully curated collection consists of 16 chapters by leading Polish and world literature scholars from the United States Canada Italy and of course Poland An historical approach gives readers a

panoramic view of Polish authors and their explicit or implicit contributions to world literature. Indeed the volume shows how Polish authors from Jan Kochanowski in the 16th century to the 2018 Nobel laureate Olga Tokarczuk have engaged with their foreign counterparts and other traditions active participants in the global literary network and the conversations of their day. The volume features views of Polish literature and culture within theories of world literature and literary systems with a particular attention paid to the resurgence of the idea of the physical book as a cultural artifact. This perspective is especially important since so much of today's global literary output stems from Anglophone perceptions of what constitutes literary quality and tastes. The collection also sheds light on specific issues pertaining to Poland such as the idea of Polishness and global phenomena including social and economic advancement as well as ecological degradation. Some of the authors discussed like the Romantic poet Adam Mickiewicz or the 1980 Nobel laureate Czeslaw Milosz were renowned far beyond the borders of their country while others like the contemporary travel writer and novelist Andrzej Stasiuk embrace regionalism seeing as they do in their immediate surroundings a synecdoche of the world at large. Nevertheless the picture of Polish literature and Polish authors that emerges from these articles is that of a diverse cosmopolitan cohort engaged in a mutually rewarding relationship with what the late French critic Pascale Casanova has called the world republic of letters.

Making Sex Public and Other Cinematic Fantasies Damon R. Young, 2018-10-04. Beginning in the late 1950s representations of and narratives about sex proliferated on French and U.S. movie screens. Cinema began to display forms of sexuality that were no longer strictly associated with domesticity nor limited to heterosexual relations between loving couples. Women's bodies and queer sexualities became intensely charged figures of political contestation, aspiration and allegory central to new ways of imagining sexuality and to new liberal understandings of individual freedom and social responsibility. In *Making Sex Public* Damon R. Young tracks the emergence of two conflicting narratives: on the one hand a new model of sex as harmoniously integrated into civic existence; on the other an idea of women's and queer sexuality as corrosive to the very fabric of social life. Taking a transatlantic perspective from the late 50s through the present from *And God Created Woman* and *Barbarella* to *Cruising* and *Shortbus* Young argues that cinema participated in the transformation of the sexual subject while showing how women and queers were both agents and objects of that transformation.

Queer Singapore Audrey Yue, Jun Zubillaga-Pow, 2012-10-01. Singapore remains one of the few countries in Asia that has yet to decriminalize homosexuality. Yet it has also been hailed by many as one of the emerging gay capitals of Asia. This book accounts for the rise of mediated queer cultures in Singapore's current milieu of illiberal citizenship. This collection analyses how contemporary queer Singapore has emerged against a contradictory backdrop of sexual repression and cultural liberalisation. Using the innovative framework of illiberal pragmatism established and emergent local scholars and activists provide expansive coverage of the impact of homosexuality on Singapore's media cultures and political economy including law, religion, the military, literature, theatre, photography, cinema, social media and queer commerce. It shows how new LGBT subjectivities have been fashioned through

the governance of illiberal pragmatism how pragmatism is appropriated as a form of social and critical democratic action and how cultural citizenship is forged through a logic of queer complicity that complicates the flows of oppositional resistance and grassroots appropriation

Gender Dilemmas in Children's Fiction K. Mallan, 2009-08-28 This engaging study examines diverse genders and sexualities in a wide range of contemporary fiction for children and young people Mallan's insights into key dilemmas arising from the texts' treatment of romance beauty cyberbodies queer and comedy are provocative and trustworthy and deliver exciting theoretical and social perspectives

Libidinal Currents Joseph Allen Boone, 1998-02-03 According to scholar Joseph Allen Boone modern fiction with its strong currents of sexuality creates a poetics of the perverse with the power to influence how we think Challenging common theories Boone constructs a model for interpreting sexuality that reaches from Freud's theory of the libidinal instincts to Foucault's theory of sexual discourse A landmark work in the study of modernist fiction and the study of sexuality and gender

Feminist Studies Hemangini Gupta, Kelly Sharron, Carly Thomsen, Abraham Weil, 2025-06-02 *Feminist Studies An Introductory Reader* offers a unique approach to teaching and learning feminist thought Crafted with the movement and translation of ideas in mind this book is broken into four sections Feminist Epistemologies Feminist Ontologies Feminist Orientations and Resistance Each chapter includes two well known classic texts that commonly appear in Feminist Studies classes as well as two new texts written by scholars who engage critique and extend those ideas in their work In addition the book is accompanied by a companion website which includes discussion questions assignment ideas lesson plans and other materials useful for classroom instruction *Feminist Studies An Introductory Reader* is designed for those new to feminism as well as more seasoned feminist thinkers It is an ideal resource for students in introductory and advanced feminist theory courses as well as those interested in social scientific and humanistic inquiry more broadly

The Sexual Politics of Empire Erin L. Durban, 2023-02-28 Winner in the LAMMY Awards Lambda Literary Awards LGBTQ Studies category Evangelical Christians and members of the global LGBTQI human rights movement have vied for influence in Haiti since the 2010 earthquake Each side accuses the other of serving foreign interests Yet each proposes future foreign interventions on behalf of their respective causes despite the country's traumatic past with European colonialism and American imperialism As Erin L. Durban shows two discourses dominate discussions of intervention One maintains imperialist notions of a backward Haiti so riddled with cultural deficiencies that foreign supervision is necessary to overcome Haitians' resistance to progress The other sees Haiti as a modern but failed state that exists only through its capacity for violence including homophobia In the context of these competing claims Durban explores the creative ways that same sex desiring and gender creative Haitians contend with anti LGBTQI violence and ongoing foreign intervention Compelling and thought provoking *The Sexual Politics of Empire* examines LGBTQI life in contemporary Haiti against the backdrop of American imperialism and intervention

Queer Airwaves: The Story of Gay and Lesbian Broadcasting Phylis W. Johnson, Michael C. Keith, 2014-12-18 This book is both a retrospective history of the gay community's

use of electronic media as a way of networking and creating a sense of community and an examination of the current situation an analysis and critical assessment of gay lesbian electronic media Keith and Johnson use original interviews and oral history to delineate the place of electronic media in the lives of this increasingly visible and vocal minority in America

Shameless Propositions Alice Elaine Adams,2010 Queering the Asian Diaspora Hongwei Bao,2024-12-04 The COVID 19 pandemic has intensified global geopolitical tensions bringing Sinophobia and anti Asian racism into sharp focus At the same time a growing Asian diasporic consciousness is emerging worldwide celebrating Asian identity and cultural heritage Yet in the space between anti Asian racism and the rise of Asian advocacy the voices of queer people have often been largely missing This book addresses that gap Exploring a range of contemporary case studies from art fashion performance film and political activism Bao offers a powerful intersectional cultural politics anti nationalist anti racist decolonial feminist and queer that challenges dominant narratives and amplifies marginalized voices The Social Science for Social Justice series challenges the Ivory Tower of academia providing a platform for academics journalists and activists of color to respond to pressing social issues Proof Methods for Modal and Intuitionistic Logics M. Fitting,2013-04-18 Necessity is the mother of invention Part I What is in this book details There are several different types of formal proof procedures that logicians have invented The ones we consider are 1 tableau systems 2 Gentzen sequent calculi 3 natural deduction systems and 4 axiom systems We present proof procedures of each of these types for the most common normal modal logics S5 S4 B T D K K4 D4 KB DB and also G the logic that has become important in applications of modal logic to the proof theory of Peano arithmetic Further we present a similar variety of proof procedures for an even larger number of regular non normal modal logics many introduced by Lemmon We also consider some quasi regular logics including S2 and S3 Virtually all of these proof procedures are studied in both propositional and first order versions generally with and without the Barcan formula Finally we present the full variety of proof methods for Intuitionistic logic and of course Classical logic too We actually give two quite different kinds of tableau systems for the logics we consider two kinds of Gentzen sequent calculi and two kinds of natural deduction systems Each of the two tableau systems has its own uses each provides us with different information about the logics involved They complement each other more than they overlap Of the two Gentzen systems one is of the conventional sort common in the literature When Brooklyn Was Queer Hugh Ryan,2024-06-04 A boisterous motley new history an entertaining and insightful chronicle enhanced by original research The New York Times Book Review Hugh Ryan s *When Brooklyn Was Queer* is a groundbreaking exploration of the LGBT history of Brooklyn from the early days of Walt Whitman in the 1850s up through the queer women who worked at the Brooklyn Navy Yard during World War II and beyond No other book movie or exhibition has ever told this sweeping story Not only has Brooklyn always lived in the shadow of queer Manhattan neighborhoods like Greenwich Village and Harlem but there has also been a systematic erasure of its queer history a great forgetting Ryan is here to unearth that history for the first time In intimate evocative moving prose he

discusses in new light the fundamental questions of what history is who tells it and how we can only make sense of ourselves through its retelling and shows how the formation of the Brooklyn we know today is inextricably linked to the stories of the incredible people who created its diverse neighborhoods and cultures Through them When Brooklyn Was Queer brings Brooklyn s queer past to life and claims its place as a modern classic A romantic exquisite history of gay culture Kirkus Reviews starred review A chronicle for the ages Harper s Bazaar A funny tender and disturbing history of LGBTQ life The Guardian This evocative and nostalgic love song to the borough and its flamboyant past offers a valuable broadening of historical perspective Publishers Weekly A compelling essential read Shelf Awareness Tender compelling fascinating Alexander Chee award winning author of The Queen of the Night

Queer World Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Queer World**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
