## **Real Questions About God Real Questions:**

Questions About God S. Michael Houdmann, 2014-04-25 God welcomes questions The Bible is full of inquisitive characters with good questions From Abrahams inquiry Will not the Judge of all the earth do right to Marys wide eyed How will this be God patiently answers the questions of sincere searching hearts Questions are part of the learning process and a repeated Old Testament command is to seek the Lord Those who inquire of Him are invariably rewarded with His wisdom Jesus gracious promise says Ask and it will be given to you Matthew 7 7 As we open the Bible we begin a quest to know the God who has revealed Himself in its pages What is God like Does God love me Why does He allow bad things to happen The answers to these and many other questions are there in the Bible waiting for us to find them Got Questions Ministries has fielded many questions about God since 2002 One hundred of those questions are compiled in this book along with biblical answers All of these real life questions come from people who want to know the truth about God His nature and His work in the world We hope you will use this volume as an aid to knowing God a little better and loving Him more **Answering the Toughest Questions About God and the Bible** Bruce Bickel, Stan Jantz, 2016-10-18 Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God Is he real Why are Christians so unlike Jesus Does he really care about me Bruce Bickel and Stan Jantz don t pretend to have all the answers But they do know how to wrestle with doubt They welcome questions and in these pages they ask some of the most important ones you have about God and the Bible With candor insight and a disarming touch of humor they provide some answers to these critical questions yet they leave enough space and grace for you to keep wrestling asking and seeking Truth There is no shame in asking after all even some of the greatest men and women in the Bible had doubts Don t let your questions go unanswered What you find might just change your life Aquinas: Summa Theologiae, Questions on God Saint Thomas (Aquinas), 2006-02-16 Thomas Aquinas 1224 6 1274 was one of the greatest of the medieval philosophers His Summa Theologiae is his most important contribution to Christian theology and one of the main sources for his philosophy This volume offers most of the Summa s first 26 questions including all of those on the existence and nature of God Based on the 1960 Blackfriars translation this version has been extensively revised by Brian Davies and also includes an introduction by Brian Leftow which places the questions in their philosophical and historical context The result is an accessible and up to date edition of Aquinas thoughts on the nature and existence of God both of which have continuing relevance for the philosophy of religion and Christian theology Real Questions for a Real God Barry A. Ames, 2023-06-09 Most people wouldn t consider having a two way conversation with God Even Christians think only special people prophets maybe can hear from God But what if this is not true What if anyone can And if you asked God questions what would He say Several years ago Barry embarked on a faith journey to do just that to ask God questions listen for the answers and journal this experience In Real Questions for a Real God Barry shares selected common questions he asked God and the answers he received by faith Barry encourages you to

join him and go to the next level in your relationship with God through Christ. This book is not just for the answers to these questions but rather to connect you to God in ways you never imagined possible. With God, all things are possible. **The Question of God's Perfection** Yoram Hazony, Dru Johnson, 2018-11-26. Philosophers have often described theism as the belief in the existence of a perfect being, a being that is said to possess all possible perfections so that it is all-powerful, all-knowing, immutable, perfectly good, perfectly simple, and necessarily existent among other qualities. But such a theology is difficult to reconcile with the God we find in the Bible and Talmud. *The Question of God's Perfection* brings together leading scholars from the Jewish and Christian traditions to critically examine the theology of perfect being in light of the Hebrew Bible and classical rabbinic sources. Contributors are James A. Diamond, Lenn E. Goodman, Edward C. Halper, Yoram Hazony, Dru Johnson, Brian Leftow, Berel Dov Lerner, Alan L. Mittleman, Heather C. O'Haneson, Randy Ramal, Eleonore Stump, Alex Sztuden, and Joshua I. Weinstein. **Is God Real?** Lee Strobel, 2023-10-31. Lee Strobel, former atheist and legal editor of the *Chicago Tribune*, weaves together the latest evidence from a range of brilliant scientific and philosophical minds to answer the most consequential question of all time: Is God real? More than two hundred times a second around the world, questions about God's existence are being typed into search engines. Google alone provides nearly 4 million results to that single question. The topic of the existence of a Creator has enormous implications on our lives, including whether or not we have free will, if there's any such thing as an afterlife, and whether or not there's any basis for human morality. In *Is God Real*, Lee Strobel, author of the *New York Times* bestselling book *The Case for Christ*, pulls together material from his previous books to create this updated rational exploration of the proof of God's existence and the basis of our hope. Writing to skeptics, believers, and anyone who's ever gone through or is going through periods of doubt and disillusionment, Lee turns his critical mind and expert interview skills to perennial questions such as: If God is real, why is there so much suffering? How do we know which God is real? If God is real, why does he seem so hidden? How do recent scientific findings support the claim that God is real? If God is real, what difference does it make? *Is God Real* is a life-changing exploration of the inquiry at the center of our being.

*Questions God Asks Us* Trevor Hudson, 2020-03-01. Transformation comes from questions, not answers. We often look to the Bible as the book of answers. How often, though, do we consider the challenging questions God asks? Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three. The Creator is teaching us as we teach children when they struggle with schoolwork: You learn more by doing than being fed an absolute answer. In *Questions God Asks Us*, we're encouraged to focus on the quest rather than a resolution. Such an approach leads to deeper dialogue and intimacy with the divine. This is a critical turning point in our journey with God, as it was for the author: I thought the Bible existed to give me solutions to my everyday concerns and dilemmas, writes Hudson. Then I realized I might be approaching God and the Bible from the wrong direction. It was as if God said to me, Trevor, rather than you always asking questions of me, start listening to the questions I have for you. Each of 10 questions Hudson excerpts from the Old and New Testaments serves
